Eligible Entities

Please see the standard list of Eligible Entities on our [Who Can Use Statewide Contracts](#) webpage.

Subcontractors

The awarded vendor's use of subcontractors is subject to the provisions of the Commonwealth's Terms and Conditions and Standard Contract Form, as well as other applicable terms of this Statewide Contract.

Construction Requirements

OSD does not provide guidance on the Construction Law. Any questions must be directed to the purchasing entities legal counsel, the AG and/or IG.

Purchasers must ensure that **any** services involving construction are limited to \$50,000 or less.

Purchasing entities are responsible for compliance with applicable construction law requirements. Information concerning specific M.G.L. c. 149 and c. 30 construction requirements may be found in the Office of the Inspector General's Public Procurement Charts at:

www.mass.gov/ig/publications/guides-advisories-other-publications/procurement-charts-november-7-2016.pdf. It is the responsibility of the Eligible Entity to determine whether installation work includes construction as defined by M.G.L. c.149 or M.G.L. c.30, §39M. Chapter 30B **Procurement Assistance from the Office of the Inspector General is available at mass.gov/ig/procurement-assistance**. Access the 30B Hotline at 617-722-8838 or email them at: 30BHotline@massmail.state.ma.us.

See [Quotes Including Construction Services Requirements](#) below for information on quoting these types of projects.

Pricing, Quote and Purchase Options

Purchase Options

The purchase options identified below are the only acceptable options that may be used on this contract:

All published contract pricing, including but not limited to firm pricing, contract discounts and all other pricing published under this contract is ceiling (not-to-exceed) pricing. Pricing is located in each Contractor's MBPO in COMMBUYS. All orders should include reference to SWC FAC104 to ensure Eligible Entities are receiving SWC pricing.

Pricing Options

- **Ceiling/Not-to-Exceed:** Contract discounts and other pricing published under the contract represents "ceiling" or "not-to-exceed" pricing, and may be further negotiated.

Product/Service Pricing and Finding Vendor Price Files

Product pricing may be found by the [vendor information](#) page, where links to all the vendors MBPO's should be provided.

Setting Up a COMMBUYS Account

COMMBUYS is the Commonwealth's electronic Market Center supporting online commerce between government purchasers and businesses. If you do not have one already, contact the COMMBUYS Help Desk to set up a COMMBUYS buyer account for your organization: (888)-627-8283 or COMMBUYS@state.ma.us.

When contacting a vendor on statewide contract, always reference FAC104 to receive contract pricing.

Quick Search in COMMBUYS

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

How To Purchase From The Contract

Process for Ordering

For orders up to \$10,000 Eligible Entities may purchase directly from the Contractor of their choice without requesting multiple quotes. Although not required for orders under \$10,000 OSD strongly encourages Eligible Entities to request pricing and service information from multiple contractors to obtain the best value.

For orders over \$10,000 Eligible Entities are required to solicit multiple quotes from Contractors of their choice prior to issuing an order.

For existing play structures where replacement parts must be the same manufacturer, users are not required to solicit quotes if only one Contractor offers that manufacturer.

- **Solicit quotes and select and purchase quoted item in COMMBUYS**

This COMMBUYS functionality provides a mechanism to easily obtain quotes, as specified by the Contract. The buyer would create a Release Requisition, and then convert it to a Bid. After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage, and select:

- The *COMMBUYS Purchase Orders* section, and choose the *How to Create a Solicitation Enabled Bid Using a Release Requisition* job aid or one of the quick reference guides.

- **Directly purchase a non-fixed price item (\$0 line item) through COMMBUYS**

Once a service and price is determined, the ordering process is as follows:

- Initiate a new requisition
- Search for the category (Use FAC104) in the description
- Select the Contractor you will be placing an order with
- Select the appropriate catalog line
- Enter "1" in the Quantity field and the total price in the Unit Cost field
- Attach the Contractor quote and/or a detailed order summary
- Submit for approval

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage and select:

- The *COMMBUYS Requisitions* section, and choose the *How to Create a Release Requisition and Purchase Order*

(Contract Purchase) job aid.

Prevailing Wage Requirements

The buyer has a legal obligation to request a prevailing wage schedule from the [Department of Labor Standards \(DLS\)](#) at www.mass.gov/dols. Questions regarding the Prevailing Wage Law may be answered by accessing the DLS website or by calling the DLS Prevailing Wage Program at (617) 626-6953.

Eligible Entities must obtain a copy of the Contractors weekly payroll records to ensure that Prevailing Wage was paid. The weekly payroll record must be reviewed prior to paying any invoice that includes Prevailing Wage. Chapter 149, § 27B requires the following information be contained on certified payroll records: For each employee, the name, address, occupational classification, hours worked and wages paid. For each apprentice, in addition to the aforementioned information, a photocopy of the apprentice's ID card. Example of certified payroll record (report form) <http://www.mass.gov/lwd/docs/dos/prevailing-wage/pw-payroll.pdf>

If prevailing wage is required, make sure to include this information in your quotes or bids so vendors know to include prevailing wage.

Instructions for MMARS Users

MMARS users must reference the MA number in the proper field in MMARS when placing orders with any contractor. Contact the Comptroller Help and Support Desk at 617-973-2468 or via email at Comptroller.Info@state.ma.us for additional support.

Emergency Services

Many statewide contracts are required to provide products or services in cases of statewide emergencies. [ML - 801 CMR 21](#) defines emergency for procurement purposes. Visit the [Emergency Contact Information for Statewide Contracts](#) list for emergency services related to this contract.

Additional Information/FAQs

County Coverage

Contractors provide products and/or services based on County. A spreadsheet has been developed for buyers to determine the Contractors awarded in each County based on the category(s) being

purchased from. This is located as an Agency attachment in the [Conversion Vendor](#) in COMMBUYS titled “FAC104 Vendor Information” and included in the Contractor Information section. Please see the [county list link](#) for reference.

Surcharges

No transportation, fuel, energy, insurance or any other surcharges will be allowed throughout the duration of the contract(s).

Pre-payments

Contractors must not request any form of pre-payments by the Eligible Entity before the service is rendered. For special projects implemented in phases, by mutual agreement of the Eligible Entity and the Contractor, invoices must be issued after each phase is completed to the Eligible Entity’s satisfaction.

Compliance with Construction Law

This contract may be used for construction related services as limited herein to *Category 12 Parks and Recreation Installation and Maintenance*.

Geographical Service Area

Other Discounts

- **Prompt Pay Discounts:** A discount given to the buyer if paid within a certain time period. These discounts may be found in the [Vendor List and Information](#) section below. All discounts offered will be taken in cases where the payment issue date is within the specified number of days listed by vendor and in accordance with the Commonwealth’s Bill Paying Policy. Payment days will be measured from the date goods are received and accepted / performance was completed OR the date an invoice is received by the Commonwealth, whichever is later to the date the payment is issued as an EFT (preferred method) or mailed by the State Treasurer. The date of payment “issue” is the date a payment is considered “paid” not the date a payment is “received” by a Contractor.
- **Volume Discounts:** discount is negotiated to buyer if a certain volume of product or service is purchased.

If the Needed Product Can Not be Found

If a product and/or service cannot be found in the vendor's price sheet, it is recommended to contact the vendor directly to inquire if it is available for purchase on this contract. If the product and/or service meet the scope of the product category, the vendor may be able to add it to their product offerings.

If the product is not listed in the scope of the product category, a buyer may contact the Strategic Sourcing Lead to inquire whether the product may be purchased.

Performance and Payment Time Frames Which Exceed Contract Duration

All term leases, rentals, maintenance or other agreements for services entered into during the duration of this Contract and whose performance and payment time frames extend beyond the duration of this Contract shall remain in effect for performance and payment purposes (limited to the time frame and services established per each written agreement). No written agreement shall extend more than 3 months beyond the current contract term of this Statewide Contract as stated on the [first page](#) of this contract user guide. No new leases, rentals, maintenance or other agreements for services may be executed after the Contract has expired.

Memorandum of Understanding/Statement of Work

For any agreements buyers should always reference statewide contract FAC104 to ensure that they are receiving statewide contract pricing.
