

Directory of Toxics Use Reduction Planners Certified By The Massachusetts Department of Environmental Protection

September 2009

Massachusetts Department of Environmental Protection, Bureau of Waste Prevention

Please Note: This Directory contains the names, addresses, and telephone numbers of Toxics Use Reduction (TUR) Planners currently certified to sign Toxics Use Reduction Plans. This Directory also indicates which TUR Planners are approved to certify Resource Conservation Plans or Environmental Management Systems under TURA. Addresses and telephone numbers are, when available, those of the planner's home address, or other preferred mailing address, since facility locations may change. Planners are identified as either Limited Practice or General Practice TUR Planners. MassDEP certifies environmental professionals as TUR Planners. Limited Practice Planners may only certify the TUR plan of his or her employer while General Practice Planners may certify the TUR plan of any facility in Massachusetts. Because individual TUR Planner Certifications expire every two years, please do not rely exclusively on this directory as proof positive of a TUR Planner's certification status. Call the MassDEP TUR Planner Program at (617) 556-1011 for up-to-date TUR Planner information.

Addresses and telephone numbers are, when available, those of the planner's home address, or other preferred mailing address, since facility locations may change. Planners are identified as either Limited Practice or General Practice TUR Planners. MassDEP certifies environmental professionals as TUR Planners. Limited Practice Planners may only certify the TUR plan of his or her employer while General Practice Planners may certify the TUR plan of any facility in Massachusetts. Because individual TUR Planner Certifications expire every two years, please do not rely exclusively on this directory as proof positive of a TUR Planner's certification status. Call the MassDEP TUR Planner Program at (617) 556-1011 for up-to-date TUR Planner information.
