234 CMR 9.00: INVESTIGATION OF COMPLAINTS, DISPOSITION OF COMPLAINTS, GROUNDS FOR DISCIPLINE

Section

9.01: Purpose

234 CMR 9.00 sets forth the actions the Board may take on any complaint received by the Board concerning a Board licensee or the practice of dentistry, dental hygiene or dental assisting in the Commonwealth. The Board may take disciplinary action for any violation of M.G.L. c. 112, §§ 43 through 53 and 61 or 234 CMR, or any rule, advisory, or written policy adopted by the Board related to the practice of dentistry, dental hygiene, or dental assisting.

9.02: Investigation of Complaints

(1) Response by Licensee. Upon receipt of a written complaint from the Board, a licensee shall submit to the Board a written response addressing the allegations set forth in the complaint. Said response shall include any information requested by the Board and shall be signed by the licensee. The response shall be submitted to the Board within the time frame specified by the Board.

(2) Complaint Committee. The Board may establish a Complaint Committee, comprised of a minimum of two members of the Board, one of whom must be a dentist, to review complaints alleging misconduct by a licensee and to make recommendations regarding disposition of the matter to the full Board.

(3) Investigative Conference. To facilitate disposition of any complaint, the Complaint Committee, acting on behalf of the Board, or the Board, may schedule an investigative conference at any time prior to the commencement of a formal adjudicatory proceeding. The Board shall give timely notice of the conference, including a general statement of the nature of the complaint and issues to be discussed.

(4) Ex Parte Communication with Board Members. Neither a party nor the representative of a party shall make or knowingly cause to be made an ex parte communication with Board members regarding a complaint and/or adjudicatory proceeding.

9.03: Disposition of Complaints

The actions set forth in 234 CMR 9.03 constitute the non-disciplinary and disciplinary dispositions the Board may impose on a licensee or on a licensee's right to renew his or her license.

(1) Non-disciplinary Actions.
(a) **Dismissal.** The Board may dismiss a complaint by Dismissal with Prejudice, Dismissal without Prejudice, or Dismissal with an Advisory Letter where it determines that:

1. The Board lacks jurisdiction over the person named in the complaint;
2. There is insufficient evidence to support the complaint;
3. There are no violations of laws, rules and regulations governing the practice of dentistry;
4. The conduct complained of does not warrant disciplinary or other remedial action.

(b) **Dismissal with Prejudice.** A complaint may be dismissed with prejudice when the alleged conduct does not violate the Board's statutes or regulations or the Board lacks jurisdiction over the licensee.
9.03: continued

(c) Dismissal without Prejudice. A complaint may be dismissed without prejudice when the Board determines that the facts supporting the alleged conduct have not been or cannot be proven due to lack of evidence or insufficient evidence. The complaint may be revisited by the Board if new evidence becomes available.

(d) Dismissal with an Advisory Letter. Dismissal with an Advisory Letter is an official written notice retained in the Board's files delineating the Board's concerns with the licensee's professional practice. An advisory letter does not constitute formal disciplinary action.

(e) Stayed Probation. Stayed Probation is a non-disciplinary agreement between the licensee and the Board and consists of a period of time during which a dentist, registered dental hygienist, or dental assistant who holds a valid license may continue to practice in the Commonwealth under terms and conditions specified by the Board. Stayed Probation does not constitute formal discipline, but may include provisions for the Board to subject the licensee to disciplinary action if the Board finds that the licensee has failed to comply with the terms and conditions of his or her agreement with the Board.

(2) Disciplinary Actions. The disciplinary actions set forth in 234 CMR 9.03(2)(a) through (g) constitute disciplinary actions the Board may impose on a licensee of the Board, or on the right of a licensee to renew his or her license. The Board may only impose disciplinary action as part of a final decision and order issued in connection with the adjudication of a complaint, or under the terms of an agreement entered into between a licensee and the Board in resolution of any complaint or complaints.

Where the Board initiates adjudicatory proceedings, the Board shall conduct such proceeding in accordance with M.G.L. c. 30A: State Administrative Procedure Act and 801 CMR 1.00: Standard Adjudicatory Rules of Practice and Procedure.

