This Job Aid shows how to:

- Locate a Grant Posting
- Read a Grant Posting
- Additional resources (registration, other job aids)

Of Special Note:

All state agencies are subject to 815 CMR 2.00, State Grants, Federal Grant Awards, Federal Sub-grants and Subsidies as well as the Office of the Comptroller’s policy on State Grants, Federal Sub-Grants, and Subsidies. Departments must use COMMBUYS to publicly post the availability of a discretionary Grant or Grant Program and publish the results of grantee selections. Use of COMMBUYS to receive electronic quotes for grant opportunities is optional; however, state agencies are encouraged to require grantees to register and submit quotes (applications) through COMMBUYS, which provides a central repository for receipt of electronic applications. As more grantees use COMMBUYS to identify grant opportunities, they will have a single location to apply for grants from multiple state agencies, resulting in efficiencies for both the grantees and the state agencies.

This job aid is for potential grantee(s) that want to locate a grant opportunity and intend to submit a response online in the COMMBUYS system. This job aid will walk a COMMBUYS user, who has a Vendor account in COMMBUYS, through the process of creating a quote to respond to a bid/grant application in COMMBUYS.

It is the potential grantee’s responsibility to read the bid/grant application and any attachments in its entirety prior to creating a quote/submitting an application. It is strongly recommended to create a bid specific folder that is easily accessible with any completed documents or forms that need to be uploaded with your quote/application. Be sure to follow any file upload instructions that may be indicated by the Grantor in the language of the Grant Notice/Application i.e. naming convention, file description, or other instructions. Upon award there may be additional forms/signatures required to execute the grant award.

For questions concerning information required to set up a Vendor profile in COMMBUYS, please consult your business office or legal department.
