

# Parking at Massachusetts State Parks

## Notes:

- Patrons to DCR parks can save time by paying for parking with the YODEL App – available on any Apple or Android device.
- **IMPORTANT NOTE:** DO NOT purchase daily parking pass before arrival at the park. Lots will close when filled to capacity; advance purchase does not guarantee entry. All sales are final.
- Daily parking passes are also available via the parking payment kiosk at all parks charging a fee. (Display payment receipt face-up on vehicle dashboard.)
- All transactions require a Visa, MasterCard, or Discover credit card. (AmEx is not accepted.)
- Annual Parking Passes are available to MA residents for \$60, valid from the date of purchase until 12/31/24... For more info, go to: <https://yodelportal.com/massdcr>
- Senior Parking Passes are available to MA residents age 62+ for \$10, valid for life. For more info, go to: <https://www.mass.gov/how-to/get-a-senior-parking-pass>
- Annual Parking Passes and Senior Parking Passes are available to MA residents only. *Residency is verified by vehicle license plate, or by driver's license for seniors.*
- Cash is not accepted at DCR parks. If you do not have a credit card, consider purchasing a pre-paid credit card before your visit, or contact your local library or recreation center to ask if they participate in DCR's Library/Recreation Department Parking Pass program. If the library does not participate already, they may contact DCR for the library pass.
- For more information about YODEL, see the [Frequently Asked Questions](#)