The Board may, after a hearing in accordance with the provisions of M.G.L. c. 30A and 801 CMR 1.00: Standard Adjudicatory Rules of Practice and Procedure or by agreement of the parties, reprimand, place on probation, censure, suspend, or revoke any license, registration or permit issued by the Board and/or otherwise limit the practice of dentistry, dental hygiene, or dental assisting in the Commonwealth as the Board deems necessary and appropriate.

A disciplinary action against a license to practice dentistry, dental hygiene, or dental assisting in the Commonwealth constitutes a public record and is reportable by the Board to other licensing entities and to the appropriate national disciplinary reporting systems as a disciplinary action on a license to practice dentistry, dental hygiene, or dental assisting or on the right to renew such license.

(a) Reprimand. A Reprimand is a written statement issued by the Board which describes the manner in which the licensee has failed to comply with M.G.L. c. 112, §§ 43 through 53 and 61, or 234 CMR, or any rule, advisory or written policy adopted by the Board related to the practice of dentistry, dental hygiene, or dental assisting. A reprimand may include terms or conditions specified by the Board. Failure of a licensee to comply with such terms or conditions may result in further disciplinary action by the Board.

(b) Probation. Probation consists of a period of time during which a licensee who holds a valid license may continue to practice in the Commonwealth under terms and conditions specified by the Board. A licensee whose license is subject to probation must comply with the terms and conditions of probation in order to continue to practice dentistry, dental hygiene, or dental assisting in the Commonwealth. A licensee's failure to comply with terms and conditions may result in the imposition of a suspension or other discipline, as deemed appropriate by the Board.

(c) Censure. Censure is a severe reprimand.

(d) Voluntary Surrender. Pursuant to an agreement with the Board, a licensee may surren-
der his or her license to practice dentistry, dental hygiene, or dental assisting in the Commonwealth. A licensee's Voluntary Surrender of a license to engage in the practice of dentistry, dental hygiene, or dental assisting in the Commonwealth terminates the licensee's right to practice dentistry, dental hygiene, or dental assisting in the Commonwealth and to represent himself or herself by title or other designation as a licensed dentist, dental hygienist, and/or dental assistant.

(e) Suspension. Suspension of a license or the right to renew said license to engage in the practice of dentistry, dental hygiene, or dental assisting in the Commonwealth, is the temporary denial by the Board of the right of a licensee to engage in the practice of dentistry, dental hygiene, or dental assisting in the Commonwealth, and represent himself or herself by title or other designation as a licensed dentist, dental hygienist, or dental assistant.
9.03: continued

(f) **Stayed Suspension.** A stayed suspension is a period of suspension on a license to practice dentistry, dental hygiene, or dental assisting in the Commonwealth which suspension the Board does not activate pending compliance by a licensee with specified terms and conditions described in a Final Decision and Order or in a consent agreement between the licensee and the Board.

(g) **Revocation.** A revocation of a license or the right to renew said license to engage in the practice of dentistry, dental hygiene, or dental assisting in the Commonwealth terminates the licensee's right to practice dentistry, dental hygiene, or dental assisting in the Commonwealth, and to represent himself or herself by title or other designation as a licensed dentist, dental hygienist, and/or dental assistant.

9.04: **Suspension Prior to a Hearing**

If, based upon affidavits or other documentary evidence, the Board determines that a licensee is an immediate or serious threat to the public health, safety, or welfare, the Board may suspend or refuse to renew a license pending a final hearing on the merits of the allegations regarding the licensee. A hearing limited to the determination of the necessity of the summary action shall be afforded the licensee within seven days of the Board's action pursuant to M.G.L. c. 112, § 52F.

9.05: **Grounds for Discipline**

The Board may impose disciplinary action against an individual licensed by the Board to practice dentistry, dental hygiene, or dental assisting on one or more of the following grounds for discipline:

1. Engaging in misconduct in the practice of dentistry, unprofessional conduct, and/or conduct that undermines public confidence in the integrity of the dental profession;
