

## **Appendix B – Property Maps**

91. Monroe State Forest – Reserves, Intensive Use and Active Management Areas
92. Monroe State Forest – Hydrology Buffers
93. Monroe State Forest – Road and Trail Corridors
94. Monroe State Forest – Rare Species
95. Monroe State Forest – Vegetation
96. Monroe State Forest – Vegetation with Resource Overlays
97. Monroe State Forest – Prime Soils
98. Monroe State Forest – Archeologically Sensitive Areas
99. Monroe State Forest – Potential Timber Harvests

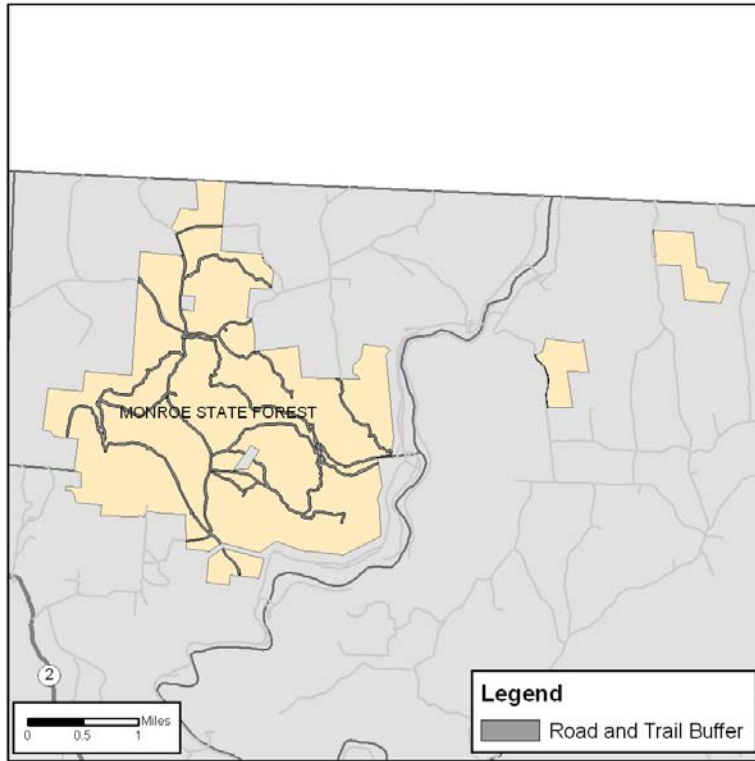

Monroe State Forest  
Reserves, Intensive Use and Active Management Areas

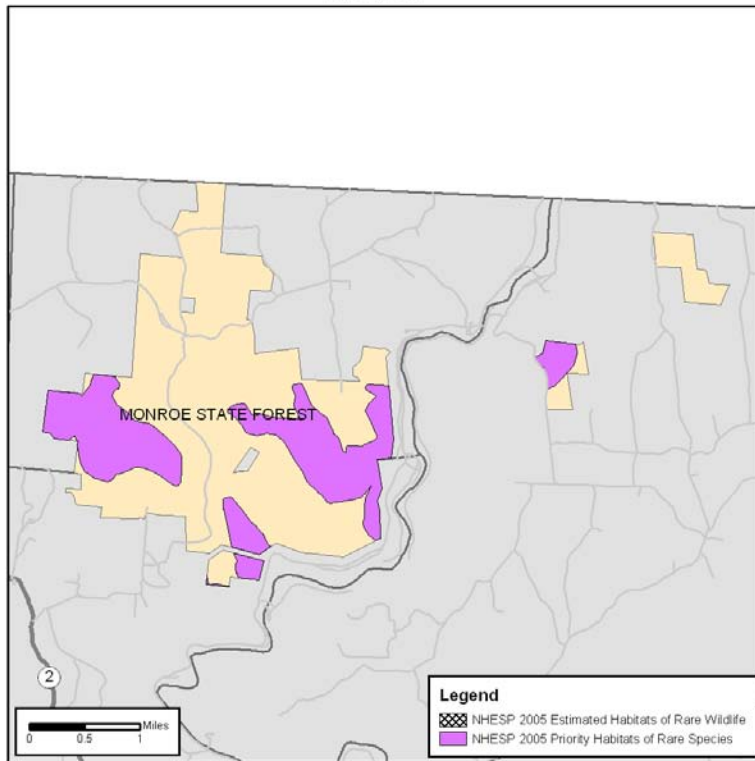

Monroe State Forest  
100' Hydrology Buffers

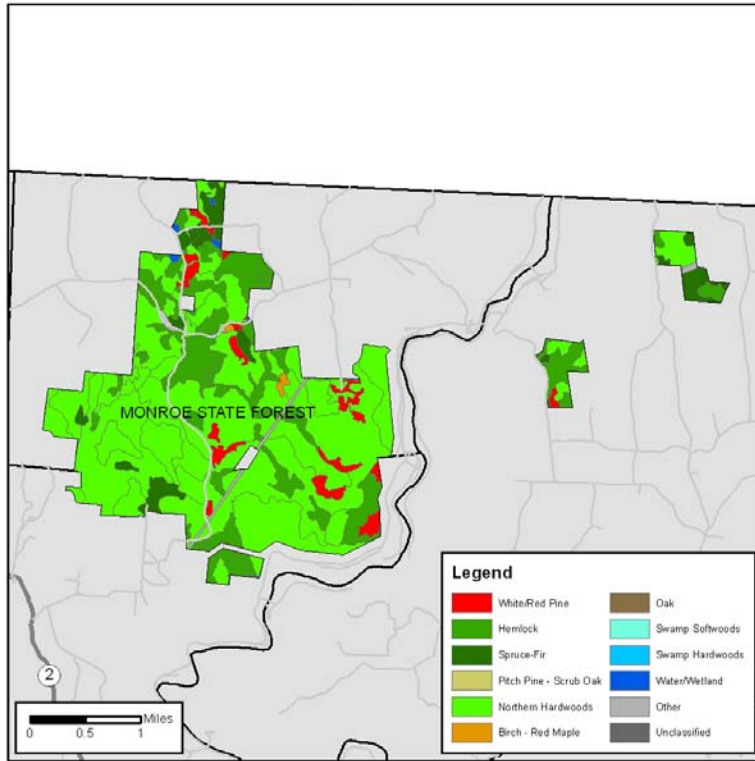

Monroe State Forest  
50' Road and Trail Buffers

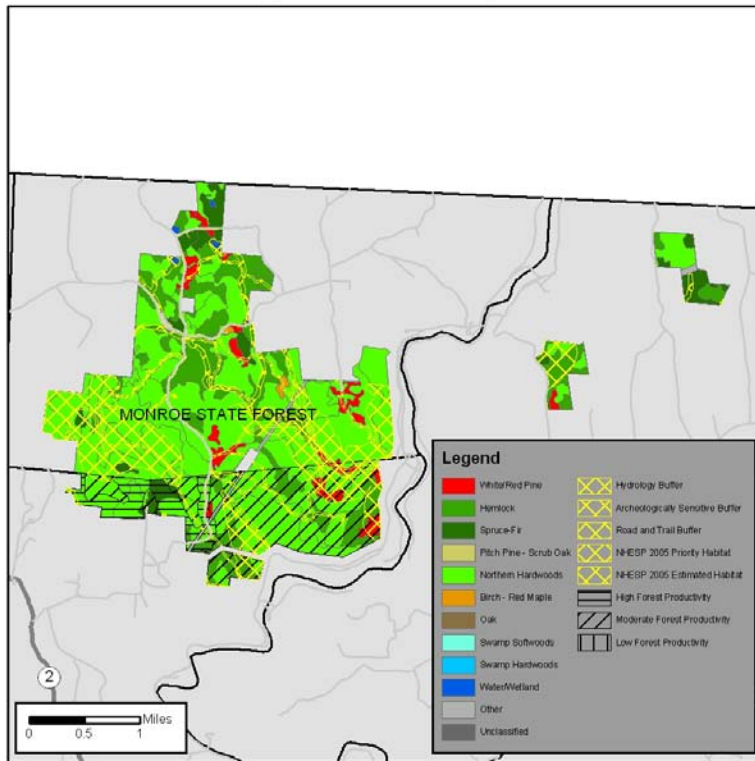

