When contacting a vendor on statewide contract, always reference HSP41 to receive contract pricing.

### Quick Search in COMMBUYS

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

### How To Purchase From The Contract

- **Select items from a PunchOut catalog and purchase through COMMBUYS**

PunchOut catalogs offer the convenience of selecting Statewide Contract products from a vendor's e-commerce website. The PunchOut or Government to Business (G2B) catalogs are available via COMMBUYS only (login to COMMBUYS and select the settings option in the upper right hand corner [  ] and choose the G2B PunchOut option). Once a vendor is selected in COMMBUYS, you are taken to the vendor's e-commerce site. After shopping is complete on the vendor's e-commerce site, selected items are pulled back into COMMBUYS, summarized on a COMMBUYS release Requisition, and are ready to submit for approval. Once approved, it is released to the vendor for processing and fulfillment. This is the purchase method for Fisher, Grainer, Government Scientific, McKesson, VWR, and Wilkem.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage and select either:

- The *Quick Reference Guide (QRG)* section and choose the *QRG – Buyer PunchOut Ordering* job aid
- The *COMMBUYS Purchase Orders* section and choose the *How to Purchase from a G2B PunchOut* job aid.

- **Directly purchase fixed price items through COMMBUYS**

This contract allows buyers to find and quickly purchase specific products/services with pricing within COMMBUYS. In other words, it allows you to create a Release Requisition in COMMBUYS, submit the requisition for approval, and send the vendor a Release Purchase Order. This is the purchase method for AB Sciex, Environmental Express, School Specialty, Immunalysis, Leeds Instruments, Leica, Life Tech, Lipomed, New England Lab, Overbrook, Qiagen, Safety Inc., Siemens, Trans Med USA, and Westnet.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage and select:

- The *COMMBUYS Requisitions* section, and choose the *How to Create a Release Requisition and Purchase Order (Contract Purchase)* job aid.

- **Solicit quotes and select and purchase quoted item in COMMBUYS**

This COMMBUYS functionality provides a mechanism to easily obtain quotes, as specified by the Contract. The buyer would create a Release Requisition, and then convert it to a Bid. After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes.

NOTE: Contract User Guides are updated regularly. Print copies should be compared against the current version posted on [mass.gov/osd](http://mass.gov/osd).

To see contractors are listed on the MBPO - click the "Vendor" Tab, then click the "Distributors" Tab.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage, and select:

These additionally quoted products can be ordered from the vendor's catalog using the line item "Non-catalog item quoted by vendor per RFR".

### Obtaining Quotes

Contract users should always reference HSP41 when contacting vendors to ensure they are receiving contract pricing. Quotes, not including construction services, should be awarded based on best value.

For purchases costing \$50,000 or more, or at the discretion of the purchaser for purchases of a lesser value, issue through COMMBUYS [PO-16-1080-OSD03-SRC3-00000005168](#) a Request for Quote (RFQ, form is posted in COMMBUYS), to a minimum of three vendors active on contract HSP41 specifying the items and services to be purchased including delivery cost. This PO has been set up as a distributor model (solicitation enabled) Master Blanket Purchase Order (MBPO) in COMMBUYS. A Solicitation Enabled Distributor Model MBPO is a single MBPO that has multiple vendors listed as distributors. This allows you to solicit quotes within COMMBUYS, then award the best value bidder and place the order through COMMBUYS. ### Quotes Including Construction Services

Please note specific requirements that apply for quoting construction services, depending upon the scope of your bid:

- Where the construction services are less than \$10,000: Select a vendor based on sound business practices, consistent with your entity's procurement policies and procedures.

NOTE: Contract User Guides are updated regularly. Print copies should be compared against the current version posted on [mass.gov/osd](#).  
Updated: 8/11/17

- For construction services valued from \$10,000-\$50,000: Must solicit a minimum of three quotes and receive two written responses; award to lowest responsible bidder.

### Product Trials, Pilots, and Demonstrations

- Vendors will work to provide free samples for product review or evaluation trials prior to purchase.
- Vendors will provide at no cost a reasonable level of technical support to Purchasing Entities.
- Vendors will arrange for purchaser training on products and respond to training requests within ten (10) Calendar days. When available the Vendor will provide Continuing Education Credits.

