NOTICE OF A REMEDIAL ACTION PLAN

Former Shell Gasoline Station
215 West Main Street
Ayer, Massachusetts
RTN 2-10827
Tier 1C Permit No. 131604

A Remedial Action Plan (310 CMR 40.0861) has been developed for this site pursuant to the Massachusetts Contingency Plan (310 CMR 40.1406). This disposal site was classified as Tier 1C on October 3, 1996 and granted a Waste Site Cleanup Permit on October 3, 1996.

The Remedial Action Plan proposes the following measures to respond to a release of oil and/or hazardous material at this disposal site:

- The remedial alternative selected for implementation at this site will a combination of soil vapor extraction and air sparging.

- The selected remedial alternative outlined in the Phase III Remedial Action Plan dated April 8, 2003, is significantly different than the original remedial alternative of periodic enhanced fluid recovery events and monitored natural attenuation documented in the original Phase III remedial action plan submitted on May 1, 2001.

M.G.L. c. 21E and the Massachusetts Contingency Plan provide additional opportunities for public involvement in decisions regarding response actions at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40. 1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact Donald Maggioli, EnviroTrac Ltd, 1400 Providence, Suite 2100, Norwood, MA 02062 at (781) 769-5005.
