

RIVERWAYS PROGRAM

Massachusetts Rivers Month Calendar Event Form

Rivers Month is Coming - June 2009

List your river event in the Massachusetts Rivers Month Calendar!!

As you (may) know, Riverways has each spring since 1988 put out an annual **Massachusetts Rivers Month Calendar** as part of the national celebration of Rivers Month each June. As many of you also organize great river-related events in May and July as well, we typically expand the "Rivers Month" concept a bit to include river-related events from mid-May to the July 4 holiday. So this year we intend to include all river-related events (canoe trips, river festivals, river art exhibitions, etc.) we hear about that will take place from **Friday, May 8 to Sunday, July 4, 2009**. If you haven't already got one or more events planned for that period, there's still time to organize something. Rivers Month is a great opportunity for river and watershed groups, stream teams and all other river enthusiasts to schedule activities that promote public awareness of the importance of clean, flowing rivers and protected riparian lands to the Commonwealth's environmental and economic well-being.

We have prepared this Event Submission Form for your convenience to let us know the types of info we're seeking for the Calendar. You can fill this in and send it back to us, or get the same info to us in whichever format is most convenient to you. However you choose to respond, we'd like to receive your info by **Thursday, April 23rd, 2009** so we have time to convert it into the right format and compile it with other events. (NOTE: If you can't make the **4/23 deadline**, send the info in to us anyway, and we will try to squeeze your event in to the Calendar – no promises, though.) Please copy this form for multiple events.

2009 Massachusetts Rivers Month Events - May 8th through July 4th, 2008

Name of River or other waterway the event is on, along or about:

Name of Event:

Date and Time of Event:
