CARVER, MA- State Police Detectives assigned to Plymouth County District Attorney Timothy J. Cruz's office are asking for the public's assistance in locating anyone with information on the February 1, 2015 motor vehicle crash in Carver, MA that killed a pregnant woman's five month old fetus and injured the pregnant woman and her boyfriend.

On Sunday, February 1, 2015 at approximately 4:45 P.M. Carver Police Officers responded to a reported head on collision in the area of 71 South Main Street in Carver. The victim's blue 2005 Chevy Impala was pushed completely off the road and into a snowbank on the south bound side of the road with extensive damage. The operator, a twenty-one year old pregnant woman, was trapped in the vehicle. Carver Fire responded and used the Jaws of Life to extract the woman. She was transported to Tufts Medical. The woman's unborn baby died as a result of the crash.

The crash occurred when a grey Toyota Scion heading north on South Main Street crossed over the solid lines into the opposite travel lane, nearly striking one vehicle, then crashing into the victim's blue Chevy Impala as it traveled south on South Main Street. It was reported that the Toyota Scion did not attempt to avoid the Impala and did not appear to apply the brakes, but drove straight into the Impala.

Police are interested in speaking with the operator of a blue vehicle which was traveling south bound in front of the victim's vehicle just prior to the accident. Police are requesting that anyone who witnessed this incident or has any information about this incident to call State Police Trooper Kevin McDermott at (508) 468-9073.
