CONSENT ORDER

Pursuant to G.L. c. 30A, § 10, Saranyacharyulu V. Mudumbi, M.D. (Respondent) and the Board of Registration in Medicine (Board) (hereinafter referred to jointly as the "Parties") agree that the Board may issue this Consent Order to resolve the above-captioned adjudicatory proceeding. The Parties further agree that this Consent Order will have all the force and effect of a Final Decision within the meaning of 801 CMR 1.01(11)(d). The Respondent admits to the findings of fact specified below and agrees that the Board may make the conclusions of law and impose the sanction set forth below in resolution of investigative Docket No. 17-398.

Findings of Fact

1. The Respondent was born on February 27, 1954. He is certified by the American Board of Psychiatry and Neurology in Psychiatry with a Subspecialty of Child and Adolescent Psychiatry. He is a 1978 graduate of the Guntur Medical College, Nagarjuna University in India. The Respondent had been licensed to practice medicine in

Massachusetts under certificate number 155916 beginning on November 5, 1997. He was licensed to practice medicine in Massachusetts until February 27, 2001, when his license to practice medicine lapsed due to his failure to renew it.

2. The Respondent is currently licensed to practice medicine in Tennessee.

Factual Allegations

3. On September 27, 2017, the Tennessee Board of Medical Examiners (Tennessee Board) reprimanded the Respondent. The Respondent was reprimanded by the Tennessee Board after reaching an agreement with the State of Tennessee. The State of Tennessee alleged that the Respondent improperly billed for services. Without making an admission of guilt, the Respondent agreed to to pay back \$535,633.72 to the State of Tennessee.. The Tennessee Board's Consent Order, which set forth the basis for the Tennessee Board discipline, is attached hereto as Attachment A and incorporated herein by reference.

Conclusion of Law

A. The Respondent has violated 243 CMR 1.03(5)(a)12 in that he has been disciplined in another jurisdiction by the proper licensing authority for reasons substantially the same as those set forth in G.L. c. 112, § 5 or 243 CMR 1.03(5)—specifically: Pursuant to *Levy v. Board of Registration in Medicine*, 378 Mass. 519 (1979); *Raymond v. Board of Registration in Medicine*, 387 Mass. 708 (1982), the Board may discipline a physician by proof satisfactory to a majority of the Board, that a physician has engaged in conduct that undermines the public confidence in the integrity of the medical profession.

Sanction and Order

The Respondent's license is hereby reprimanded. This sanction is imposed for each violation of law listed in the Conclusion section and not a combination of any or all of them.

The Respondent waives any right of appeal that he may have resulting from the Board's acceptance of this Consent Order.

Execution of this Consent Order

The Respondent shall provide a complete copy of this Consent Order with all exhibits and attachments within ten (10) days by certified mail, return receipt requested, or by hand delivery to the following designated entities: any in- or out-of-state hospital, nursing home, clinic, other licensed facility, or municipal, state, or federal facility at which the Respondent practices medicine; any in- or out-of-state health maintenance organization with whom the Respondent has privileges or any other kind of association; any state agency, in- or out-of-state, with which the Respondent has a provider contract; any in- or out-of-state medical employer, whether or not the Respondent practices medicine there; the state licensing boards of all states in which the Respondent has any kind of license to practice medicine; the Drug Enforcement Administration Boston Diversion Group; and the Massachusetts Department of Public Health Drug Control Program. The Respondent shall also provide this notification to any such designated entities with which the Respondent becomes associated in the year following the date of imposition of this reprimand. The Respondent is further directed to certify to the Board within ten (10) days that the Respondent has complied with this directive.

The Board expressly reserves the authority to independently notify, at any time, any of the entities designated above, or any other affected entity, of any action it has taken.

CONSENT ORDER

Come now the Division of Health Related Boards of the Tennessee Department of Health (hereinafter the "Division"), by and through the Office of General Counsel, and Respondent Saranyacharyulu Mudumbi, M.D. (hereinafter "Respondent"), who would respectfully move the Tennessee Board of Medical Examiners (hereinafter the "Board") for approval of this Consent Order affecting Respondent's medical license in the State of Tennessee.

The Board is responsible for the regulation and supervision of medical doctors licensed to practice in the State of Tennessee. See Tennessee Medical Practice Act, Tennessee Code Annotated Section (hereinafter "TENN. CODE ANN. §") 63-6-101, *et seq.* It is the policy of the Board to require strict compliance with the laws of this State, and to apply the laws so as to preserve the quality of medical care provided in Tennessee. It is the duty and responsibility of the Board to enforce the Tennessee Medical Practice Act in such a manner as to promote and protect the public health, safety and welfare in every practicable way, including disciplining medical doctors who violate the provisions of TENN. CODE ANN. § 63-6-101, *et seq.* or the Rules and Regulations promulgated by the Board and recorded in the Official Compilation Rules and Regulations of the State of Tennessee (hereinafter "TENN. COMP. R. & REGS.").

Respondent, by his signature to this Consent Order, waives the right to a contested case hearing and any and all rights to judicial review in this matter. Respondent agrees that

presentation to and consideration of this Consent Order by the Board for ratification and all matters divulged during that process shall not constitute unfair disclosure such that the Board or any of its members shall be prejudiced to the extent that requires their disqualification from hearing this matter should this Order not be ratified. Likewise, all matters, admissions and statements disclosed or exchanged during the attempted ratification process shall not be used against Respondent in any subsequent proceeding unless independently entered into evidence or introduced as admissions.

Respondent expressly waives all further procedural steps and expressly waives all rights to seek judicial review of or to challenge or contest the validity of this Consent Order. Respondent understands that by signing this Consent Order, Respondent is allowing the Board to issue its order without further process. Respondent acknowledges that this is a formal disciplinary action and will be reported to the Health Integrity and Protection Data Bank and/or similar agency. In the event that the Board rejects this Consent Order for any reason, it will be of no force or effect for either party.

I. STIPULATIONS OF FACT

- 1) Respondent has been at all times pertinent hereto licensed by the Board as a medical doctor in the State of Tennessee, having been granted Tennessee medical license number 31110 by the Board on November 9, 1998, which has a current expiration date of February 28, 2018.
- 2) Respondent is a healthcare provider who participates in Tennessee's Medicaid Program (TennCare).
- 3) The Respondent entered into a settlement agreement with the State of Tennessee after the State of Tennessee alleged that during the period of January 1, 2009 through December

31, 2011, Respondent improperly submitted, or caused to be submitted, claims to the TennCare program under CRT code 90807 that were not supported by the corresponding medical records. Specifically, the State of Tennessee alleged that Respondent was seeing patients in 15 minute increments instead of the 45 minutes sessions he was billing for.

- 4) The Respondent entered into a settlement agreement with the State of Tennessee and agreed to pay \$535,633.72 to the State of Tennessee to settle the allegations that the State alleged TennCare was improperly billed.
- 5) The settlement agreement was neither an admission of liability by the Respondent nor a concession by the State of Tennessee that the claims are not well founded and was reached to avoid delay, uncertainty, inconvenience and expense of protracted litigation of the claims.

II. GROUNDS FOR DISCIPLINE

- 6) Should the facts alleged by the State of Tennessee and described above be taken as true, the facts would be sufficient to establish that grounds for discipline of Respondent's medical license exist. Although Respondent does not admit that the State of Tennessee's claims are well founded, in order to avoid delay, uncertainty, inconvenience, and the expense of protracted litigation of the claims, Respondent agrees that the facts alleged are sufficient to establish violation of the following statute, which is a part of the Tennessee Medical Practice Act, (TENN. CODE ANN. § 63-6-101, *et seq*) for which disciplinary action before and by the Board is authorized:

The facts stipulated above, when taken as true, constitute a violation of TENN. CODE ANN. § 63-6-214 (b)(1).

III. POLICY STATEMENT

The Tennessee Board of Medical Examiners takes this action in order to protect the health, safety and welfare of the people of the State of Tennessee and ensure that the public confidence in the integrity of the medical profession is preserved.

IV. ORDER

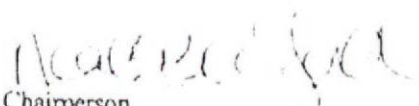

NOW THEREFORE, Respondent, for the purpose of avoiding further administrative action with respect to this cause, agrees to the following:

Any and all civil penalties shall be paid within thirty (30) days of the effective date of this Consent Order. Any and all civil penalty payments shall be paid by certified check, cashier's check, or money order payable to the **State of Tennessee**, which shall be mailed or delivered to: **Disciplinary Coordinator, The Division of Health Related Boards, Tennessee Department of Health, 665 Mainstream Drive, 2nd Nashville, Tennessee 37243**. including all costs assessed against the Board by the Division's Bureau of Investigations in connection with the prosecution of this matter.
