invites you to attend:*

The Annual Quabbin Land Management Workshop

Tuesday, June 30, 2009 from 7:00 to 9:00 PM

Quabbin Visitor Center - Belchertown, MA

This is a public meeting to present DWSP progress in Fiscal Year 2009 on the goals and objectives in the 2007-2017 Quabbin Land Management Plan, and to discuss and seek public input on the planned program for Fiscal Year 2010.

Introduction - Bill Pula, Quabbin/Ware River Regional Director

Presentations to include:

Forest management – 2008-2009 accomplishments; plans for 2009-2010

Green Certification – current status of FSC recertification

Deer management results from 2008 hunt

Plans for deer impact control in 2009

Moose monitoring update

Gull research update
