Berklee College of Music
142 Massachusetts Avenue-2nd Floor, Boston**

Building on the current work on the Emerald Necklace Crosswalks and Treatment Guidelines, DCR is preparing a feasibility and design study to evaluate transportation and multi-use improvements along Agassiz Road. The study is being carried out with the support of the Fenway Civic Association under DCR's Partnership Matching Funds Program and in cooperation with the City of Boston.

At the meeting, DCR will present the findings of the field inventory existing conditions analysis performed and present, and obtain public input on, conceptual design alternatives.

If you have questions about the public meeting, please email DCR.Updates@state.ma.us or call 617-626-4974.
