

# H E L P !

Two ring-billed gulls tagged with yellow (top) and fluorescent green (bottom) colored tags.

## HAVE YOU SEEN US?

We have colored wing-tags with letters/numbers and bands on our legs.

Note that all birds have a silver federal band on the right leg and most birds have a colored band on the left leg.

Ring-billed gulls tagged with fluorescent orange (top) and fluorescent pink (bottom) wing tags.

## THESE GULLS ARE PART OF A RESEARCH PROJECT. EVERY SIGHTING IS VERY IMPORTANT INFORMATION.

### PLEASE...

if you see a tagged gull, let the researchers know by contacting Ken MacKenzie at [Ken.Mackenzie@state.ma.us](mailto:Ken.Mackenzie@state.ma.us) (508-792-7423 x313) or Dan Clark at [Dan.Clark@state.ma.us](mailto:Dan.Clark@state.ma.us) (508-792-7423 x215) with the **date, time, location, and wing-tag information.**
