## Dairy Farmer Tax Credit Program

---

**To:** Massachusetts Dairy Farmers  
**From:** Massachusetts Department of Agricultural Resources  
**Subject:** 2009 Dairy Farmer Tax Credit Program  
**Date:** September 10, 2009

---

The regulations for the Dairy Farmer Tax Credit Program require that a Disclosure and Authorization Statement be on file that discloses taxpayer identification information and authorizes the Department to verify relevant milk production. Please understand that if you are a partnership or S-Corporation you will also need to submit a completed Share Disclosure Statement identifying all relevant shareholders or members as well as their share or profit.

In addition, production reports should be submitted on a monthly basis in order for timely verification of the reported pounds of production and to clarify any discrepancies. Please be aware that these Monthly Production Reports **may** be faxed or emailed. For the attached Monthly Production Report please include the most current month that is available as well as all prior months production back to January 2009.
