

Getting Started

You can fill out the Medical Benefit Request (MBR) on your computer, then print it. Or, you can print a blank copy and fill it out by hand. Make sure you sign and date the MBR on page 6. Then send it with proof of your income and proof of your U.S. citizenship/national status and identity to the address listed on the MBR instruction page.

To fill out the MBR on-line, use the mouse to **click** on the first field you want to fill out **on each page**. Type the necessary information, then press the Tab key to move to the next field, or use the mouse to click on the next field. To fill a check box, click on the box using the mouse, or tab to the field, and when the box has a dotted line around it, press the enter key. If you need to go back to another field, click on that field with your mouse. To go from one page to the next, tab to "Please go to the next page.", and when highlighted, press tab, or use the mouse to click on the first field on each page.

After you print the filled-out MBR, YOU MUST click on the "Clear entire form" button at the bottom of page 6. This will remove all the information you entered on the MBR so no one can see your personal information.

Please read these instructions before you fill out the application.

Dear Applicant:

This is your application for **MassHealth**, the **Children's Medical Security Plan (CMSP)**, **Healthy Start**, and the **Health Safety Net*** (formerly the Uncompensated Care Pool). MassHealth gives health-care coverage and helps pay for health-insurance premiums for families, children, and individuals. The kind of coverage you get depends on your family size, income, and other circumstances. After your application is filled out and reviewed, **you will be given the most complete coverage that you qualify for.**

This application is also used to apply for **Commonwealth Care**. Commonwealth Care is a program administered by the Commonwealth Health Insurance Connector Authority ("the Connector") for certain adults who are not eligible for MassHealth. Commonwealth Care helps pay for health-insurance premiums for health plans that are approved by the Connector. For more information, see pages 3 and 21 in the MassHealth Member Booklet.

Generally, this application is for people who live in Massachusetts, are not living in or about to go into a nursing home, and are under age 65. This application may also be used by people of any age who are parents of children under age 19, or who are adult relatives living with and taking care of children under age 19 when neither parent is living in the home, or who are disabled and work 40 or more hours a month. If this application is not for you, call 1-888-665-9993 (TTY: 1-888-665-9997 for people with partial or total hearing loss).

Please list only one family group on an application. A family group can be parents, stepparents, or adoptive parents of any age and any of their children under age 19 who are all living together. If no parents are living at home, a family group may be siblings under age 19, or children under age 19 and an adult related by blood, adoption, or marriage, or a spouse or former spouse of one of those relatives who are all living together. A family group can also be an individual or a married couple who are living together with no children under the age of 19. If more than one family group lives in your home, each family group must fill out a separate application. MassHealth will send all eligibility notices to the person who is your "head of household," and to your eligibility representative, if you have one.

Please read the attached MassHealth Member Booklet carefully before you fill out the application. Keep the booklet. It may answer questions you have later.

When you fill out the application, be sure to:

- ▶ Answer **all** questions, and fill out all sections and any supplements that apply to you and your family.
- ▶ **Sign and date the application.** The head of household, all applicants aged 18 or older, and all parents of any age who have children living with them must sign.
- ▶ Send proof of all income, like copies of two recent pay stubs. (You do not have to send proof of social security or SSI income.)
- ▶ Send proof of your HIV-positive status only if you want to see if you are eligible for MassHealth because you are HIV positive.
- ▶ Send proof of U.S. citizenship/national status and proof of identity, like U.S. passports or U.S. naturalization papers. U.S. citizenship may also be proved with a U.S. birth certificate or a U.S. hospital birth record. Identity may also be proved with a driver's license, some other form of government-issued identity card, or a school identification card. We may be able to prove your identity through the Massachusetts Registry of Motor Vehicle records if you have a Massachusetts driver's license or a Massachusetts ID card. Once you give MassHealth proof of your U.S. citizenship/national status and identity, you will not have to give us this proof again. You must give us proof of identity for all family members who are aged 16 or older and are applying. **Seniors and disabled persons who get or can get Medicare or Supplemental Security Income (SSI), or disabled persons who get Social Security Disability (SSDI) do not have to provide proof of their U.S. citizenship/national status and identity.** A child born to a mother who was getting MassHealth Standard or Limited on the date of the child's birth does not have to provide proof of U.S. citizenship/national status and identity for one year if the child continues to live with the mother. Certain children under age 19 with family income (before taxes and deductions) between 150% and 300% of the federal poverty level may not need to provide proof of their U.S. citizenship/national status and identity. If you do not know if this exception applies to children in your household, you may provide proof of their U.S. citizenship/national status and identity with your application or MassHealth will tell you if these proofs are needed later. (See pages 28-29 in the MassHealth Member Booklet for complete information about acceptable proofs.)
- ▶ Send a copy of both sides of all immigration cards (or other documents that show immigration status) for every family member who is not a U.S. citizen/national and who is applying for MassHealth or Commonwealth Care, except for MassHealth Limited, CMSP, Healthy Start, or the Health Safety Net. (See Supplement C.)

