- **Issued**: COC is active and in full effect.
- **Disapproved:**

○ For a new COC application: COC application was disapproved and facility has no COC.

- **Ineligible**: USTs have been removed and not replaced within 365 days of removal and no Application for Eligibility was filed within 365 days of removal. The facility has an existing, approved, eligible release being cleaned up and can continue to file claims under the prior approved Eligibility number.
- **Revoked**: COC has been revoked and owner is no longer able to use the state fund as FR (i.e. revoked for fees, non-compliance, or failure to renew).
- **Terminated**: USTs have been removed and not replaced within 365 days of removal and no Application for Eligibility was filed within 365 days of removal. Releases discovered after the 365-day period may not be eligible for reimbursement.
- **Misc. Internal Administrative Statuses**
  - o **Pending**: A COC application has been received by the UST Program and is currently under review. If the COC has expired, the existing COC remains in full effect while the application is under review.
