The DCR Park Rangers and local authorities are all active participants on the Massachusetts Waterfront Crime Watch Program.
To assist us in the attempt to prevent waterfront crimes, please list all devices and model numbers below.

Type of Electronic Device	Make	Model/Serial #'s

The DCR has made reasonable attempts to develop specifications believed to be proper. They are not a guarantee or assurance of a safe mooring. The ultimate responsibility and liability rests on the individual boat owner for damage sustained due to use, inclement weather, and other factors beyond DCR's control. The DCR will not be liable for property damage or personal injury or death sustained as a result of any incident resulting from the operation and use of this permit.