*This information will be used to determine low-income patient status for provider payments from the Health Safety Net.

Sign and date the application after you fill it out. Send the application and all other needed papers to:

**MassHealth Enrollment Center
Central Processing Unit
P.O. Box 290794
Charlestown, MA 02129-0214**

The information you give us is kept confidential, as required by state and federal laws. If you want us to share information about your MassHealth eligibility (including copies of notices we send you) with someone other than your eligibility representative, if you have one, please call MassHealth to get a MassHealth Permission to Share Information Form.

When filling out this application, please remember the following.

- ▶ Make sure you fill out the application correctly and completely. If we need to contact you to get more information because we do not understand what you entered on the application, it will take us longer to decide if you are eligible or not for health benefits.
- ▶ Make sure on pages 2 and 3 of the application in the sections “Working Income,” “Nonworking Income,” and “Not Working or College Student” that **you answer the first question in each section correctly**. Each person is **either** working **or** not working, and **cannot be both**.
- ▶ Please remember when filling out the “Health Insurance” section on page 4, that:
 - Part A is for listing the health insurance you have now, and Part B is for health insurance you may be eligible for; and
 - you will not be eligible for Commonwealth Care if you have or can get insurance from a government insurance program including, but not limited to:
 - Medicare;
 - TRICARE (dependents of the military);
 - Medical Security Program (through the Division of Unemployment Assistance);
 - Fishing Partnership Health Plan; or
 - student health insurance from a Massachusetts school.
- ▶ Make sure on page 5 of the application in the section “Injury, Illness, or Disability” that you answer “yes” or “no” to **each of the three** questions. Do not leave any answer blank.
- ▶ If you answer “yes” to the question on page 5 of the application in the section “Absent Parent,” then you **must** fill out Supplement B according to the instructions for Supplement B. If the other parent of the child is living in the same household as the child but does not want to apply for MassHealth, make sure to list that parent on page 1 of the application in the section “Other Family Members.”

If you have any questions about this application or the information you need to send, please call MassHealth at 1-888-665-9993 (TTY: 1-888-665-9997 for people with partial or total hearing loss).

When we get your filled-out, signed, and dated application, we will review it. If more information is needed, we will write or call you. **Once we get all needed information, we will make a decision about your eligibility. We will send you a written notice about this decision.** If you are determined eligible for MassHealth, show this notice right away to any health-care provider if you already paid for medical services that would be covered by MassHealth during your eligibility period. If the health-care provider determines that MassHealth will pay for these services, the provider will refund what you paid.

**To start filling out this application, please turn to page 1 of this application.
Remember, you must read, sign, and date page 6 after you have filled out the application.**

Names	For office use only	Names	For office use only

This is an application for MassHealth, the Children’s Medical Security Plan (CMSP), Healthy Start, Commonwealth Care, and the Health Safety Net.

I give permission for my current and former employers and health insurers to release to MassHealth and to the Commonwealth Health Insurance Connector Authority (“the Connector”) any and all information they have about my health-insurance coverage and health-insurance coverage for members of my family group. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to me or members of my family group.

I understand that MassHealth may enroll me in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.

I and my spouse understand that our employers may be notified and billed, in accordance with the regulations of the Division of Health Care Finance and Policy, with regard to any services I and my spouse and any of our dependents may get from hospitals or community health centers that are paid for by the Health Safety Net.

I give permission to MassHealth to get any records or data to prove any information given on this application and any supplements to it, or other information I give to MassHealth once I am a member. If I or my family is found eligible for MassHealth, CMSP, or Healthy Start, I give permission to MassHealth to get any records about medical services provided through these programs. If I or any family member is found eligible for Commonwealth Care, I give permission to the Connector to get any records about medical services provided through that program.

