The Sewer Rate Relief Fund operates under the provisions of Chapter 29 §2Z of the General Laws. The Fund was created in 1993 to mitigate escalating costs of sewer service in the Commonwealth. Awards were based on “eligible debt service” and were calculated at up to 20% of debt service.

In FY94, over $20 million was awarded, increasing to over $60 million in FY02. In FY03, no funds were disbursed. In FY04, $5 million was appropriated, in FY05, $10 million was appropriated and in FY06, $12.5 million is appropriated. Consequently, we anticipate awards this fiscal year will be in the range of 4% of eligible debt service.

Details of the program are unchanged. Eligible debt service is defined as:

- permanent debt issued on or after January 1, 1990 for a term greater than five years,
- for water pollution control projects

Projects which received state grants are ineligible and projects financed through MWPAT are generally ineligible.

The Division of Local Services administers the program in consultation with the Department of Environmental Protection. Applications should be submitted using the attached form and returned by Friday, September 9, 2005 to William C. Meehan, at the address below. Mr. Meehan’s telephone number is (617) 626-2382.

We are including the proposed use of award funds on the application as in FY05, rather than asking for the proposed use after the awards have been made, in an effort to simplify operation of the program.
A. RECORD OF ELIGIBLE INDEBTEDNESS:

List permanent debt issued for more than five years (i.e., do not list bond anticipation notes) on or after January 1, 1990 wholly or in substantial part to finance or refinance the costs of planning, design, or construction of any water pollution control project or part thereof required to meet the provisions of the Federal Water Pollution Control Act (33 USC, sec. 1251 et seq.) and secs. 26 to 53 inclusive of M.G.L. Ch. 21 or any wastewater collection or transportation project related thereto. Attach additional sheets if needed.

Any project for which state grants were received is ineligible.

Projects financed through the Mass. Water Pollution Abatement Trust are also ineligible unless the total debt issued through MWPAT exceeded $50,000,000 on June 30, 1995.