Monroe State Forest  
Rare Species

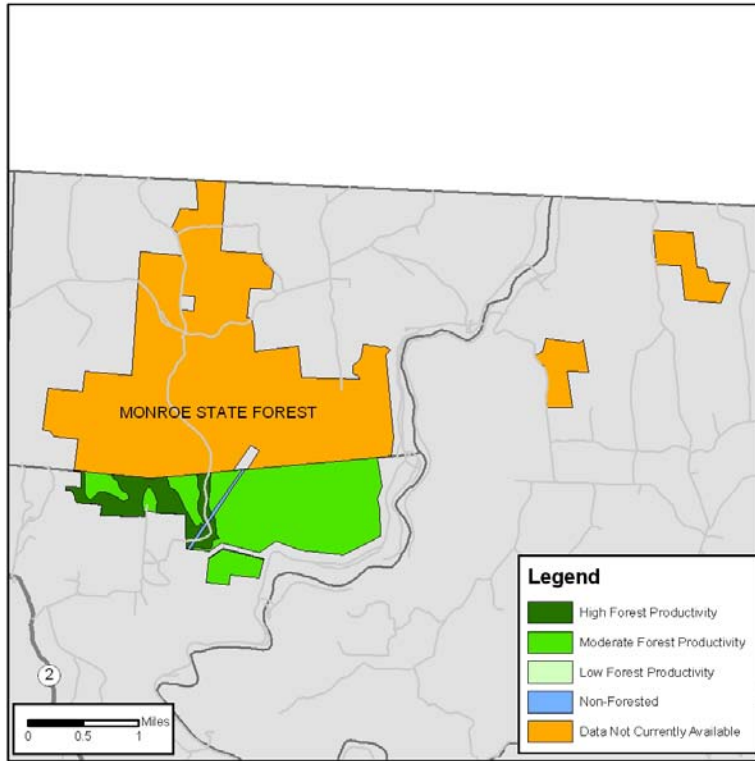

Monroe State Forest  
Vegetation

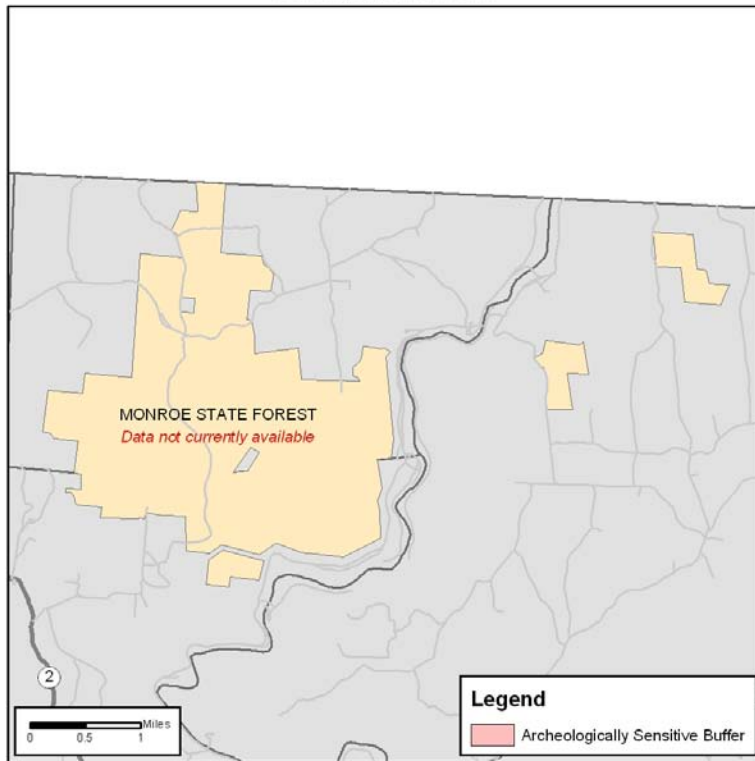

Monroe State Forest  
Vegetation With Resource Overlays

Monroe State Forest  
Prime Soils

Monroe State Forest  
Archeologically Sensitive Buffer

Monroe State Forest - Potential Timber Harvests Within Next 15 Years By Silvicultural Technique
