Massachusetts Car Seat Distribution Program – Referral Form

	chusetts Car Seat Distribution Program is to provide car seats to low-income
	installation assistance and education on their usage. In order to ensure our
limited resources benefit	the most families possible, the referring organization must first check with the
parent/guardian's health	insurance provider to see if the member is eligible to receive a free car seat for
their child. There is a listing	ng of car seat benefits for each MassHealth plan on the following page. If the
member's plan does not p	provide a seat, then a representative from the referring organization may fill out
this form and submit to _	·
The	cannot guarantee it will have a seat available. If there is a seat for
	Fied Child Passenger Safety Technician will follow up with the parent/guardian
	ent. The child should be present for the appointment, if possible, to ensure
• • • • • • • • • • • • • • • • • • • •	ardian should also bring their vehicle to the appointment (if they have one).
·	nent of us providing the seat, the parent/guardian must sign a general liability
statement.	
☐ As a representative of t	he referring organization, I confirm that I have checked with the
•	h insurance provider and the member is not eligible for a free car seat for this
child.	in insurance provider and the member is not engine for a need our seat for this
cima.	
\square As a representative of t	he referring organization, I understand that the information recorded below will
only be used by the	to schedule and conduct an appointment with
the parent/guardian.
