LEASING AND STATE OFFICE PLANNING
FORMS AND INSTRUCTIONS
FOR PROCUREMENT OF LEASED SPACE

Prepared and Issued by:
Office of Leasing and State Office Planning
Division of Capital Asset Management and Maintenance
Instructions for the Facility Plan Form 1

Introduction

The Facility Plan Form 1, which includes the associated Worksheets, provides a tool for the User Agency and DCAMM to collect information needed to acquire leased space, or amend an existing lease. The information in these forms enables DCAMM to understand the User Agency’s plans and prepare a Request for Proposals (RFP), lease amendment or tenancy agreement, or to take other appropriate action. To initiate preparation of these forms, the User Agency and DCAMM will complete a site visit to the User Agency’s existing facility or, if there is no existing facility, the User Agency will discuss the need with DCAMM. The User Agency will then complete the Facility Plan and submit it to DCAMM.

For a New Lease: Each Facility Plan includes the Form 1 completed and signed by the appropriate authorized signatory for the User Agency and Worksheets 1A-1D.

For a Lease Amendment: Each Facility Plan includes the Form 1 completed and signed by the appropriate authorized signatory for the User Agency and Worksheets 1A-1D. For a lease amendment that extends the term of the lease for up to 2 years, where the User Agency does not seek to alter the premises, completion of the Form 1 is generally sufficient.

For a Tenancy Agreement: Each Facility Plan includes the Form 1 completed and signed by the appropriate authorized signatory for the User Agency and Worksheets 1A-1D. For a tenancy agreement for up to one year for existing premises, where the User Agency does not seek to alter the premises, completion of the Form 1 is generally sufficient.

Instructions

At the top of the form, check the appropriate box to identify whether this Facility Plan is for a new lease, lease amendment, or tenancy. For each page to be submitted, fill in the three lines of requested information: USER AGENCY NAME, ESTIMATED SF, NAME OF OFFICE/FACILITY, LOCATION OR SEARCH AREA. Use the TOTAL USABLE AREA calculation from Worksheet 1D for the ESTIMATED SF.

1. SUMMARY OF LEASE

Check the appropriate lease type and enter the date on which the agreement is scheduled to begin, the length of the desired term, and the scheduled end date. Check the appropriate box to indicate whether this Plan achieves a co-location or consolidation of offices.

Proposed Agreement: Check the applicable listed category or check "other" and identify the type of proposed agreement.

Type of Space: Check the primary use of the requested space. See definitions below or check "other" and identify the type of space.

Explain reasons for proposed action.

Annual Rent: The rent due for the last year of the current agreement and the projected rent for the proposed agreement (the SF multiplied by the Rental Rate).

Other Occupancy Costs: If other occupancy costs are paid or are projected to be paid separately or in addition to the Annual Rent, check the appropriate category and enter the actual amount paid over the last twelve months or the projected amount for twelve months; check "other" for any cost not listed on the form and identify the category of cost.

Instructions for the Worksheet: Staff Areas Form 1D page 1

When completed, this worksheet provides information to determine the required square footage (SF) for an office or facility. The worksheet is in two parts: Staff Areas and Other Office Areas. Please use the instructions that follow to complete both pages of the worksheet. For large offices or facilities, prepare separate worksheets for each workgroup or unit. To assist DCAMM in understanding this information, please attach an organization chart for the office or facility and a list of all current positions. For additional help, refer to the Leasing Manual or contact your DCAMM project manager.

Worksheet: Staff Areas

PERSONNEL CATEGORIES / AGENCY JOB TITLES

SF ALLOCATION
This column identifies the DCAMM standards for allocation of space by personnel category.

NUMBER OF STAFF
In this column, enter the number of full-time equivalent (FTE) staff who hold each agency job title.

TOTAL SF
In this column, enter the total square feet associated with each agency job title by multiplying the SF Allocation by the Number of Staff. If you are completing this form on computer, imbedded formulas will calculate the Total SF.

ROOM / AREA
Using the Room/Area Codes listed below, enter the appropriate codes for each agency job title. Using the equipment codes on page 2 as appropriate, identify any furniture or equipment planned to be located within the office or workarea.

If a staff person is to sit in a room or area listed in Other Office Areas on page 2 of the worksheet, enter a code of "G" and identify the office area where this person will sit (e.g., a receptionist in the entry area or technical staff in the Main Distribution Frame [MDF] room).

TOTAL STAFF; USABLE AREA, STAFF
At the bottom of the page, enter the total number of staff (Total Staff) and total SF (Usable Area, Staff). If you are completing this form on computer, imbedded formulas will calculate the subtotals.

