RE: ATTLEBORO—Level III Recycling Permit
No. **S09 -002**, EPA ID#MAC300005808,
310 CMR 30.200, **DRAFT** Level III Class B(3)
Regulated Recyclable Material

Transmittal No. W074379

Dear Mr. Spoor:

On February 15, 2006 NewStream LLC submitted an application for a Level III Class B(3) Hazardous Waste Recycling Permit to market specification used oil fuel with additional information submitted on May 9, 2007 and November 6, 2008. The Department of Environmental Protection, Southeast Region, Bureau of Waste Prevention ("Department" or "this office") has completed its Technical Review of your request to obtain a Level III Class B(3) Hazardous Waste Recycling Permit to market specification used oil fuel at your existing facility located at 527 Pleasant Street, 11D, Attleboro, Massachusetts. Enclosed herewith is a public notice and a Draft Level III Class B(3) Hazardous Waste Recycling Permit. The Department has determined that on the basis of information now in the record, the Department shall complete the public comment review period and issue the permit following the close of the period for public comment. The Department may request additional information during the course of such review.

In the absence of significant public comment which would, on its face, appear to constitute grounds for the Department to deny the permit or significantly modify the proposed permit, the Department will complete a public comment review within thirty days of the close of the public comment period. You are, therefore, encouraged to review and comment on the permit and the draft of special conditions.

Please have this notice published in a newspaper of general circulation in the **region** where the project is proposed. This notice shall be published once only at the applicant's or permittee's expense in accordance with the requirements of 314 CMR 2.06 as amended.

It is the applicant/permittee's responsibility to forward proof of publication to:

This information is available in alternate format. Call Donald M. Gomes, ADA Coordinator at 617-556-1057. TDD# 866-539-7622 or 617-574-6868.

ATTN: Robert W. Greene

The mandatory thirty (30) day public comment period will commence with the date of publication of the public notice. It is in the permittee's best interest to publish this notice upon receipt and forward the proof of publication to the above address as soon as possible to avoid delays in processing your application.

Should you have any questions, please contact Robert Greene at (508) 946-2826 or at the above letterhead address.

Very truly yours,

This final document copy is being provided to you electronically by the
Department of Environmental Protection. A signed copy of this document
is on file at the DEP office listed on the letterhead.
