# FORM 1 2014

# Give e-file a try this year!

**C'mon, admit it —  
filing paper tax returns is a hassle!**

**So forget about paper, mistakes,  
stress, and longer refund  
wait times. E-file this year!**

**There are three easy and  
convenient ways to do it:**

**1**

## **WebFile — free, easy, convenient ... and green.**

DOR's WebFile for Income program has two great features that continue to make WebFile a secure go-to filing method for Massachusetts residents. In addition to all its other great features, you'll be able to choose how much — or how little — interaction you want from WebFile. Choose to go through step-by-step or streamline your filing by identifying only those items that apply to you. Either way, it's your call!

WebFile also performs all math calculations on supporting credit schedules — just provide the basic information and let WebFile do the heavy lifting — no more need to mail in those complicated paper schedules anymore!

If you're not already a WebFile user, it's a snap to get more info on all its features — or to sign up and give it a try. Just go to the Department's main WebFile page, [mass.gov/webfile](http://mass.gov/webfile), and click on the WebFile for Income logo. Or, you can click File and Pay on DOR's website, [mass.gov/dor](http://mass.gov/dor).

**2**

## **Paid Preparers**

The majority of tax preparers recognize that their clients don't want mistakes, delays, or longer refund times so they offer e-filing for their customers. Moreover, Massachusetts law requires any preparer who completes more than 10 Massachusetts income tax returns to e-file (TIR 11-13 has a specific taxpayer opt-out provision to this law). Preparers who do file paper returns for their clients have specific requirements they must meet to avoid paying penalties and fines.

You'll find a list of DOR-approved tax preparers on the DOR website.

**3**

## **Commercial Tax Preparation Software**

You can also e-file using DOR-approved commercial tax filing products or websites. Visit our website for a complete listing of approved websites and products. Although some of these products offer a paper filing option, you may only use that option if it incorporates a 2D barcode into the right-hand corner of all pages. If you have a 2D printing issue, be sure to contact the software manufacturer for instructions before filing to avoid having your return rejected. Also, be sure to use the correct 2D barcode mailing address: PO Box 7001 for refunds/no payments or PO Box 7002 for payments. See DOR's online tax form instructions for more information.

## Major 2014 Tax Changes

### Filing Due Dates

Form 1 is due on or before April 15, 2015.

### Duty to Obtain Health Insurance; Penalty for Failure to Obtain Health Insurance

Most Massachusetts residents age 18 and over are required to have health insurance, if it is affordable to them. Residents who have access to affordable coverage but do not obtain the coverage may face state tax penalties pursuant to G.L. c. 111M, sec. 2. Adults who can afford health insurance are required to have coverage each month of the year, although 63-day gaps in coverage are allowed. The monthly penalties for failing to obtain affordable coverage for taxable year 2014 are set out in TIR 14-3 and are based on half of the minimum monthly insurance premium for which an individual would have qualified through the Connector.

Schedule HC, Health Care Information, must be completed by all full-year residents and certain part-year residents age 18 and over to notify the Department whether or not they had health insurance in each month of 2014. Taxpayers who did not have coverage for all of 2014, or had a gap in coverage of four or more consecutive months will need to determine if they had access to affordable health insurance (through an employer or the government or on their own). Worksheets and tables are available to determine whether the taxpayer had access to affordable health insurance.

If it is determined that a taxpayer could have afforded health insurance, the taxpayer has the right to appeal the application of the penalty due to hardship by requesting an appeal to the Connector on the Schedule HC.

For more information about the health care reform law, including DOR's regulation at 830 CMR 111M.2.1, Health Insurance Individual Mandate; Personal Income Tax Return Requirements, or the Connector's regulation at 956 CMR 6.00, Determining Affordability for the Individual Mandate, see the Connector's website at [mahealthconnector.org](http://mahealthconnector.org) or DOR's website at [mass.gov/dor](http://mass.gov/dor).

### 2014 Personal Income Tax Rates

The personal income tax rates to be applied against different classes of Massachusetts taxable income are established by G.L. c. 62, sec. 4. The tax rate on most classes of income is scheduled to decrease in years where the state achieves revenue growth benchmarks set forth in a formula in G.L. c. 62, sec. 4(b). Effective for tax years beginning on or after January 1, 2014, the tax rate on most

classes of taxable income is 5.2% (decreased from 5.25% for tax year 2013). However, the tax rate on short-term gains from the sale or exchange of capital assets and on long-term gains from the sale or exchange of collectibles (after a 50% deduction) remains at 12%.

### Qualifying Small Business Stock; Three-Year Holding Period

Starting with tax year 2014, gains from the sale of qualifying small business stock in certain Massachusetts-based start-up corporations are taxed at a rate of 3% (instead of 5.2%). See G.L. c. 62, sec. 4(c). In order to qualify for the lower rate, investments must have been made within 5 years of the corporation's date of incorporation and must be in stock that generally satisfies the definition of "qualified small business stock" under IRC sec. 1202(c), without regard to the requirement that the corporation be a C corporation. In addition, the stock must be held for 3 years or more and the investments must be in a corporation which:

- a. is domiciled in Massachusetts
- b. is incorporated on or after January 1, 2011, and
- c. has less than \$50 million in assets at the time of investment, and
- d. complies with certain of the "active business requirements" of sec. 1202 of the Code, i.e., sec. 1202(e)(1), (e)(2), (e)(5), and (e)(6).

As a result of the required holding period of "three years or more" for small business stock, tax year 2014 is the first year that the 3% rate is operative. For other requirements pertaining to gain from the sale of qualifying small business stock, see TIR 10-15.

### Penalty for Failure to Obtain Health Insurance; Interaction of Massachusetts Health Care Penalty with Federal Shared Responsibility Payment

Most Massachusetts residents age 18 and over are required to have health insurance, if it is affordable to them. Residents who have access to affordable coverage but do not obtain the coverage may face state tax penalties pursuant to G.L. c. 111M, sec. 2. The monthly penalties for failing to obtain affordable coverage for taxable year 2014 are set out in TIR 14-3 and are based on half of the minimum monthly insurance premium for which an individual would have qualified through the Connector.

Beginning January 1, 2014, the federal Affordable Care Act instituted a nation-wide mandate on individuals to obtain health insurance. For tax years beginning on or after January 1, 2014, if a nonexempt individual fails to obtain health insurance meeting federal standards, the person is liable for a penalty termed the "shared responsibility pay-

ment" that must be reported on his or her federal income tax return. With respect to penalties, if a taxpayer is subject to both the Massachusetts health care penalty and the federal shared responsibility payment, the taxpayer may reduce his or her Massachusetts health care penalty by the amount of any federal shared responsibility payment, so as to prevent a pyramiding of the penalties. See the Department's regulation, 830 CMR 111.M.2.1, Health Insurance Individual Mandate.

For more information about the Massachusetts health care law, see the Connector's regulation at 956 CMR 6.00, Determining Affordability for the Individual Mandate, the Connector's website at [mahealthconnector.org](http://mahealthconnector.org) or DOR's website at [mass.gov/dor](http://mass.gov/dor).

### Circuit Breaker Tax Credit Increased

A credit is allowed to an owner or renter of residential property located in Massachusetts equal to the amount by which the real estate tax payment or 25% of the rent constituting real estate tax payment exceeds 10% of the taxpayer's total income, not to exceed \$1,050. The amount of the credit is subject to limitations based on the taxpayer's total income and the assessed value of the real estate, which must not exceed \$691,000. For tax year 2014, an eligible taxpayer's total income cannot exceed \$56,000 in the case of a single filer who is not a head of household filer, \$70,000 for a head of household filer, and \$84,000 for joint filers. In order to qualify for the credit, a taxpayer must be age 65 or older and must occupy the property as his or her principal residence. See TIR 14-12 for more information.

