Date Completed

C. Consumer Delivery Requirements

The water system named above certifies that these results and the following information were provided to all consumers occupying **homes, schools, and/or daycare facilities** sampled as part of the PWS lead and copper sampling program within **30 days of receiving the test results** from the laboratory:

- Individual tap results from lead and copper tap water monitoring.
- An explanation of the health effects of lead and copper with steps that consumers can take to reduce exposure to lead and copper in drinking water.
- Contact information for your water system.
- The maximum contaminant level goals and action levels for lead and copper, and the definitions of these two terms from 310 CMR 22.02.

Massachusetts Department of Environmental Protection

Bureau of Resource Protection – Drinking Water Program

Lead & Copper Rule (LCR) – Certification of Consumer Notice of Lead Tap Water Monitoring Results

M.G.L. c.111 §160 and 310 CMR 22.06B

D. Mandatory Agency Delivery Requirements – Checklist for All PWS

- PWS has:** Completed this form.
- Attached an **example** of the residence, schools, and/or daycare facilities notification to this form.
- Within 90 days following the end of the monitoring period: Delivered 1-copy of LCR Certification Form and 1-copy of ALL the attachments check-marked above to the appropriate MassDEP regional office.

Failure to submit this Certification Form is a violation of 310 CMR 22.06B (11)(f), which may result in enforcement action that may include penalties, pursuant to M.G.L. c.21A sec. 16 and 310 CMR 5.00.
