# 2012 SCHOOL SECURITY GRANT APPLICATION

## Application Guidelines and Instructions

This grant opportunity is available for Norfolk County school capital improvement projects which directly enhance student, staff or facility safety. Applications cannot be submitted for recurring costs such as salaries.

To apply, please complete this form and submit on letterhead a description of how your proposed project will enhance school safety. Please attach an estimate for the purchase and installation of the proposed project.

## Application materials should be mailed to the attention of:

Jennifer Rowe
Director, Education and Community Programs
