

Self-Service Time and Attendance

What is Self-Service Time and Attendance (SSTA)?

A website application that allows you to enter your time online.

Why are we using it?

SS TA eliminates the paper-based process for reporting time and you can view your leave balances at your desk.

When will it start?

Our agency will start using SS TA the week of April 23rd.

Where can I find more information?

Read the ePostcards that MassHR sends to you every Friday and check out the MassHR website: www.mass.gov/masshr
