

OPERATIONAL SERVICES DIVISION

VEH111 Heavy-Duty Vehicles, Road Maintenance and Construction Equipment

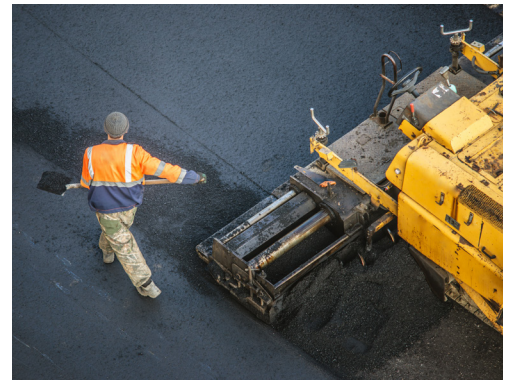

The VEH111 Statewide Contract provides Heavy-Duty Vehicles, Road Maintenance and Construction Equipment. All Vendors who are awarded a Contract for the sale of a base vehicle or piece of equipment also must provide related parts and service. Additionally, all Vendors must facilitate a variety of application needs by working with upfitters on a subcontracting basis.

Quality, Selection, Advantageous Pricing

VEH111 offers the following opportunities to purchase:

- » **Category 1: Trucks** – Cab and Chassis that may be upfitted to provide a range of offerings, including Tow Trucks, Curbside Trash Trucks, Box Trucks, Truck Tractors, Dump Trucks, Service Trucks, Traffic Safety Trucks, Water Trucks, Rack Body Trucks, Flatbed Trucks, Debris Vacuum Trucks, Roll off/Hook lift Trucks, Sewer Trucks, and Ramp Trucks
- » **Category 2: Heavy Equipment** – includes Articulated Trucks, Backhoes, Dozers, Wheel Loaders, Motor Graders, Telehandlers, Tracked Excavators, Wheeled Excavators, and Trenchers
- » **Category 3: Paving/Road Equipment** – includes Pavers, Rollers, and Screening/Processing Equipment
- » **Category 4: Utilities Service Equipment** – includes Auger Trucks, Bucket Trucks, Forestry Trucks, and Log Trucks
- » **Category 5: Buses** – includes School Buses and Transit Buses
- » **Category 6: Snow Removal** – includes Plow Trucks, Sand/Salt Trucks, Snow Melters, Tow Plow Trucks, and Deicers
- » **Category 7: Trailers** – includes Lowbed Trailers, Flatbed Trailers, and Gooseneck Trailers

Note: Electric Vehicle options may be offered. Reach out to vendors about availability.

See the reverse side for purchasing guidance.