I understand that if I am aged 55 or older, after I die, MassHealth may be able to get back money from my estate. Under current practice, this does not apply to Commonwealth Care.

I understand that if I or any members of my family are in an accident, or are injured in some other way, and get money from a third party because of that accident or injury, we will need to use that money to repay MassHealth for certain medical services provided, as explained in the MassHealth Member Booklet. I also understand that I must tell MassHealth in writing, within 10 days, if I file any insurance claim or lawsuit because of an accident or injury to me or a family member applying for benefits.

I understand that if I or any members of my family are members of Commonwealth Care and we are in an accident, or injured in some other way, and get money from a third party because of that accident or injury, we may need to use that money to repay the Connector or my current health insurer for certain medical services provided, as explained in the MassHealth Member Booklet. I also understand that I must tell my health insurer in writing, within 10 days, if I file any insurance claim or lawsuit seeking benefits because of an accident or injury.

I understand that if I or any members of my family are eligible for MassHealth, CMSP, Healthy Start, Commonwealth Care, or the Health Safety Net, I must tell MassHealth of any changes in my or my family’s income or employment, family size, health-insurance coverage, health-insurance premiums, and immigration status, or of changes in any other information I gave on this application and any supplements to it within 10 days of learning of the change.

I also understand that by signing below, I give permission to MassHealth to go after and collect third-party payments for medical care and medical support from the parent of any child under age 19 who is applying for benefits.

If I or any member of my family is eligible for MassHealth or CMSP, I understand that I may have to pay a premium set by MassHealth. If I am a certain American Indian or Alaska Native eligible for MassHealth Family Assistance, I may not have to pay any premiums under MassHealth Family Assistance. If I or any member of my family is eligible for Commonwealth Care, I understand that I may have to pay a premium set by the Connector.

By signing this application, I am also certifying the identity of my children, or the children that I am the legal guardian or caretaker relative of, who are under age 16, do not have acceptable proof of identity, and are applying. I know of my own personal knowledge the place and date of birth of the children identified on this application. I also understand that this application is acknowledged as an affidavit of identity for my children under age 16, and that this information is sworn under penalty of perjury.

I certify that I have read or have had read to me the information on this application, including any supplements and instruction pages attached to it, and the information in the MassHealth Member Booklet, and that I understand my rights and responsibilities. Absent Parent

PART A—Cooperation

To get MassHealth for you and a child who is living with you, you must cooperate with the Child Support Enforcement Division of the Massachusetts Department of Revenue (DOR) to establish paternity and enforce a medical-support order, unless you have Good Cause not to cooperate. You must also assign your rights for medical support to MassHealth. Cooperation means that you may have to give information about the identity, location, and employment of the absent parent, appear for appointments with DOR staff and the Court, submit to paternity testing, give information, and take any other action necessary to help DOR in establishing paternity, and establishing, changing, or enforcing a child medical-support order. “Good Cause” is a legal term that means if you cooperated by giving us information about the absent parent, it would not be in the best interests of the child for any of the reasons listed in Part B—Good Cause—on the next page. If you think that you have Good Cause for not cooperating, fill out Part B—Good Cause—on the next page, and do not fill out Part C—Absent-Parent Information—on the next page.

If you do not want to make a Good Cause claim, and you do not cooperate by filling out Part C—Absent-Parent Information—on the next page, your MassHealth eligibility could be affected.

To get MassHealth only for the child who is living with you and not for yourself, you do not have to cooperate with DOR, assign your rights for medical support to MassHealth, or give information about the absent parent. Also, if a pregnant family member is applying for benefits for an unborn child, you do not need to give us information about the absent parent of the unborn child at this time. This means that you do not have to fill out Part B, C, or D of this supplement for that unborn child. Please read the next paragraph about child-support-enforcement services.

Even if you are applying for MassHealth only for the child who is living with you, you can ask for child-support-enforcement services if you want help getting the absent parent to pay for health insurance or child support for the child. To do this, you can call DOR at 1-800-332-2733, or go to www.mass.gov/dor and click on “Child Support.” The child’s MassHealth coverage will not be affected if you choose to ask for these services or not. If you ask for these services, you will have to cooperate with DOR.

Please go to page 10.