### Community Investment Tax Credit

Effective for tax years beginning on or after January 1, 2014, a credit is allowed for qualified investments (certain cash contributions made to a community development corporation, community support organization, or a community partnership fund) made on or after January 1, 2014. The credit is equal to 50% of the total qualified investment made by the taxpayer for the taxable year. No credit is allowed to a taxpayer that makes a qualified investment of less than \$1,000. In any one taxable year, the total amount of the credit that may be claimed by a taxpayer that makes qualified investments cannot exceed \$1,000,000. The credit is refundable, or, alternatively, may be carried forward 5 years. The credit is set to expire December 31, 2019. See the Department's regulation 830 CMR 62.6M.1, Community Investment Tax Credit and the regulation issued by the Department of Housing and Community Development, 760 CMR 68.00, Community Investment Grant and Tax Credit Program, for further guidance.

### Conservation Land Tax Credit

The amount of the credit that may be claimed by a taxpayer for each qualified donation of certified land to a public or private conservation agency made on or after August 13, 2014 may not exceed \$75,000 (increased from \$50,000 for qualified donations made prior to August 13, 2014). For further guidance, see the Department's regulation 830 CMR 62.6.4, Conservation Land Tax Credit, and the regulation issued by the Executive Office of Energy and Environmental Affairs, 301 CMR 14.00, also entitled Conservation Land Tax Credit.

### Current Code Provisions

As a general rule, Massachusetts will not adopt any federal tax law changes incorporated into the Internal Revenue Code ("Code") after January 1, 2005. However, certain specific provisions of the personal income tax automatically adopt the current Code. Provisions of the Code adopted on a current Code basis are (i) Roth IRAs, (ii) IRAs, (iii) the exclusion for gain on the sale of a principal residence, (iv) trade or business expenses, (v) travel expenses, (vi) meals and entertainment expenses, (vii) the maximum deferral amount of government employees' deferred compensation plans, (viii) the deduction for health insurance costs of self-employed, (ix) medical and dental expenses, (x) annuities, (xi) health savings accounts, and (xii) employer-provided health insurance coverage and amounts received by an employee under a health and accident plan. See TIRs 98-8, 02-11, 07-4, and 09-21 for further details on the Massachusetts personal income tax current Code provisions.

### Parking, Combined Commuter Highway Vehicle Transportation and T-Pass Fringe Benefit — IRC sec. 132(f)

Massachusetts follows IRC sec. 132(f) as amended and in effect under the January 1, 2005 Code. For tax year 2014, the IRS has calculated, based on inflation adjustments contained in the January 1, 2005 Code, the 2014 exclusion amounts for employer-provided parking and combined transit pass and commuter highway vehicle transportation benefits as \$250 and \$130 per month respectively. Massachusetts adopts these 2014 tax year monthly exclusion amounts because they are based on the January 1, 2005 Code. For further discussion, see TIR 14-2.

### IRC Sec. 179 Election to Expense Certain Depreciable Business Assets

As a trade or business deduction, IRC sec. 179 is adopted by Massachusetts on a current Code basis. For property placed in service in tax years beginning after December 31, 2013 and before January 1, 2015, the maximum section 179 expensing allowance is \$500,000.

### Federal Deduction — Not Allowed Federal "Bonus" Depreciation — IRC sec. 168(k)

Under 2002 legislation, Massachusetts decoupled from bonus depreciation allowed under IRC sec. 168(k), as amended and in effect for the current year. Therefore, Massachusetts does not adopt this additional depreciation deduction. See TIRs 02-11 and 03-25 for further details.

### Federal Deduction — Not Allowed Domestic Production Activity Deduction — IRC sec. 199

For federal income tax purposes, a business entity that pays wages to employees and conducts eligible domestic production activities is allowed a deduction for domestic production activities under IRC sec. 199. Generally, in the case of a non-corporate taxpayer, the deduction allows a business with qualified production activities to deduct 9% of its U.S. adjusted gross income. Under 2004 legislation, Massachusetts de-coupled from the production activity deduction allowed under IRC sec. 199, as amended and in effect for the current year. Therefore, Massachusetts does not adopt the federal domestic production activity deduction. See TIR 05-5.

### Federal Tax Provisions That Congress May Extend or Change

It is possible that Congress could make further changes to the Internal Revenue Code after the publication of these form instructions. Certain items such as the federal exclusion for qualified charitable distributions from an Individual Retirement Account ("IRA"), IRC sec. 408(d)(8), have expired for 2014 but may be extended by Congress later this year. The Department will provide guidance on any additional changes to the Code that affect the provisions of the Massachusetts personal income tax for tax year 2014.

## Privacy Act Notice

Under the authority of 42 U.S.C. sec. 405(c)(2)(C)(i), and M.G.L. c. 62C, sec. 5, the Department of Revenue has the right to require an individual to furnish his or her Social Security number on a state tax return. This information is mandatory. The Department of Revenue uses Social Security numbers for taxpayer identification to assist in processing and keeping track of returns and in determining and collecting the proper amount of tax due. Under M.G.L. c. 62C, sec. 40, the taxpayer's identifying number is required to process a refund of overpaid taxes. Although tax return information is generally confidential pursuant to M.G.L. c. 62C, sec. 21, the Department of Revenue may disclose

return information to other taxing authorities and those entities specified in M.G.L. c. 62C, secs. 21, 22 or 23, and as otherwise authorized by law.

## Filing Your Massachusetts Return

If you were a legal resident of Massachusetts and your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts — you are required to file a Massachusetts income tax return. If your gross income was \$8,000 or less, you do not need to file a return.

If you did not live in Massachusetts but received Massachusetts source income in excess of your personal exemption amount multiplied by the ratio of your Massachusetts income to your total income, you must file as a nonresident on the Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

If, during the taxable year, you either moved to Massachusetts or terminated your status as a Massachusetts resident to establish residency outside the state, and your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts — you must file as a part-year resident on the Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

### What Is Gross Income?

**Massachusetts gross income includes the following:**

- ▶ all wages, salaries, tips, bonuses, fees and other compensation;
- ▶ taxable pensions and annuities;
- ▶ pension income from another state or political subdivision before any deduction;
- ▶ taxable IRA/Keogh and Roth IRA distributions;
- ▶ alimony;
- ▶ income from a business, trade, profession, partnership, S corporation, trust or estate;
- ▶ rental, royalty and REMIC income;
- ▶ unemployment compensation;
- ▶ taxable interest and dividends;
- ▶ gambling winnings;
- ▶ capital gains;
- ▶ forgiveness of debt;
- ▶ mortgage forgiveness;
- ▶ taxable portion of scholarships and fellowships; and
- ▶ any other income not specifically exempt.

**Massachusetts gross income also includes the following, which are not subject to U.S. income tax:**

- ▶ interest from obligations of states and their political subdivisions, other than Massachusetts and its political subdivisions; and
- ▶ income earned by a resident from foreign employment.

**Massachusetts gross income does not include:**

- ▶ interest on obligations of the U.S. and U.S. territories;
- ▶ Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions.
- ▶ amounts received as U.S. Social Security, public welfare assistance, Veterans Administration disability payments, G.I. Bill education payments, certain worker's compensation, gifts, accident or life insurance payments, or certain payments received by Holocaust survivors; and
- ▶ compensation earned by members of the armed forces for service in a combat zone (excluded to the same extent as under federal law).

