Such persons need not be pictured on the EBT card. Households are not required to have cooking facilities to receive SNAP.

360.120: Special Uses of SNAP Benefits

Certain households have been authorized to use their SNAP benefits to buy prepared meals or to make it less difficult to obtain food. These authorized special uses of SNAP benefits are:

A communal dining facility is a public or nonprofit private establishment, approved by FNS, that prepares and serves meals for elderly persons, or for SSI recipients and their spouses. (B) Meals on Wheels.

(1) Eligible Household Members. Eligible household members 60 years of age or older or members who are housebound or otherwise disabled to the extent that they are unable to adequately prepare all their meals, and their spouses' meals, may use all or part of the SNAP benefits to buy meals from a nonprofit meal delivery service authorized by FNS.

(2) Types of Services. Meal delivery service may be provided by a political subdivision, a private nonprofit organization, or a private establishment with which a State or local agency has contracted and which is authorized by FNS.

(C) Food Purchases for Residents of Drug or Alcohol Treatment and Rehabilitation Centers.
