Re: SEMASS Resource Recovery Facility – Material Separation Plan 4 for the
Diversion of Mercury: January 2007 – December 2008

Dear Ms. Seidman:

On behalf of the SEMASS Partnership, attached is the Material Separation Plan 4 (MSP4) for the diversion of mercury for the 2-year period of January 2007 through December 2008. This Plan incorporates comments received from Stakeholders and the Department during the March-May 2006 time period.

We appreciate the opportunity to provide the SEMASS Material Separation Plan for Department review. We also thank you for the extension of the due date. Should you have any questions or would like to discuss this further, please do not hesitate to call Patti O'Hara, SEMASS MSP Program Coordinator, at (508) 291-4427 or me at (508) 291-4436.

Sincerely,

Daniel P. Peters, P.E.
Sr. Environmental Engineer &
MSP Program Manager