### Am I a Resident, Nonresident, or Part-Year Resident?

There are three different categories of resident status under Massachusetts tax law:

1. You are a **Full-Year Resident** if your legal residence (domicile) is in Massachusetts or if you maintain a permanent place of abode in Massachusetts and during the year spend more than 183 days, in the aggregate, in the state. If you fit this description you should file a Massachusetts Resident Income Tax Return, Form 1.
2. You are a **Nonresident** if you were not a resident of Massachusetts but earned Massachusetts income (e.g., from a job in Massachusetts). You must report such income by filing a Massachusetts Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.
3. You are a **Part-Year Resident** if you either moved into or moved out of Massachusetts during the taxable year. In this case, you must reduce certain income, deductions and exemptions based on the number of days you were a resident or on the amount of your income that is subject to Massachusetts tax. Part-year residents must file a Massachusetts Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

If **both** categories 2 and 3 apply to you, you will have to **file both** as a nonresident and as a part-year resident. In these cases, you must file **one** Massachusetts Form 1-NR/PY and complete the Resident/Nonresident Worksheet, Schedule R/NR, to calculate the portion of income earned while a part-year resident and the portion of income earned while a nonresident. If you are required to **file as both** a part-year resident and a nonresident, be sure to fill in the oval below the address section

of Form 1-NR/PY to indicate that you are completing Schedule R/NR and enclose Schedule R/NR with your return.

See TIR 95-7 for more information regarding resident status. For information on how to file as a part-year resident/nonresident, visit DOR's website at [mass.gov/dor](http://mass.gov/dor) or call (617) 887-MDOR or toll-free in Massachusetts 1-800-392-6089.

### Are Military Personnel Required to File?

If you enlisted in the service as a Massachusetts resident and have not established a new domicile (legal residence) elsewhere (refer to military guidelines), and if your gross income is more than \$8,000, you are required to file a Massachusetts resident income tax return. This applies even though you may be stationed outside of Massachusetts. The terms "legal residence" and "domicile" are used to denote that place where you have your permanent home and to which, whenever you are absent, you have the intention of returning. Nonresident military personnel stationed in Massachusetts may be subject to Massachusetts taxes and should file Form 1-NR/PY if they earn income from outside military sources.

**Military Spouses:** On November 11, 2009, the Military Spouses Residency Relief Act (P.L. 111-97) was enacted. For tax years beginning on or after January 1, 2009, the Act prohibits a servicemember's spouse from either losing or acquiring a residence or domicile for purposes of taxation because of being absent or present in any U.S. tax jurisdiction solely to be with the servicemember in compliance with the servicemember's military orders. In general, for Massachusetts tax purposes, the new law will affect only servicemembers and their spouses who are domiciled in a state other than Massachusetts. For more information see TIR 09-23.

The following example illustrates circumstances under which military pay is or is not taxable in Massachusetts. No guidance is intended on the tax treatment of such pay under the laws of other states. Generally, when income is taxable in two jurisdictions, a credit for taxes paid to the other jurisdiction is allowed on the taxpayer's return in the state of his/her residence.

**Example:** *Betsy enlisted in the Navy in Massachusetts, but moved with her husband, Eric, from Massachusetts to Delaware when she was stationed there. They did not change their domicile to Delaware. She received military income while her husband received income working as a reporter for a local newspaper.*

*Betsy's income from the Navy, as well as her husband's income from the newspaper, are both sub-*

*ject to Massachusetts income tax since she enlisted in the Navy in Massachusetts and they did not become legal residents of Delaware. Betsy and her husband are, therefore, Massachusetts residents, and any income they receive, whether derived in Massachusetts or not, is included in their Massachusetts gross income.*

### What Are the Rules for Filing a Joint Return?

A joint Form 1 is not allowed if both spouses were not Massachusetts residents for the same portion of 2014.

If your spouse died during 2014, you may still choose to file a joint return.

If you are legally married, you have the option of filing either a joint return or a married filing separate return. Married taxpayers who file a joint return are allowed to claim the following exemptions, deductions and credits which married taxpayers filing separate returns may not claim:

- ▶ a deduction of \$3,600 (\$7,200 for two or more dependents) for a dependent member of household under age 12, or dependent age 65 or over as of December 31, 2014 (not you or your spouse) or a disabled dependent;
- ▶ No Tax Status if joint Massachusetts AGI was \$16,400 or less plus \$1,000 for each dependent;
- ▶ Limited Income Credit if joint Massachusetts AGI is between \$16,400 and \$28,700 plus \$1,750 for each dependent;
- ▶ excess unused exemptions against interest income (other than interest from Massachusetts banks), dividends or capital gain income; and
- ▶ a senior circuit breaker tax credit which allows senior citizens meeting certain eligibility criteria to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent, and which they occupy as their principal residence. The credit is the amount by which the real estate tax payment or 25% of the rent constituting real estate tax payments exceeds 10% of their total income, but not more than \$1,050. The credit is refundable to the extent the credit exceeds the taxpayer's tax liability.

### How Do I File a Decedent's Return?

A final income tax return must be filed for a taxpayer who died during the taxable year. This return should include income received until date of death. It must be signed and filed by his/her executor, administrator or surviving spouse for the portion of the year before the taxpayer's death. Be sure to fill in oval 1 if the taxpayer who was listed first on last year's income tax return is deceased, or oval 2 if the taxpayer who was listed second on

## 6 Line by Line Instructions

last year's income tax return is deceased. Also, enclose Form M-1310, Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer, with the refund claimant's name and Social Security number clearly printed.

A joint return may be filed by a surviving spouse. In the case of the death of both spouses, a final return must be filed by their legal representative.

Any income of \$100 or more received for the decedent for the taxable year after the decedent's death, and for succeeding taxable years until the estate is completed, must be reported each year on Massachusetts Form 2, Massachusetts Fiduciary Income Tax Return. Form 2 is available online at [mass.gov/dor](http://mass.gov/dor).

If the decedent's return shows a refund due, and if the Probate Court has not appointed a legal representative and none is contemplated, a Massachusetts Form M-1310 must be enclosed with the return so the refund check may be made payable to the proper person.

### Should I Make Estimated Tax Payments in 2015?

Every resident or nonresident who expects to pay more than \$400 in Massachusetts income tax on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using WebFile for Income by visiting [mass.gov/dor](http://mass.gov/dor) or by filing Massachusetts Form 1-ES. See line 38 instructions and TIR 04-25 for more information.

## When to File Your Return

Your 2014 Massachusetts Form 1 is due on or before April 15, 2015.

### Automatic Extension Granted if 100% of the Tax Due is Paid by the Tax Return Due Date

If line 3 of the following Form 1 Extension Worksheet is "0" and 100% of the tax due for 2014 has been paid through:

- ▶ withholding;
- ▶ timely estimated payments of tax;
- ▶ credits from your 2014 return; and
- ▶ an overpayment from the prior tax year applied to the next year's estimated tax,

you are no longer required to file Form M-4868, Application for Automatic Extension of Time to File Massachusetts Income Tax Return. However, if you do choose to file Form M-4868 in this instance,

you must do so electronically, via DOR's website. See TIR 06-21 for more information.

Also, if you owe no tax or you are making a payment of \$5,000 or more, you are required to file your extension electronically, either through E-File or via the web. Failure to do so will result in a penalty. If you are making a payment of less than \$5,000, you also have the option of filing your extension electronically. If there is a tax due with your extension, payment can be made through Electronic Funds Withdrawal.

Visit [mass.gov/dor](http://mass.gov/dor) to file via the Web.

