Board of Registration in Medicine,
Petitioner

v.
Thomas Stinson, M.D.,
Respondent

Docket No. RM-22-0316

Date: November 1, 2022

**ORDER OF DEFAULT
RECOMMENDED DECISION**

On October 11, 2022, I ordered Dr. Stinson to show cause why his appeal should not be dismissed for lack of prosecution. Not having heard from him, I dismiss his appeal.

The Board's request for an entry of default is allowed. I recommend that the Board affirm the entry of default and that judgment be entered against Dr. Stinson under G.L. c. 30A, § 10(2).