### ESTIMATED SF:

DCAMM Project #:

Facility Code:

DCAMM Project Manager:

**Calculations**
Columns A and B have been provided in case more than one room or area is required. The calculation codes (U, #, SF) are identified below. For each room or area, fill in the usable area, consulting the OTHER OFFICE AREAS: EQUIPMENT and supplement this information with SF information of your own. (For your convenience, Column A is pre-populated using the SF standards.) Identify the number of such rooms or items of equipment. Multiply the usable area by number of units to identify the square feet needed. If you are completing this form on computer, the SF will be calculated.

**Calculation Codes:**
- **U** = Usable Area
- **#** = Number of support areas, pieces of equipment in open areas, or persons the meeting or entry areas must accommodate.
- **SF** = Square feet

**Total SF**
Use this column to add the SF calculations under the columns A and B. If you are completing this form on computer, the Total SF will be calculated.

**Room / Area**
Using the Room/Area codes below, enter the appropriate code for each room or area.

**Total Usable Area**
Total Usable Area is calculated at the bottom of the page. SUBTOTAL OTHER OFFICE AREAS is the sum of the Total SF from the column above. USABLE AREA, STAFF is the subtotal from page one of this worksheet. SUBTOTAL is the sum of these two figures. CIRCULATION is the percentage of this subtotal that is added to account for internal circulation for the office or facility. DCAMM may adjust this percentage during review of the worksheet, after discussion with the User Agency. TOTAL USABLE AREA is the sum of the SUBTOTAL and CIRCULATION square footage. This is the usable area for the office or facility. This number should be inserted in ESTIMATED SF at the top of the Form 1.

2. COST

Refer to the DCAMM Proposal Cost Analysis to complete this section.

Annual Rent: Enter the proposed annual rent for each year of the lease term of the proposal recommended for selection. If you are completing this form on computer, imbedded formulas will calculate the rate per square foot and the average annual rent. Otherwise, calculate and enter the rate per square foot (annual rent divided by usable area) and average annual rent (total annual rent divided by # of years of rent).

Excluded Costs: Enter the estimated Year 1 dollar amount for all costs that are excluded from the proposed rent and that will be paid separately by the User Agency. Fill in the total dollar amount of Year 1 excluded costs. If you are completing this form on computer, the Excluded Costs Total will be calculated.

Total Occupancy Cost: Enter the total occupancy cost for each year of the lease. This is the annual rent plus the total estimate of excluded costs. Enter the total occupancy cost/SF for each year of the lease. If you are completing this form on computer, imbedded formulas will calculate the Year 1 total occupancy cost and cost/SF. If there are costs excluded from the rent, use information on excluded costs from the DCAMM project manager to complete the total occupancy cost and cost per SF for Year 2 and beyond. Calculate and enter the average annual cost.

Project Manager Signatures: The project managers for the User Agency and DCAMM sign this form to confirm their agreement with the information contained in the attached Proposal Evaluations and this Agency Recommendation Form 2.

3. APPROVALS

To submit the Form 2 to DCAMM for approval, an authorized signatory for the User Agency must sign and date the form. Enter the title of the signatory. Also include any relevant comments in the space identified.

An authorized signatory for DCAMM signs the form to confirm agreement with the User Agency recommendation.

Instructions for the Transaction Approval Form 3

The Form 3 provides key information about the lease or other rental agreement (agreement) and its financial terms, confirms DCAMM approval of the agreement, and confirms the Date of Occupancy and Commencement of the term. The Comptroller's Office may require agencies to attach a copy of the completed Form 3 when encumbering rent.

At the top left-hand side of the form, check the appropriate box to identify whether the Transaction Approval is for a new lease, lease amendment, tenancy, authorization to pay rent without a written agreement, or other type of agreement.

Fill in the requested information starting with "User Agency Name." If you are filling this in on computer, some information will be calculated for you.

User Agency Name: The User Agency submitting the form.

Name of Office/Facility: Identify by name the office or the activity to be housed at the premises.

Address & Zip Code: The street address, city or town, and zip code of the building as stated in the agreement.

SF: The SF of the premises, as stated in the agreement. The form provides for two entries of SF for those agreements that identify two separate areas and, if applicable, space to identify the total SF. If you are completing the form on computer and provide two SF entries, the total SF will be calculated. If you are completing this form by hand and provide two SF entries, please calculate and enter the total SF.

Staff: The number of full time equivalent (FTE) staff that will occupy the premises.

SF/FTE: This number is computed by dividing the total SF by the number of full-time equivalent staff. If you are completing the form on computer the SF/FTE will be calculated. If you are completing the form by hand, please calculate and enter this information.

Reserved Parking: The number of reserved parking spaces as stated in the agreement.

1. SUMMARY OF AGREEMENT

Fill in the requested information based on the information in the agreement.