#### Form 1 Extension Worksheet

1. Enter amount from Form 1, line 31 \_\_\_\_\_
2. Enter the total of Form 1, lines 36 through 38 and 40 through 42. . . . . \_\_\_\_\_
3. Amount due. Subtract line 2 from line 1, not less than "0" . . . . . \_\_\_\_\_

**Note:** Your extension will not be valid if you fail to pay 80% of your total tax liability through withholding, estimated tax payments or with your extension. Form M-4868 is available at [mass.gov/dor](http://mass.gov/dor) or by calling (617) 887-MDOR or toll-free in Massachusetts 1-800-392-6089.

### Must I File on a Calendar Year Basis?

No. You may file on a fiscal year basis if you keep your books and records on that fiscal year basis and if you receive permission from the Commissioner of Revenue. If you file on a fiscal year basis, you must file on or before the fifteenth day of the fourth month after the end of your fiscal year. Taxpayers filing on a fiscal year basis must complete and file Form 13, Notice of Designation of Fiscal Year, available at [mass.gov/dor](http://mass.gov/dor) or by calling (617) 887-MDOR or toll-free in Massachusetts 1-800-392-6089.

### Fiscal Year Filers and Short Year Filers

File the 2014 return for calendar year 2014 and fiscal years that began in 2014 and ended in 2015. For a fiscal year return, fill in the tax year space at the top of page 1. Short year filers should file using the tax form for the calendar year within which the short year falls. If the short year spans more than one calendar year, the filer should file using the tax form for the calendar year in which the short year began. If the current form is not available at the time the short year filer must file, the filer should follow the rules explained in TIR 11-12.

### What Should I Do If I Make a Mistake or Leave Something Off My Return?

If, after filing your income tax return, you receive an additional tax statement or discover that an

error was made, **do not submit a second tax return**. If corrections are necessary, go to [mass.gov/dor/amend](http://mass.gov/dor/amend).

### What If I am Unable to Pay?

If you are unable to pay the full amount of tax that you owe, you should pay as much of your tax liability as possible with this return. You will receive a bill from the Department for the remaining amount of tax due plus accrued interest and penalty charges. If the amount of that bill is less than \$5,000 and you still cannot pay it in full, you must apply formally to the Department for a small payment agreement in order to avoid collection activity. You can apply for a small payment agreement by visiting WebFile for Income at [mass.gov/dor](http://mass.gov/dor).

**Note:** Do not mail your request for a payment agreement with your tax return. Requests can be made once a bill is issued through DOR's WebFile for Income application at [mass.gov/dor](http://mass.gov/dor) or by calling the Department at (617) 887-MDOR or toll-free in Massachusetts 1-800-392-6089 using the Department's Interactive Voice Response (IVR) system. Setting up a small payment agreement will allow you to make monthly payments within a set time period to satisfy your unpaid liability.

### Name and Address

Print the full name, address, and Social Security number of each person filing the return in the spaces provided. Enter names as they appear on your federal return. Be sure to retain the four-digit Personal Identification Number (PIN) printed on the back cover. You will need it to use DOR's Web-based and/or Interactive Voice Response (IVR) applications, such as checking the status of your refund.

### Social Security Number(s)

Be sure to enter your Social Security number(s) on your return. Also, enter your Social Security number on pages 2 and 3 of Form 1 and on page 2 of Schedules B or C, if filed. Failure to show the correct Social Security number in the space provided will delay the processing of your return. If filing jointly, list your numbers in the order they appear on your federal return. Taxpayers filing their U.S. return using an Individual Taxpayer Identification number (ITIN) should enter that ITIN as their Social Security number in the appropriate space. Also, be sure your employer has listed the correct Social Security number on your Form W-2. If you are married, you must list your spouse's Social Security number even if you are filing a separate return.

To apply for an SSN, you must complete Form SS-5. Form SS-5 is available online at [socialsecurity.gov](http://socialsecurity.gov), from your local Social Security Administration (SSA) office, or by calling the SSA at 1-800-772-1213. It usually takes about two

weeks to receive an SSN. If you are a nonresident or resident alien and you do not have and are not eligible to get an SSN, you must apply for an ITIN. For details on how to do so, see Form W-7 and its instructions. Form W-7 is available online at [irs.gov](http://irs.gov) or by calling the IRS at 1-800-829-1040. It usually takes about four to six weeks to receive an ITIN.

### Voluntary Contribution to State Election Campaign Fund

You, and your spouse if filing jointly, may voluntarily contribute \$1 each to the State Election Campaign Fund. The purpose of this fund is to provide limited public financing for campaigns of eligible candidates for statewide and elective office. This contribution will not change your tax or reduce your refund.

### Veterans Benefits

Fill in the appropriate oval(s) for you, and/or your spouse if married filing a joint return, if you are a veteran who served in the Armed Forces of the United States in active service as part of Operation Enduring Freedom, Operation Iraqi Freedom or Operation Noble Eagle and were discharged under honorable conditions and were domiciled for six months in Massachusetts immediately prior to entry into the Armed Forces. The Department of Revenue will then forward the name and address to the Department of Veterans' Services and the adjutant general of the Massachusetts National Guard to verify eligibility for any benefits you may be entitled to.

### Deceased Taxpayer

Be sure to fill in the appropriate oval if a taxpayer died during the taxable year. For further information, refer to the section "How Do I File a Decedent's Return?"

### Under Age 18

If you are under age 18 as of January 1, 2015, be sure to fill in the oval(s).

### Name/Address Change

If you legally changed your name or address in 2014, fill in the oval. If you changed your name, enclose a copy of your Social Security card or driver's license showing your new name. Failure to include this documentation could delay processing of your return. If you move after filing, be sure to leave a forwarding address with your local post office and file a Change of Address Form with the Massachusetts Department of Revenue. This form is available to be filed online at [mass.gov/dor](http://mass.gov/dor), or by calling (617) 887-MDOR or toll-free in Massachusetts 1-800-392-6089.

### Federal Adjusted Gross Income

Enter your federal adjusted gross income (from U.S. Form 1040, line 37; Form 1040A, line 21; or Form 1040EZ, line 4). If married filing separately **and** living in the same household, each spouse must combine their income figures from their separate U.S. returns when completing this section. If you did not have a requirement to file a U.S. return, you must enter "0" in this section.

**Note:** Failure to enter this information will delay the processing of your return.

### Noncustodial Parent

Fill in this oval if you are a "noncustodial parent." A noncustodial parent is defined as a person who has a minor child, but does not live with the child.

**Note:** If you are the biological parent of a child, but your parental rights have been terminated, you are not the noncustodial parent of that child.

### Schedule TDS — Inconsistent Filing Position Penalty

Fill in the oval and attach Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at [mass.gov/dor](http://mass.gov/dor). The inconsistent filing position penalty (see TIR 06-5, section IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must "disclose the inconsistency" when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attributable to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an "inconsistent position" when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in that other state "is the same in all material respects" as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

**Note:** Lines without specific instructions are considered to be self-explanatory.

### Line 1. Filing Status

**Note:** More than one filing status may apply to you. If so, you may wish to figure your taxes based upon more than one filing status to see which status is to your benefit.

#### Single

Fill in the "Single" oval if you were single as of December 31, 2014. This status applies to you if

at the close of the taxable year you fit into any of the following categories:

- ▶ you were unmarried;
- ▶ you were a widow or widower whose spouse died before 2014; or
- ▶ you were legally separated under a final judgment of the probate court.

Please note that you are not single if: (1) you have obtained a judgment of divorce which has not yet become final; (2) you have a temporary support order; or (3) you and your spouse simply choose to live apart.

