**Important Notice Governing Permit Renewals:** All regulated fishery endorsements, approved for any commercial fishing permit, renewed by the Division may not be transferred by the holder of his/her business from one commercial fishing permit or fishing vessel to another during the fishing year. Applicants are advised to pay particular attention to which permitted fishing vessel they intend to apply the regulated fishery endorsement(s). Once renewed by the holder, regulated fishery endorsements are not transferable from one commercial fishing permit or fishing vessel to another during the fishing year.

Permit renewal applicants are reminded that all renewal applications and related forms, including but not limited to catch reports, must be fully and accurately completed by the permit holder, must include all of the information that is being requested on the form(s), and may not be changed or altered in any way. Failure to fully and accurately complete any renewal application and related forms, or changing or altering any part or parts thereof shall automatically result in the disapproval of a renewal of the permit. The permit renewal application, related forms and payment fee will be returned to the applicant by USPS along with a brief description of those specific parts of the renewal application that are incomplete, incorrect or have been changed or altered by the applicant. In such a case, the applicant will need to complete and submit an application for a new commercial fishing permit.
