CORE COMPETENCIES COURSE

Final Exam

Before watching the final exam scenario, read through each of the six sections in this final exam so you have an understanding of what information you will need to collect while watching the scenario. Remember that you will be completing this exam based on the information you were taught in this course, which may differ from how your department currently handles calls.

Name: _____

Email: _____

Date: _____

SECTION ONE: REPORT

You have just watched the final exam scenario. Using the information you collected, write a complete report of the incident from the time ACO Moore arrived on scene. Remember that reports should be written using simple language, clearly indicating who is writing the report and include all identifying information for all parties and animals involved.

Animal Control Incident Report

Name / Title of person completing this form: _____

Signature of person completing this form: _____ **Date:** _____

Date and time of Incident : _____

Name/s of person/s involved (include contact, identifying information):

Animals involved in the Incident (include Identifying information):

List of Supporting Documents	1.	2.
------------------------------	----	----

Narrative of incident

SECTION 2 INTAKE REPORT

You have taken possession of the found dog. Fill out the below intake form appropriately. After 10 days it is decided to transfer the dog to ARL Boston. Right before transfer, on day 11, a rabies vaccine was given by your shelter vet. Dr. Rabis.

THE COMMONWEALTH OF MASSACHUSETTS ANIMAL CONTROL OFFICER ANIMAL INTAKE FORM

**Animal Control Officers shall
report on this form prior to
receiving compensation**

TOWN/CITY of _____ Intake # _____ Date: _____
Intake type ☐ Stray ☐ Owner Surrender(attach form) ☐ Other _____

6. Payment:

For this animal the following was paid for custody and fees: \$ _____ to _____ for _____
Signed under the pains and penalties of perjury _____, Animal Control Officer

SECTION THREE: FINDING THE OWNER

Describe what steps you are required by law to take to try to find the dog's owner. For extra credit: What additional steps might you take to try to locate her owner?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

SECTION FOUR: WHAT IF NO OWNER WAS FOUND DURING HOLD TIME?

Since no owner was located, what are ALL of the options that you have under the MGLs? What steps would you take for each option to ensure that the dog gets a humane outcome? *Extra credit points available for details.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

SECTION FIVE: RABIES EXPOSURE PROTOCOL

The dog bit Suzie upon being found. A rabies quarantine is required, who issues the rabies quarantine? At your shelter, what additional precautions need to be taken due to the bite and quarantine? What needs to happen before the dog is vaccinated and (in this case transferred)?

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

SECTION SIX: UNLICENSED DOG

If an owner had come forward, what questions would you ask and what tasks would the owner need to complete to reclaim the dog? Extra points for listing specific MGL or bylaw violations/requirements.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

SECTION SEVEN: RECORD-KEEPING

You now have a written report on the incident and a completed intake form for the dog. What would you do with these records? Who should receive copies of these records, and how often should you be sending these copies?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.

All Final Exams should be scanned and submitted to Sheri.Gustafson@mass.gov within 1 week of attending the Core Competencies Course.