### Married Filing Joint Return

Fill in the "Married filing joint return" oval if you were legally married as of December 31, 2014. Both spouses are responsible for the accuracy of all information entered on a joint return and both must sign. A joint return is allowed even if only one spouse had income or if one spouse died during 2014. For further information, refer to the section "What Are the Rules for Filing a Joint Return?"

### Married Filing Separate Return

Fill in the "Married filing separate return" oval if you were legally married as of December 31, 2014, and if you and your spouse are not filing a joint return. Be sure to enter your spouse's Social Security number in the space provided.

### Head of Household

Fill in the "Head of household" oval if you qualify to file this status federally. This status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person, such as a child who lived with you or your dependent parent. Be sure to include such qualifying person on Schedule DI, Dependent Information. Certain married people who lived apart from their spouse for the last six months of 2014 and who meet all of the other federal requirements may also be able to use this status. See IRS Publication 501, Exemptions, Standard Deduction, and Filing Information, for more information.

### Custodial Parent

Fill in the Custodial parent who has released claim to exemption for child(ren) oval if you are claiming the head of household filing status and you have released your claim to one or more dependent exemptions on IRS Form 8332, or participated in a decree or agreement to allow the noncustodial parent to claim a dependency exemption.

### Whole Dollar Method Required

The Department of Revenue requires that the whole dollar method be used for entries made on forms or schedules. For example, amounts between \$1.00 and \$1.49 should be entered as \$1.00

and amounts between \$1.50 and \$2.00 should be entered as \$2.00. However, calculations on worksheets used to reach amounts shown on the return may be made in one of two ways: (1) round amounts before adding them up and enter the resulting total on the form, or (2) add amounts to the penny, and then round to the whole dollar for entry on the form. Either method is acceptable as long as one method is used consistently throughout the return.

## Line 2. Exemptions

### Line 2a: Personal Exemptions

Each taxpayer is entitled to claim a personal exemption. The amount of your personal exemption depends on your filing status in line 1.

- ▶ If you are single or married filing a separate return, enter \$4,400 in line 2a.
- ▶ If filing as head of household, enter \$6,800 in line 2a.
- ▶ If married filing a joint return, enter \$8,800 in line 2a.

### Line 2b: Number of Dependents

You may claim a \$1,000 exemption for each of your dependents if you claimed them on your U.S. return. Enter in the box in item b the number of dependents you listed on U.S. Form 1040, line 6c or U.S. Form 1040A, line 6c. Do not include yourself or your spouse. Then, multiply that total by \$1,000 and enter the total amount in line 2b. Be sure to fill out Schedule DI, Dependent Information, if you are claiming a dependent exemption(s). Failure to do so will delay the processing of your return.

**Note:** Only one person (or married couple filing jointly) may claim the dependent exemption for any one child or other dependent.

In a few cases, the number of dependents claimed for Massachusetts purposes and for U.S. purposes may differ. Massachusetts allows a dependent exemption for each individual who qualifies for exemption as a dependent under sec. 151(c) of the Code. For purposes of sec. 151(c), the definition of dependent in sec. 152 is adopted. Under federal law, there are additional restrictions on the dependent exemption beyond the rules of sec. 152 that are not adopted by Massachusetts. For Massachusetts tax purposes, if an individual qualifies as a dependent under the rules of sec. 152, you can claim a dependent exemption for such a person. If you claim such a dependent in Massachusetts, increase the number reported in item b from your U.S. return by the number of such additional dependents.

### Line 2c: Age 65 or Over Before 2015

You are allowed an additional \$700 exemption if you were age 65 or over before January 1, 2015. If your spouse was age 65 or over and you are filing a joint return, you may also claim a \$700 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of persons age 65 or over in the small box. Multiply that total by \$700 and enter the total in line 2c.

### Line 2d: Blindness Exemption

You are allowed an additional \$2,200 exemption if you are legally blind. If your spouse is also legally blind and you are filing a joint return, you may also claim a \$2,200 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of blindness exemptions in the small box. Multiply that total by \$2,200 and enter the total in line 2d.

### Legal Definition of Blindness

You are legally blind and qualify for the blindness exemption if your visual acuity with correction is 20/200 or less in the better eye, or if your peripheral field of vision has been contracted to a 10-degree radius or less, regardless of visual acuity.

### Line 2e: Other: Medical/Dental Expenses and Adoption Agency Fee

You may claim an exemption for medical and dental expenses paid during 2014 only if you itemized these expenses on your U.S. Form 1040, Schedule A. If you are married filing a joint U.S. Form 1040, you must file a joint Massachusetts Form 1 to claim this exemption. Enter in line 2e, item 1 the amount reported on your U.S. Form 1040, Schedule A, line 4.

If you paid adoption fees to a licensed adoption agency during 2014, you are eligible for an exemption of the total amount of the fees paid during the year. Fees paid during 2014 to an agency licensed to place children for adoption on account of the adoption process of a minor child regardless of whether an adoption actually took place during 2014 should also be included for this exemption. Enter this amount in line 2e, item 2.

Add items 1 and 2 and enter the total in line 2e.

### Line 2f: Total Exemptions

Add items 2a through 2e and enter the total in line 2f. This amount should also be entered on line 18 of Form 1.

## 5.2% Income

**Note:** DOR and the IRS maintain an extensive exchange program, routinely sharing computer tapes and audit results. Discrepancies between income, deductions, and schedules reported federally and on this return, except those allowed under state

law, will be identified and may result in a state audit or further investigation.

## Line 3. Wages, Salaries, Tips and Other Employee Compensation

Report in line 3 total state wages and allocated tips from Form(s) W-2. Income earned by a Massachusetts resident in another state is subject to taxation in Massachusetts. Generally, your total wages and allocated tips will be the same amount reported on your U.S. 1040 or 1040A, line 7; or 1040EZ, line 1.

**Note:** Following are instances that require an adjustment to these amounts:

### Massachusetts Legal Residents Working in a Foreign Country

Income earned by a Massachusetts resident in a foreign country is subject to taxation in Massachusetts. If you excluded part or all of the compensation earned in a foreign country on your U.S. return (under Section 911 of the U.S. IRC), you must include any such amount in line 3 for Massachusetts tax purposes.

### State or Local Employees Contributing to Pension Plans

If you are a Massachusetts state, city, town or county employee and contributed to your pension plan, enter in line 3 the Massachusetts W-2 state wage amount. This is generally box 16 of Form W-2. This amount will be higher than the U.S. amount because your pension contributions are excluded from your income for U.S. tax purposes. Contributions up to \$2,000 per taxpayer may still be deducted in lines 11a and/or 11b.

## Line 4. Taxable Pensions and Annuities

Income from most private pensions or annuity plans is taxable in Massachusetts. Certain government pensions, however, are exempt under Massachusetts law. In general, exempt pensions include contributory pensions from the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions, and noncontributory military pensions. The following section describes some specific pensions which are exempt. If your pension is exempt, enter "0" in line 4 and note the source on the dotted line to the left.

If your pension is not exempt, you should generally enter in line 4 the taxable amount reported on your U.S. Form 1040, line 16b, or U.S. Form 1040A, line 12b. In some cases, however, Massachusetts law requires an adjustment to the federal amount. Distributions from annuity, stock bonus, pension, profit-sharing or deferred payment plans or contracts described in Sections 403(b) and 404 of the U.S. IRC must be adjusted to account for your con-

tributions that have been previously taxed. Subtract from such income (as reported on your U.S. Form 1040, line 16a, or U.S. Form 1040A, line 12a) the amount of your contributions which was previously taxed by Massachusetts until the total of your taxed contributions is received. If your pension falls into this category, enter the adjusted amount in line 4. If you are receiving distributions from an IRA or Keogh plan, do not report the income here; instead, see the instructions for Schedule X, line 2.

