October Mountain State Forest

Welcome to DCR's October Mountain State Forest

At 16,500 acres, October Mountain is the largest state forest in Massachusetts. Here visitors can camp, hike and enjoy the outdoors while they visit nearby Tanglewood and other Berkshire County points of interest.

October Mountain is part of the Massachusetts Department of Conservation and Recreation (DCR) , and agency of the Executive Office of Energy and Environmental Affairs.

DCR oversees 450,000 acres of parks, forests, beaches, bike trails, watersheds, and dams. Its mission is to protect, promote, and enhance the state's natural, cultural, and recreational resources.
