

Implications of Court Decision Vacating CAIR  
7/30/08

CAIR Trading Program for Nitrogen Oxides (NO<sub>x</sub>) and Sulfur Dioxides (SO<sub>2</sub>) No Longer Exists

NO<sub>x</sub> Budget Trading Program Not Invalidated, but Different Scope Than CAIR

- CAIR annual, NBTP seasonal
- NBTP only covers NO<sub>x</sub>
- NBTP covers fewer states (21 plus DC for NBTP versus 28 plus DC for CAIR)

NO<sub>x</sub> Budget Trading Program States

**Note:** Georgia is no longer part of the NO<sub>x</sub> SIP Call due to successful petitions/litigation.