**Note:** Massachusetts does not tax Social Security income; therefore, you should not report such income on Massachusetts Form 1.

### What pensions are exempt?

- ▶ Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions.
- ▶ Pensions from other states or its political subdivisions which do not tax such income from Massachusetts or its political subdivisions may be eligible to be deducted from Massachusetts taxable income. This pension income, however, should be reported in line 4. Refer to Schedule Y, line 13 instructions to determine eligibility for this deduction.
- ▶ Noncontributory pension income or survivorship benefits received from the U.S. uniformed services (Army, Navy, Marine Corps, Air Force, Coast Guard, commissioned corps of the Public Health Service and National Oceanic and Atmospheric Administration) is exempt from taxation in Massachusetts.
- ▶ Massachusetts state court judges who were appointed on or after January 2, 1975 are participants in the Massachusetts contributory retirement system and their pensions are nontaxable. State court judges who were appointed prior to January 2, 1975 receive taxable noncontributory pensions.

If you retired under Chapter 32, Sections 56–60 of Massachusetts General Laws and are a veteran who began Massachusetts state service prior to July 1, 1939, all or part of your pension income may be subject to tax. If you elected to receive your proceeds from contributions in one lump-sum distribution, your original contributions to the retirement system are not taxable. Noncontributory pension income received after a lump-sum distribution is fully taxable and should be reported in line 4.

### How do I report lump-sum distributions?

If you were an employee of the U.S., Massachusetts or one of its political subdivisions and left public employment prior to retirement, you are not required to report as income the lump-sum distribution of your previously-taxed pension contributions.

**Lump-sum distributions** of qualified employee benefit plans in excess of the employee's contributions which were previously subject to Massachusetts tax (or not previously excluded from Massachusetts tax) must be reported in line 4. Generally, qualified rollovers are not taxable in Massachusetts to the extent they are not taxable on your U.S. return. Lump-sum distributions related to IRA/Keogh and Roth IRA distributions should be reported in line 9, "Other Income (from Schedule X)."

**Rollover from a traditional IRA to a Roth IRA.** Taxpayers are allowed to make partial or complete rollovers from existing IRAs to Roth IRAs. Any taxable portion of these rollovers included in federal gross income is also included in Massachusetts gross income, except for amounts previously subject to Massachusetts personal income tax. See Schedule X, line 2 instructions for further details.

### Line 5. Interest from Massachusetts Banks

Enter in line 5a the total amount of interest received or credited to deposit accounts (term and time deposits, including certificates of deposit, savings accounts, savings shares, and NOW accounts) in Massachusetts banks. Then, enter your exemption amount in line 5b (if married filing jointly, enter \$200; otherwise, enter \$100). Subtract line 5b from 5a and enter the result in line 5, but not less than "0."

**Note:** This exemption amount does not apply to your U.S. tax return.

Do **not** subtract interest forfeited or penalties charged to you for early savings withdrawal. You will be allowed to deduct these amounts on Schedule Y, line 2. All other interest, unless exempt, should be entered on Massachusetts Schedule B. Interest on an IRA/Keogh is not taxable until distributed.

**Lines 6, 7 and 10.** If showing a loss in lines 6, 7 or 10, be sure to mark over the "X" in the box to the left. Do not use parentheses or negative signs to indicate losses.

### Line 6. Business/Profession or Farm Income or Loss

Enter in line 6 the amount of income or loss from a business or profession from Massachusetts Schedule C, line 31. You must enclose Massachusetts Schedule C with this return.

**Note:** U.S. Schedules C or C-EZ are no longer allowed as a substitute for Mass. Schedule C.

If you operate a farm as an individual or cooperative, enter the amount of income or loss from operating a farm from U.S. Schedule F, Profit or Loss from Farming, line 34. Enclose a copy of U.S.

Schedule F. Complete a pro-forma U.S. Schedule F to report Massachusetts differences, such as bonus depreciation.

### Line 7. Rental, Royalty, REMIC, Partnership, S Corporation, Trust Income or Loss

For tax years beginning on or after January 1, 2008, any taxpayer with income or loss reported on a Schedule E must file his or her tax return using computer-generated forms produced by third-party software. The tax return may be generated by the taxpayer or by a tax professional. The taxpayer is encouraged, but not required, to submit the return electronically. Paper forms produced using the third-party software product will contain a two-dimensional (2D) bar code and will also be accepted. If the taxpayer hires an income tax preparer to complete the taxpayer's taxes, the preparer must follow the Commissioner's electronic filing rules. See TIR 08-22 for more information.

If you do not have access to a software package when filing your 2014 income tax return, you may file your Schedule(s) E on paper. Visit our website at [mass.gov/dor](http://mass.gov/dor) to download a paper copy of the 2014 Schedule(s) E, E-1, E-2, E-3 (and instructions) to file with your income tax return.

### Line 8a. Unemployment Compensation

If you received unemployment compensation, enter in line 8a the amount from U.S. Form 1040, line 19; 1040A, line 13; or 1040EZ, line 3. If you elected voluntary withholding of Massachusetts state income taxes on your unemployment compensation, be sure to include the amount of Massachusetts state income tax withheld, as reported on Form 1099-G, on Form 1, line 36 and attach with a single staple, where indicated on the return, Form 1099-G.

**Note:** DOR routinely matches the amounts in line 8a with files from the Division of Unemployment Assistance.

### Line 8b. Massachusetts State Lottery Winnings

Enter in line 8b all winnings from the Massachusetts state lottery. Do not enter less than "0." You may only deduct the price of your winning ticket. Lottery losses claimed as itemized deductions on U.S. Form 1040, Schedule A are not allowed on your Massachusetts return.

**Note:** DOR routinely matches the amounts in line 8b with files from the Lottery Commission.

**Line 9. Other Income (from Schedule X)**

**Alimony Received, Taxable IRA/Keogh and Roth IRA Conversion Distributions, Other Gambling Winnings, Fees and Other 5.2% Income**

“Other 5.2% income” includes the items listed above and must be included on Schedule X. Enter the total from Schedule X, line 5. Not less than “0.” Be sure to enclose Schedule X with your return. Failure to enclose this schedule will delay the processing of your return.

**Deductions**

**Lines 11 through 15**

Massachusetts allowable deductions differ from “Itemized Deductions” on Schedule A of U.S. Form 1040. You may claim only the deductions specified on Massachusetts Form 1, lines 11 through 14 and Schedule Y.

Please read the instructions for lines 12 and 13 to determine which deduction you qualify for or which is better for you. You cannot claim a deduction in both lines 12 and 13.

You are not allowed to deduct amounts unless they are directly related to income that is subject to taxation and reported on Massachusetts Form 1.

**Line 11. Amount Paid to Social Security (FICA), Medicare, Railroad, U.S. or Massachusetts Retirement Systems**

If you have paid into any of the retirement systems listed above during 2014, you may deduct those contributions, up to a maximum of \$2,000.

Enter in lines 11a and 11b the amount you, and your spouse if filing jointly, paid to Social Security (FICA), Medicare or Railroad Retirement and the U.S. or Massachusetts retirement systems during 2014 as shown on your Form W-2, but not more than \$2,000 each. Payment amounts may not be combined or transferred from one spouse to the other. Be sure to add any amount of Medicare tax withheld as shown on Form W-2 and any amount of self-employment tax as reported on your U.S. Form 1040 to the amount of Social Security tax withheld, the total not to exceed \$2,000 per person.

