

## EXHIBIT A

### Directions to the MWRA's Deer Island Treatment Plant (DITP), Winthrop

#### **From the North - All vehicles**

From Route 1 in Revere, take the exit onto Route 60 East (Follow signs 'To Logan Airport') Follow Route 60 to Rte 1A (also known as the McClellan Highway in East Boston) past Suffolk Downs RaceTrack, on your left. After passing Suffolk Downs, move into the far-left lane, to take the left at the next traffic light by the HoneyDew Donuts shop and Avis Car Sales (which will be on your right). Follow "Route 145 North" signs onto Boardman St. Continue the instructions from Point "A" below.

#### **From the South (on 93N/NE Expressway) or the West (Mass. Turnpike, Rte 90 E) -All vehicles** **Important Notice: there is no longer an exit for the Callahan Tunnel from Rte. 93 Northbound.**

From 93-Northbound, take Exit 20 to the Ted Williams tunnel and exit out of the tunnel at Route 1A North. (From the Mass. Turnpike eastbound, follow signs to Logan Airport and Rte. 1A). Continue on Route 1A North to the first set of lights, just past a Holiday Inn on your right. Turn right, onto Boardman St. (follow signs for Rte. 145 North). Continue from point "A" below.

**Point A - All vehicles:** Follow Boardman Street to the stop sign – proceed halfway around the small rotary- to the next set of lights at the intersection of Bennington and Saratoga Street.

Proceed straight through the light onto Saratoga Street.

When you pass over the Belle Isle Inlet Bridge, you will see the "Entering Winthrop" sign on the right. **Trucks must then follow the "Truck Route" below.**

**Automobiles may turn right onto Pleasant Street,** (following signs for Rte 145 North). Follow Pleasant St. through one light. **Pleasant St. eventually turns into Washington Street,** which then ends at a stop sign.

Turn right onto Shirley Street (stop following the Rte. 145 signs at this point - follow "truck route" signs). Follow Shirley Street until it ends at the intersection with Elliot Street on your left.

Go left onto Elliot, to the stop sign. Take a right onto Tafts Avenue. Proceed along the access road to the plant security gate, and check in with the Security Staff. Then proceed to park vehicle at gate 3.

#### **Once in Winthrop, trucks must follow the "Deer Island truck route" signs:**

Follow the above directions to Saratoga Street (which becomes Main Street, when in Winthrop).

Follow Main Street, straight onto Revere Street. (DON'T turn right onto Pleasant Street/Rte 145N).

Turn right onto Shirley Street, then right again onto Veterans Road until it ends.

Go left onto Washington Street, then right at the stop sign onto Shirley Street.

Follow Shirley Street until it ends at the intersection with Elliot Street on your left.

Go left onto Elliot to the stop sign, and take the right onto Tafts Avenue.

Follow this road to the plant security gate. Receive further instructions there.

**NOTE: Deer Island truck access is very limited – You must have authorization prior to arrival!**
