Re: Global Crossing Local Services, Inc.
Revisions to Tariff D.P.U. Massachusetts – No. 3
Re: 2016 Intercarrier Compensation Rate Reduction Tariff Filings

Dear Ms. Clark:

Pursuant to the Commission's May 23, 2016 Notice Re: 2016 Intrastate Intercarrier Compensation Rate Reduction Tariff Filings, enclosed for filing are an original and three (3) copies of revisions to Global Crossing Local Services, Inc. D.P.U. Massachusetts No. 3. A .pdf copy of this filing will also be submitted separately to dtc.efiling@state.ma.us.

This filing amends the tariff to reduce terminating switched access rates in accordance with reductions in the Verizon MA terminating local end office switching rates. The company respectfully requests an effective date of July 30, 2016. This effective date is consistent with the requirements for competitive local exchange carriers set forth in paragraph 807 of the FCC's *Connect America Fund Order*, 26 FCC Rcd 17663 (2011).

The following pages are included in the filing:

Section 6 Fifth Revised Page No. 2	Reduces terminating switched access rates
Section 6 Third Revised Page No. 8	Reduces terminating Toll VoIP-PSTN traffic access charges

Supporting calculations are provided in attached Appendix A. These rates are at parity or below the Company's corresponding interstate rates filed in Global Crossing Local Services, Inc. FCC Tariff No. 19, Pages 66, 66.1 and 66.2 attached hereto.

Pursuant to the Commission's filing procedures, enclosed please find the appropriate fee of $100.00.

Any questions regarding this filing should be directed to Ms. Diane L. Peters, Senior Manager Regulatory Affairs at Diane.Peters@level3.com or (585) 255-1425.

Sincerely,

Diane L Peters