**Note:** Medicare premiums deducted from your Social Security or retirement payments are **not** deductible.

Payments to an IRA, Keogh, Simplified Employee Pension Plan (SEP), or Savings Incentive Match Plan for Employees (SIMPLE) Account are not deductible for Massachusetts income tax purposes.

**Line 12. Child Under Age 13, or Disabled Dependent/Spouse Care Expenses**

Massachusetts allows taxpayers to exceed the federal limit on employment-related expenses for the care of a qualified child under the age of 13, a disabled dependent or a disabled spouse. The maximum deduction is \$4,800 for one qualifying individual, and \$9,600 for two or more qualifying individuals. Complete the following Form 1, Line 12 Worksheet to calculate your Massachusetts child or disabled dependent/spouse care expense deduction.

**Note:** You cannot claim this deduction if married filing a separate U.S. 1040 or 1040A return. If you are filing a joint U.S. 1040 or 1040A return but are married filing separately for Massachusetts purposes, either spouse may claim the deduction for expenses he or she incurred, but their combined deduction cannot exceed \$4,800 for one qualifying individual or \$9,600 for two or more qualifying individuals.

Taxpayers who received dependent care benefits should complete a pro forma U.S. Form 2441. When completing this pro forma form, taxpayers should enter \$4,800 (or \$9,600 for two or more qualifying persons) in line 27 of U.S. Form 2441. The amount from this pro forma Form 2441, line 31 should then be entered in line 1 of the following worksheet.

**Form 1, Line 12 Worksheet. Child Under 13 or Disabled Dependent/Spouse Care Deduction**

1. Enter the amount of qualified expenses you incurred and paid in 2014 for a qualifying person(s). This amount may exceed the federal limit of \$3,000 for one qualifying person or \$6,000 for two or more persons. However, do not enter more than \$4,800 for one qualifying person or \$9,600 for two or more persons . . . . . \_\_\_\_\_
2. Enter the amount from U.S. Form 2441, line 4 . . . . . \_\_\_\_\_
3. Enter the amount from U.S. Form 2441, line 5 . . . . . \_\_\_\_\_
4. Enter the smallest of line 1, 2 or 3 . . . . . \_\_\_\_\_
5. If you paid 2013 expenses in 2014, enter the amount of the allowed 2013 expenses used to compute the credit on U.S. Form 2441, line 9. Otherwise, enter “0” . . . . . \_\_\_\_\_
6. Add lines 4 and 5. Not to exceed more than \$4,800 for one qualifying person or \$9,600 for two or more persons. Enter here and in Form 1, line 12 . . . . . \_\_\_\_\_

**Note:** If you choose to take a deduction in Form 1, line 12, you cannot take the deduction in Form 1, line 13.

**Line 13. Dependent Member(s) of Household Under Age 12, or Dependents Age 65 or Over (not you or your spouse) as of December 31, 2014, or Disabled Dependent**

You may deduct \$3,600 for a dependent member of household, or \$7,200 for two or more dependents, under age 12, or dependent age 65 or over (not you or your spouse) as of December 31, 2014, or disabled dependent. Enter the number of qualified dependents in line 13a, not to exceed two, and multiply that amount by \$3,600. Enter the result in line 13. Only if single, head of household or married filing jointly. You cannot claim this deduction if married filing a separate return.

**Note:** You may claim an amount in line 13 only if there is no entry in line 12.

**Line 14. 50% Rental Deduction**

You may be entitled to a rental deduction equal to one-half (50%) of the rent you paid during 2014 (up to a maximum of \$3,000 per return) for your principal residence in Massachusetts. Enter the total amount of qualified rent paid by you during 2014 in line 14a. Divide line 14a by 2 and enter the result, **or \$3,000** (\$1,500 if married filing a separate return) — **whichever is smaller** — in line 14.

**Note:** This deduction amount does not apply to your U.S. tax return.

**What Qualifies for the Rental Deduction?**

The deduction must be for rent you paid to a landlord for the rental or lease of your principal residence in Massachusetts.

If two or more persons jointly rent a unit, each occupant using it as his/her principal residence is entitled to a deduction based on the amount of rent that each person paid.

If the rent is paid by a third party (such as a parent) who maintains a principal residence elsewhere, no 50% rental deduction is allowed for either party.

A principal residence does not include any residence for vacation, an apartment for a person on a temporary assignment or a student or faculty member who has a principal residence elsewhere. It also does not include any apartment or house in Massachusetts of a nonresident who has a legal residence in another state or country.

Payment for occupying a hotel, motel or rooming house is not considered rent unless a rental agreement exists. All separately stated charges such as utilities, furnishings or parking cannot be included in rent for purposes of this deduction. Also, rent does not include any advance payments (such as security deposit, last month’s rent, etc.) until actually applied as rent.

**How Do I Calculate My Rental Deduction If I Am Married Filing Separately?**

If married taxpayers file separate returns, they are each entitled to a rental deduction equal to 50% of the rent each pays, not to exceed \$1,500 per return. However, a married couple filing separately may allocate the rent deduction differently, provided the amount taken by each spouse does not exceed 50% of the rent actually paid by that spouse, and provided their combined rental deductions do not exceed \$3,000. If the allocation results in one spouse claiming a deduction in excess of \$1,500, that spouse must enclose with his/her return a statement signed by the other spouse indicating consent to the allocation. The statement must contain the name, address and Social Security number of the consenting spouse and the amount of rental deduction taken by that spouse.

**Line 15. Other Deductions (from Schedule Y)**

Enter the total from Schedule Y, line 17. Be sure to enclose Schedule Y with your return. Failure to do so will delay the processing of your return.

**Line 17. 5.2% Income After Deductions**

Subtract line 16 from line 10. Enter the result in line 17. If line 16 exceeds line 10, enter "0" in line 17.

**Line 19. 5.2% Income After Exemptions**

Subtract line 18 from line 17. If line 18 exceeds line 17, enter "0" in line 19.

If line 18 exceeds line 17 and you received interest income (other than interest from Massachusetts banks), dividends or capital gain income, complete the Schedule B, Line 36 and Schedule D, Line 20 Worksheet, if applicable. All others proceed to line 20.

**Line 20. Interest and Dividend Income**

If you have any interest income other than interest from deposits in banks located in Massachusetts, dividend income in excess of \$1,500, certain capital gains or losses, or any adjustments to interest income (other than interest from Massachusetts banks), you must complete Schedule B. Be sure to enclose Massachusetts Schedule B. To determine if you need to file Schedule B, refer to the Schedule B instructions in this booklet.

Enter in line 20 the amount from Schedule B, line 38. If not required to file Schedule B, enter dividend income of \$1,500 or less (from U.S. Form 1040 or 1040A, line 9a) in line 20.

**Tax on 5.2% Income**

**Line 22. 5.2% Tax (from Tax Table)**

If line 21 is less than \$24,000, find the proper tax by using the tax tables found in the back of this booklet. If line 21 is greater than \$24,000 multiply by .052 and enter the result in line 22.

**Note:** Personal income tax forms must provide an election to voluntarily pay tax at a rate of 5.85% on taxable income which would otherwise be taxed at a rate of 5.2%. The election to pay tax at the rate of 5.85% does not apply to items of income taxed at 12% (short-term capital gains and gains on collectibles). If choosing the optional 5.85% tax rate, multiply line 21 and Schedule D, line 21 by .0585 and fill in the oval.

**12% Income & Tax**

**Line 23. 12% Income from Certain Capital Gains**

Enter in line 23a the amount from Schedule B, line 39. Multiply this amount by .12 (12%) and enter the tax in line 23.

