Reading the Land – Massachusetts Heritage Landscapes: A Guide to Identification and Protection

is a step by step guide to the identification, documentation, evaluation and protection of heritage landscapes in your community. A product of DCR's Heritage Landscape Inventory Pilot Project in southeastern Massachusetts, the guide draws on examples from the pilot project area to illustrate larger themes. Reading the Land is a vital tool for communities that are planning cultural resource surveys or undertaking any integrated planning efforts. Winner of the 2004 Public Education Award from the American Planning Association

Preservation Guidelines for Municipally Owned Historic Burial Grounds and Cemeteries (Second Edition)

includes a history of cemetery development in Massachusetts, preservation planning guidelines, treatment and management recommendations, and case studies of historic burial grounds across the Commonwealth. The first edition of the guidelines, published in 2000, received awards from the American Society of Landscape Architects and the Boston Society of Landscape Architects.

The publications are free; however, you need to pay for the postage to have the publications delivered to you. For orders within Massachusetts, please complete this form and mail it along with a self-addressed 10" x 13" envelope stamped with the amount of postage listed below to:
