Median Wage Minimum: **$4,500**
Q4 After Exit Minimum: **35.0**
Credential Attain Minimum: **50.0**
% Metrics Passed Minimum: **50.0**

Course Completion Rate - of the students who exited the course, the percentage of those who completed the course (did not withdraw or transfer out)

Q2 After Exit Empl Rate - of the students who exited the course, the percentage of those where a wage record match was found in their second calendar quarter after exit

Q2 After Median Wage - of the students who exited the course, the median wage of those students where a wage record match was found in their second calendar quarter after exit

Q4 After Exit Empl Rate - of the students who exited the course, the percentage of those where a wage record match was found in their fourth calendar quarter after exit

Credential Attainment Rate - of the students who exited the course, the percentage of those who attained a credential within 1 year from their exit date.

Minimum Passing Levels:
Completion Rate Minimum: **70.0**
Q2 After Exit Minimum: **30.0**
Median Wage Minimum: **$4,500**
Q4 After Exit Minimum: **35.0**
Credential Attain Minimum: **50.0**
% Metrics Passed Minimum: **50.0**

Course Completion Rate - of the students who exited the course, the percentage of those who completed the course (did not withdraw or transfer out)

Q2 After Exit Empl Rate - of the students who exited the course, the percentage of those where a wage record match was found in their second calendar quarter after exit

Q2 After Median Wage - of the students who exited the course, the median wage of those students where a wage record match was found in their second calendar quarter after exit

Q4 After Exit Empl Rate - of the students who exited the course, the percentage of those where a wage record match was found in their fourth calendar quarter after exit

Credential Attainment Rate - of the students who exited the course, the percentage of those who attained a credential within 1 year from their exit date.
