Dear G.T.L.,

I'm writting this letter in regaurds to curent telephone rates at MCI Norfolk. I feel it is placeing a hardship on my family. I'm unable to afford to use the phone due to the fact I do not have employment here at MCI Norfolk and have to relay on my family to pay for the call's. It's not fair for them to keep payin outragest price's. It's beging to create a distance between myself and loved one's. And becoming a daily struggle to keep that "family bond" we've always had. I feel like over the course of the nept five year's will have become so distanced that I feel like I won't have any family ties by the end of my sentence.

Respectfully,

Dennis Kelley #W99029