### Prevailing Wage Requirements

The buyer has a legal obligation to request a prevailing wage schedule from the Department of Labor Standards (DLS) at [www.mass.gov/dols](http://www.mass.gov/dols). Questions regarding the Prevailing Wage Law may be answered by accessing the DLS website or by calling the DLS Prevailing Wage Program at (617) 626-6953. For this contact, the following prevailing wage categories include: all construction trades, and moving furniture & equipment.

If prevailing wage is required, make sure to include this information in your quotes or bids so vendors know to include prevailing wage.

### Instructions for MMARS Users

MMARS users must reference the MA number in the proper field in MMARS when placing orders with any contractor.

### Emergency Services

Many statewide contracts are required to provide products or services in cases of statewide emergencies. [ML - 801 CMR 21](#) defines emergency for procurement purposes. Visit the [Emergency Contact Information for Statewide Contracts](#) list for emergency services related to this contract.

### Shipping/Delivery>Returns

#### Delivery – all orders:

Fuel charges or fuel surcharges are prohibited under this Contract.

#### Delivery - orders subject to an RFQ:

The total quoted price from an RFQ is to include shipping/delivery. The Vendor shall retain ownership until received and accepted by the Purchasing Entity. If a Vendor has an order dropped shipped from a manufacturer or other source within the supply chain to the Purchasing Entity the Vendor retains responsibility for the delivery.

#### Delivery - orders not subject to an RFQ:

All items will be shipped FOB destination. The term FOB destination shall mean items will be delivered and unloaded at no charge to the Purchasing Entity and that the Vendor shall retain ownership until received and accepted by the Purchasing

Entity. If a Vendor has an order dropped shipped from a manufacturer or other source within the supply chain to the Purchasing Entity the Vendor retains responsibility for the delivery and all delivery costs.

A Vendor must normally deliver items within seven (7) calendar days of receipt of an order. If a Vendor cannot deliver within seven (7) calendar days the Vendor must notify the Purchaser of the projected delivery date at time of order or during the next business day. Should that date later change the Vendor must notify the Purchaser of a new delivery date.

The minimum order amount for free delivery is \$75.00. In order to receive free delivery a Purchaser must order at least \$75.00 of products on combined daily purchase orders. A Vendor may charge a Purchaser up to \$25.00 for smaller orders but the Purchaser must be informed and agree to the charge prior to shipping.

When an emergency or an express delivery is requested by a Purchaser the Vendor may charge the Purchaser the actual cost of the delivery. The Vendor must inform the Purchaser at time of order that there will be a delivery charge and an estimated cost. The Vendor must if requested by the Purchaser provide a receipt of the delivery charge. An example would be an overnight UPS delivery.

A Vendor must clearly identify to a Purchaser that an item will have a special per shipment handling charge. The Commonwealth recognizes that the charge will vary by the product and in many cases how many items are in a shipping box. An example would be an item that needs to be shipped with dry ice. The handling special handling charge would be the same if there was one (1) item in the shipping box or four (4) items in the shipping box.

A Vendor must clearly identify to a Purchaser that an item will have a Hazmat per shipment charge. The Commonwealth recognizes that the charge will vary by the product and in many cases by how many items are in a shipping box.

A Vendor must notify the Purchaser of a backorder or a delay within twenty-four (24) hours of receipt of an order. Vendors must maintain good ongoing communication regarding the status of a backorder with the Purchaser and identify when delivery can be expected.

**Recalls or Notices of Defects:**

The purchaser is to receive Vendor notice within 5 days to work together to maintain operations. The purchaser is not responsible for the cost to replace or repair the item.

**Returns:**

The purchaser may return any item in original packaging and in saleable condition within thirty (30) calendar days of receipt of order unless at time of the order the Vendor clearly stated in writing that an item was not returnable. If a purchaser discovers concealed damage and notifies the Vendor within sixty (60) days of receipt, the item must be replaced or a credit issued. A wrongly shipped item received in error for which the purchaser notifies the Vendor within 60 calendar days of receipt must be replaced, credited, or repaid by check at the option of the purchaser. The Vendor is responsible for the shipping costs of all returns and restocking charges are not allowed under the Contract.
