

Informational Programs  
For  
Third Party Inspectors of Underground Storage Tanks

The Department of Fire Services, Office of the State Fire Marshal will be conducting informational sessions for persons wishing to conduct third party inspections of underground storage tanks. These sessions will cover recent amendments to the Underground Storage Tank regulations (527 CMR 9). These revisions include changes required by the Federal Energy Act of 2005. **In addition to meeting the qualifications specified in 527 CMR 9.02, persons wishing to conduct third party inspections must attend one of these training sessions.**

There is no charge for these sessions, however you must pre-register by calling the western Massachusetts office at (413) 587-3181.
