System Requirements for
Civil Service Online Application /NeoGov

The Civil Service Online/NeoGov application server no longer supports version 10 or older of Internet Explorer, nor does it support version 24 or older of Firefox. Submitting your information through an Apple product (iPhone, iPad, Safari browser, etc) is NOT recommended, and can result in an incomplete application, which may preclude you from taking an examination or consideration for a labor service position.

End User Workstation:		Web Browser		Accessibility Tools	
Windows	7 & 8 (64-bit)	Firefox	Versions 25 or higher	Jaws	Versions 11 or higher
Apple	YES	Internet Explorer	Versions 11 or higher	Dragon Naturally Speaking	Versions 11 or higher
Apple / MAC	YES	Google Chrome	All Versions	Zoom Text	Version 10
		Safari	NO		
		Microsoft Edge	All Versions		

Important Notes:

• Beginning January 1, 2017, NEOGOV will no longer allow access to our products using Internet Explorer browsers that are below version 11.

• PC's accessing statewide systems should not have Windows XP as the operating system

• Before upgrading your browser, please check compatibility with other local web based applications

• Updates will be issued when there are any changes
