

Sudbury and Foss Reservoirs Watershed 2010 Public Access Plan Update Public Meeting

**Tuesday, June 29, 2010
7:00 PM**

**MWRA Western Operations Field Headquarters
266 Boston Rd. (Rt. 30)
Southborough, MA**

The Department of Conservation and Recreation, Division of Water Supply Protection's Office of Watershed Management is responsible for the water and state-owned lands surrounding the Sudbury and Foss Reservoirs, which are the reserve source water supply for the DCR/MWRA water supply system. As part of its comprehensive watershed management program, DCR has Public Access Plans that establishes polices and develops implementation strategies to minimize the impacts from recreational activities on the drinking water supply lands managed by DCR.

The Office of Watershed Management is in the process of updating the Public Access Plan for the Sudbury and Foss Reservoirs. The last plan was adopted in 2002. No major policy changes are being proposed in this 2010 update.

A public meeting to present the issues and polices identified in the *Sudbury and Foss Reservoirs Watershed 2010 Public Access Plan Update* will be held on Tuesday, June 29, 2010, at MWRA's Western Operations Field Headquarters, 266 Boston Rd., Southborough, MA, starting at 7:00 pm. The draft document is available on the DCR website at www.mass.gov/dcr/watersupply/watershed/sudaccplan.htm, at the public libraries in Framingham, Northborough, Marlborough, and Southborough, or by contacting the Wachusett/Sudbury Section Field Headquarters at 508-792-7423.

Comments or questions on the draft plan will be taken at the meeting or can be sent to John Scannell, Regional Director, DCR Division of Water Supply Protection, Wachusett/Sudbury Section, 180 Beaman St., West Boylston, MA 01583. Email can be directed to john.m.scannell@state.ma.us.
