### **Red Tide Lost Income Subsidy Application Workshop**

In response to feedback from Nauset System shellfish fishermen *Marine Fisheries* will be holding two Red Tide LIS application workshops. The goal of these workshops is to help applicants prepare their application packets. We will also be available to answer any questions individuals may have about this program.

The first workshop is scheduled for Thursday October 1, 2009 from 9am – 2pm. The second workshop will be held on Monday October 5, 2009 from 11am-3pm. Both workshops will be located at the Eastham Town Hall.

If you cannot make either of these workshops please contact *Marine Fisheries* as soon as possible. Additional dates may be added if a large percentage of interested applicants cannot attend either meeting. For any other questions, comments or concerns please do not hesitate to contact:
