Request No. AG 1-32
Please describe the types of new service offerings being developed by the Company. In responding to this question, please provide a detailed description of the new service being developed or being considered by the Company for future development. New services can be defined as any new product or service which will be provided by the Company and will be available to consumers for a fee or be made available to the public free of charge (e.g. equipment sales, rentals, or service; conservation an load management services; energy audits or advice).

Response:
The Company is neither developing nor considering any new service offerings at this time.
