**NEW TECHNOLOGY APPROVED FOR USE IN MASSACHUSETTS**

Contact : Frank R. Niles (617) 574-6871  
 Updated: April 18, 2012

*The following table contains a list of technologies that has been approved for use in Massachusetts. Electing to use any of these technologies will avoid the need for further New Technology approval. However, regional piloting may still be required. If you elect to use any of these technologies, please contact the appropriate regional office below. Please contact Frank Niles if you are requesting approval for a New Technology not on this list.*
