

Other Workgroup Updates...

(Activity and Use Limitation)

AUL Guidance Revisions

- MassDEP is still working internally on a draft update to the 1999 policy
- Once we have a draft, we will begin to meet with external workgroup
- Peggy Shaw (chair)
(617) 556-1092
Margaret.Shaw@state.ma.us

Revisions List

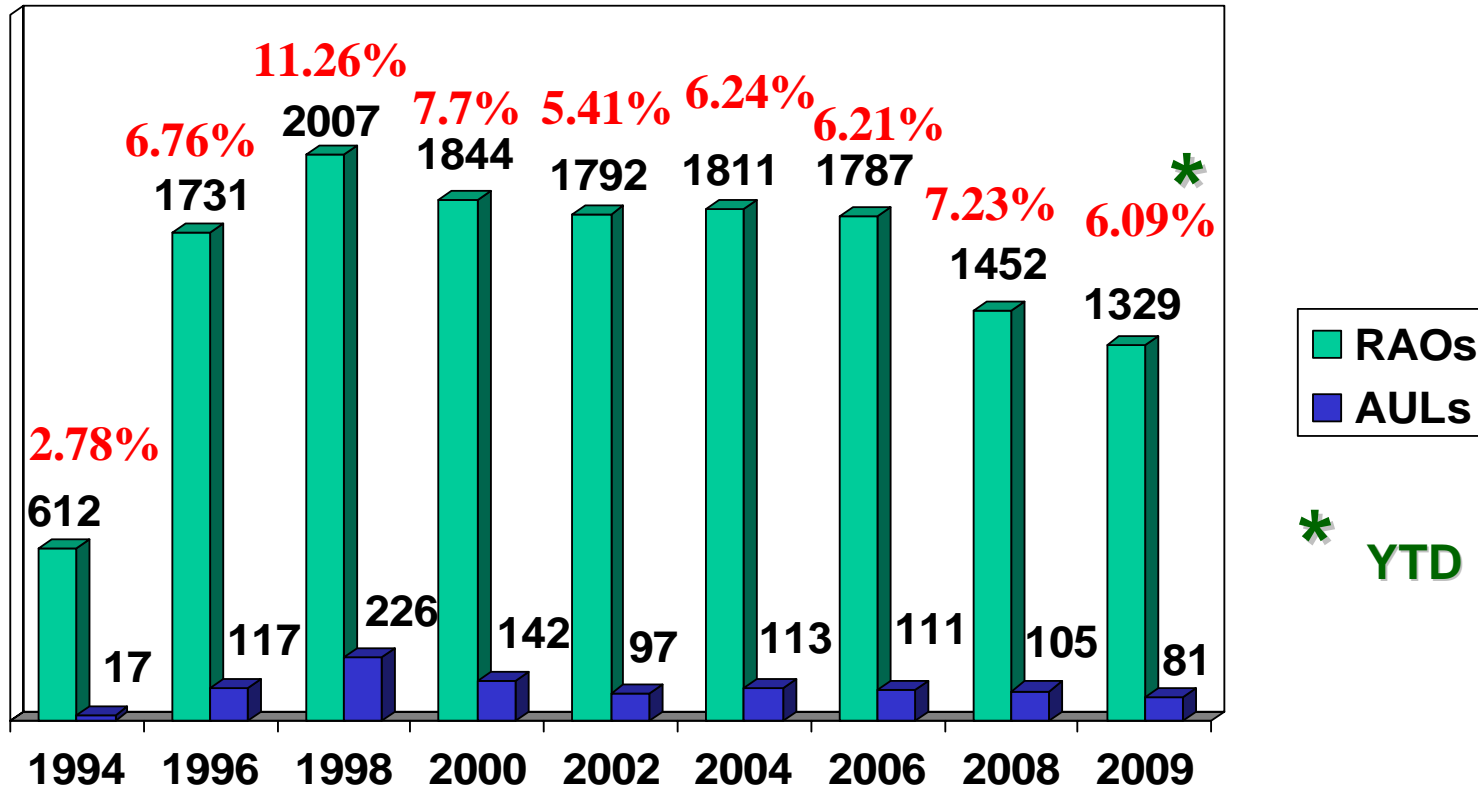

- Incorporate '99 and '06 MCP revisions
- Clarifications based on 10 years of experience
- Incorporate new Registry formatting requirements
- Move procedures for Grants to Appendices
- Keep the Case Studies?

AUL Trends

- Total Notices of AULs - 1839
- Total Grants - 20

AUL Trends

(RAOs with AUL as % of RAOs)

Common AUL Related Violations

- Failure to notify record interest holders
- Failure to reference the AUL in future instruments of transfer
- Language describing obligations or conditions for conducting permitted Site Activities not consistent with site conditions or too broad
- Failure to attach appropriate signatory authority documentation
- Alteration of Form 1075

Also to be addressed by AUL Guidance Revisions...
