BOARD OF REGISTRATION IN MEDICINE**

Middlesex, ss.

Adjudicatory Case No. 2020-008
(RM-20-0119)

In the Matter of)

Zachary Forrest Solomon, M.D.)

FINAL DECISION AND ORDER

Procedural History

The Board initiated this matter by summarily suspending the Respondent's license to practice medicine on February 6, 2020. That same day, the Board issued a Statement of Allegations (SOA) against the Respondent on July 16, 2020 and referred the matter to the Division of Administrative Law Appeals (DALA).

On December 1, 2022, Complaint Counsel filed a Motion to Dismiss the Statement of Allegations. On December 2, 2022, the DALA Magistrate allowed Complaint Counsel's Motion to Dismiss, without prejudice.

Discussion

The Statement of Allegations asserts that the Respondent entered into an Interim Consent Order with Georgia Composite Medical Board (Georgia Board) on January 10, 2020. In that Consent Order, Dr. Solomon agreed to have his medical license suspended due to his arrest in Georgia on charges of rape, aggravated battery, aggravated assault, aggravated sodomy, and battery.

At the current time, public access to information regarding Dr. Solomon's criminal case is restricted due to a Georgia Superior Court Order and the Georgia Board has not taken any further action against Dr. Solomon's Georgia medical license.

Accordingly, the Board ADOPTS the Order of Dismissal and DISMISSES the February 6, 2020, Statement of Allegations WITHOUT PREJUDICE, and reserves discretion to issue a new Statement of Allegations in the event that new evidence becomes available, including but not limited to further action by the Georgia board or lifting of restrictions on public access to information concerning the Georgia criminal matter. The Temporary Order of Suspension of Dr. Solomon's license to practice medicine is also vacated.
