Innovative reuse event conducted by tenants of the Devens Industrial Park
Dona Neely, Devens EcoStar
- Group Exercise: What is it?***
Does your business generate “stuff” which is currently thrown away but may be of use to someone else? Bring ONE item and we’ll try to identify an alternative use! Left-over inventories, manufacturing by-products, imperfect products, and packaging materials can be reused by other businesses, municipalities, schools, and art groups. For ideas, check out the results from Devens “Great Exchange”.