Term: Enter the projected or actual begin and end dates for the term of this agreement. Identify the number of years and months in the term. For an amendment that does not modify the term of an existing agreement, the begin date is the date the amendment is expected to commence and the end date is the end date of the existing agreement.

Termination Rights: If the agreement includes termination rights by either Landlord or Tenant, enter the number of months’ notice required for termination by either, or both, parties.

Landlord: Check the appropriate box to identify whether the owner of the space is a public or private entity. Enter the name and mailing address of the Landlord as stated in the agreement, the name and telephone number of the contact person, and the Landlord's vendor code number for this ownership entity. If the Landlord's vendor code number is unknown, the User Agency must initiate the process of obtaining a vendor code number for this ownership entity.

SF: Enter the total SF of the agreement. If you are completing the form on computer the total SF will be entered automatically. If you are completing the form by hand, please calculate and enter this information.

Base Rent; Rent Period, Rent: Identify the projected or actual begin date and end date for each year or rent period of the agreement. Enter rent information for this agreement only. Enter the Annual Rent and Monthly Rent for each year or partial year rent period of the agreement. Enter the Average Rate/SF and Average Annual Rent over the term of the agreement. If you are completing this form on computer, the Rate/SF will be calculated. If you are completing the form by hand, please calculate and enter this information. Attach a separate page, if necessary, to identify the rent over the entire period of the agreement.

Rental Account(s): Identify the account number(s) and type of account(s) from which the rent and other identified costs will be paid.

Costs Not Included in Base Rent: Identify or estimate the annual dollar amount in Year 1 for occupancy costs that are not included in the Base Rent. This includes costs paid to the Landlord or another party. Use the listed categories as a guide. Place the estimated Year One amounts in the Landlord column if the payments will be made to the Landlord, and in the "Other" column if the payments will be made to someone other than the Landlord (e.g., the utility company). Use "Escalation" for payment of increases in expenses (e.g., taxes or operating expenses) over a base year. Using the space provided, identify the escalation, one-time payment, or other excluded cost. If you are completing this form on computer, the TOTAL for each column will be calculated. If you are completing the form by hand, calculate and enter the TOTAL for each column.

Estimated Yr. 1 Total Occupancy Cost: Add the Annual Rent for Year 1 to the TOTAL of all Costs Not Included in Base Rent. If you are completing this form on computer, the Estimated Cost will be calculated. If you are completing the form by hand, please calculate and enter this information.

Estimated Yr. 1 Cost/SF: Divide the Estimated Yr. 1 Total Occupancy Cost by the SF identified above. If you are completing this form on computer, the Cost/SF will be calculated. If you are completing the form by hand, please calculate and enter this information.

2. APPROVALS; SUBMISSION OF FORM 3 TO DCAMM

User Agency: The form should be signed and dated by an authorized User Agency signatory. Below the signature, enter the signatory's title. For User Agency Contact, enter the name and telephone number of the person who may be contacted to discuss the transaction.

Submission: Submit the Form 3 with all counterparts of the signed agreement.

3. CONFIRMATION OF DATE OF OCCUPANCY

This section is completed only after the Date of Occupancy, as defined in the agreement, has occurred. This date establishes the date that the obligation to pay rent commences.

If the Date of Occupancy is established and known at the time that the Form 3 is submitted to DCAMM for approval, complete this section, confirm that the Landlord's vendor code number is entered on the form, have the Form signed by the authorized signatory, and submit the Form and all counterparts of the agreement to DCAMM for approval.

If the Date of Occupancy is not established in the agreement, DCAMM will return the Form 3 to the User Agency with the executed agreement. Retain the Form 3 until the commencement of Term (e.g., the Date of Occupancy) has occurred. When the commencement of Term has occurred, complete this section of the Form 3, confirm that the Landlord's vendor code number is entered on the Form, have it signed by the authorized signatory, and submit the form to DCAMM.

To complete this section, enter the actual Commencement Date and Expiration Date of the agreement and calculate the Base Rent due for each fiscal year of the agreement.

DCAMM will confirm that the commencement of Term is correctly identified and the calculation of Base Rent by fiscal year is correct. DCAMM will retain the original, completed Form 3 and return a copy to the User Agency. As noted above, the Comptroller's Office may require agencies to attach a copy of the completed Form 3 when encumbering rent.

Fill in the requested information starting with “User Agency Name.”

User Agency: The User Agency submitting the form.

Name of Office/Facility: The specific unit, division, office, or section of the User Agency for which Premises have been leased (e.g., Fitchburg Area Office, Boston Regional Office). If more than one unit is located there, identify all.

Address: The street address, city or town, and zip code of the building as stated in the lease or other rental agreement.
