A General Terms and Conditions: Article III, Sec. 10.4.
Basic rules (refer to tariff for complete details)
i) Any volume up to then-current MDQ / MSQ
ii) Any extension term up to 5 years
iii) Max rate: desired extension term < 5 years = ROFR open season at TGP option
iv) < max rate = mandatory ROFR open season regardless of term
v) Any extension for a term < 1 year = no future renewal opportunity (by regulatory right)
vi) Contract is extended automatically for 5 years (evergreen) absent specific valid election per Sec 10.4 at least 12 mos prior
vii) All valid extension elections are binding and unconditional.
Note: shipper is encouraged to communicate with Marketing Manager if there are any questions at all prior to making binding decision

Note: All extension rights per Article III, Section 10.5 (GSR settlement) have been used by Fitchburg and therefore are no longer applicable
