How To Purchase From The Contract

- **Directly purchase fixed price items through COMMBUYS**

Quotes Including Construction Services

Please note specific requirements that apply for quoting construction services, depending upon the scope of your bid:

- Where the construction services are less than \$10,000: Select a vendor based on sound business practices, consistent with your entity's procurement policies and procedures.
- For construction services valued from \$10,000-\$50,000: Must solicit a minimum of three quotes and receive two written responses; award to lowest responsible bidder.

Quotes not including construction services:

Award based on best value.

Prevailing Wage Requirements

The buyer has a legal obligation to request a prevailing wage schedule from the Department of Labor Standards (DLS) at www.mass.gov/dols. Questions regarding the Prevailing Wage Law may be answered by accessing the DLS website or by calling the DLS Prevailing Wage Program at (617) 626-6953.

All or part of the services available under this contract may require the payment of prevailing wages. Vendors must provide in the appropriate Cost Table their percentage or dollar mark-up for Prevailing Wage hourly rates. Percentages and dollar mark-ups may be zero, e.g. 0% or \$0. This means that the Purchasing Entity will be invoiced at the Prevailing Wage rate.

If prevailing wage is required, make sure to include this information in your quotes or bids so vendors know to include prevailing wage.