*If your total exemptions in Form 1, line 18 are more than the amount of your 5.2% income after deductions in Form 1, line 17, the excess may be applied against any interest and dividend income and income taxed at 12%. Any remaining excess amount may then be applied against any long-term capital gain income. Complete this worksheet only if Form 1, line 17*

*is less than Form 1, line 18 and you received interest income (other than interest from Massachusetts banks), dividends or capital gain income to determine if you qualify for the excess exemption. Enter all losses as "0."*

- 1.** Enter amount from Schedule B, line 35. Not less than "0" . . . . .
- 2.** Enter amount from Form 1, line 18 . . . . .
- 3.** Enter amount from Form 1, line 17 . . . . .
- 4.** Subtract line 3 from line 2. If "0" or less, you do not qualify for this exemption. Omit remainder of worksheet . . . . .
- 5.** Excess exemptions applied against interest and dividend income and 12% income. If line 1 is larger than line 4, enter line 4 here and in Schedule B, line 36. If line 4 is equal to or larger than line 1, enter line 1 here and in Schedule B, line 36. Complete lines 6 through 8 . . . . .

- 8.** Excess exemptions applied against long-term capital gain income. If line 7 is larger than line 6, enter line 6 here and in Schedule D, line 20. If line 6 is equal to or larger than line 7, enter line 7 here and in Schedule D, line 20 . . . . .

**Excess Exemptions**

If excess exemptions were used in calculating lines 20, 23 or 24 (see Schedule B, line 36 and/or Schedule D, line 20), be sure to fill in the oval in line 24.

**Line 25. Credit Recapture Amount**

If any Brownfields Credit (BC), Economic Opportunity Area Credit (EOA), Low Income Housing Credit (LIH) or Historic Rehabilitation Credit (HR) property is disposed of or ceases to be in qualified use prior to the end of its useful life, the difference between the credit taken and the total credit allowed for actual use must be added back to your tax on Form 1. Complete and enclose Schedule H-2, Credit Recapture and fill in the appropriate oval(s) on line 25. Schedule H-2 is available at mass.gov/dor or by calling (617) 887-MDOR or toll-free in Massachusetts 1-800-392-6089.

**Line 26. Additional Tax on Installment Sale**

An addition to tax applies for taxpayers who have deferred the gain, and the tax associated with that gain, on certain installment sales. This addition to tax is measured by an interest charge on the tax that has been deferred.

Include in line 26 an additional tax amount representing an interest charge on the deferred tax on gain from certain installment sales with a sales price over \$150,000 if you are not a dealer and the aggregate face amount of installment obligations arising during the tax year and outstanding as of the close of the tax year exceeds \$5 million. For more information see G.L. c. 62C, sec. 32A (a) and I.R.C. sec. 453A (a)–(c).

Also include in line 26 an additional tax amount representing an interest charge on the deferred gain from the installment sale of timeshares and residential lots, if the sale meets one of the following criteria: 1) the sale is of a timeshare right for 6 weeks or less; 2) the sale is for the recreational use of specified campgrounds; or 3) the sale is for a residential lot and neither the dealer nor someone related to the dealer is obligated to make any improvements on the lot. For more information see G.L. c. 62C, sec. 32A (b) and I.R.C. sec. 453(l)(2)(B).

If you are a partner in a partnership or a shareholder in an S corporation, the entity is required to send you the information you need to calculate the addition to tax under this provision.

To the extent practicable, Massachusetts follows federal income tax rules in determining the deferred gain from installment sales subject to the interest-charge addition to tax. For more information visit DOR's website at [mass.gov/dor](http://mass.gov/dor) and Internal Revenue Service Publication 537.

# Massachusetts Adjusted Gross Income (AGI)

## No Tax Status — Single, Married Filing a Joint Return or Head of Household Only

If your Massachusetts AGI was \$8,000 or less if single, \$14,400 or less plus \$1,000 per dependent if head of household, or \$16,400 or less plus \$1,000 per dependent if married filing a joint return, you qualify for No Tax Status and are not required to pay any Massachusetts income taxes.

## Limited Income Credit — Single, Married Filing a Joint Return or Head of Household Only

If you do not qualify for No Tax Status, but you are single and your Massachusetts AGI is between \$8,000 and \$14,000, or if you are filing as head of household and your Massachusetts AGI is between \$14,400 and \$25,200 plus \$1,750 per dependent, or if you are married filing a joint return and your Massachusetts AGI is between \$16,400 and \$28,700 plus \$1,750 per dependent, you may qualify for the Limited Income Credit. This credit is an alternative tax calculation that can result in a significant tax reduction for people whose income is close to the No Tax Status threshold.

## Massachusetts AGI

Massachusetts AGI is not the same as taxable income. Massachusetts AGI includes:

- wages, salaries, tips;
- taxable pensions and annuities;
- pension income from another state or political subdivision before any deduction;
- taxable IRA/Keogh and Roth IRA distributions;
- fees and unemployment compensation;
- income or loss from a business or profession;
- income or loss from partnerships, S corporations and trusts;
- rents, royalties and REMIC income;
- alimony and other 5.2% income;
- interest from Massachusetts banks before exemptions; and
- other interest, dividends, and capital gains.

**Line 32. Voluntary Contributions**

You may contribute any amount you choose to the following funds. Remember, these amounts are added to your tax. They increase the amount of your payment or reduce the amount of your refund.

**a. Endangered Wildlife Conservation:** The Natural Heritage and Endangered Species Fund is administered by the Division of Fisheries and Wildlife. Contributions are used to protect and restore rare and endangered wildlife and plants, and their habitats. This fund has helped restore and conserve in the Commonwealth populations of the Bald Eagle, Hessel’s Hairstreak Butterfly, the Redbelly Turtle and the Plymouth Gentian.

**b. Organ Transplant Fund:** The Organ Transplant Fund is administered by the Massachusetts Department of Public Health. All contributions received by the Fund assist patients with the costs of medications without which they might lose their transplanted organs. For information on how to become an organ donor, visit the Registry of Motor Vehicle’s website at [mass.gov/rmv](http://mass.gov/rmv).

**c. Massachusetts AIDS Fund:** The Massachusetts AIDS Fund is administered by the Massachusetts Department of Public Health. Contributions are used for research, experimental treatment and education related to Acquired Immune Deficiency Syndrome (AIDS). Massachusetts residents living with AIDS receive experimental treatment through clinical trials which are wholly supported with this Fund. The Fund also educates people with AIDS about treatment options and how to gain access to medication and experimental treatment.

**d. Massachusetts United States Olympic Fund:** Contributions to this fund are used to assist Massachusetts residents in paying all or part of any costs associated with the development, maintenance and operation of the United States Olympic Team participating in the Olympics and the United States Paralympic Team participating in the Paralympics.

**e. Massachusetts Military Family Relief Fund:** The Massachusetts Military Family Relief Fund is administered by the Friends of Massachusetts National Guard and Reserve Families. Contributions to this fund are used to help members of the Massachusetts National Guard and Massachusetts residents who are members of the reserves of the armed forces of the United States and who have been called to active duty after the September 11, 2001 terrorist attacks, and their families, to defray the costs of food, housing, utilities, medical services, and other expenses.

**f. Homeless Animal Prevention and Care Fund:** The Homeless Animal Prevention and Care Fund is administered by the Department of Agricultural Resources. Contributions will help animals by reducing the number of homeless cats and dogs by spaying, neutering and vaccinating animals in shelters and animal control facilities and assisting families who would not otherwise be able to afford these services for their pets. The Fund also provides training to municipal animal control offi-

cers so that they can safely and effectively protect animals and people in their communities.

**Line 33. Massachusetts Use Tax Due On Internet, Mail Order and Other Out-of-State Purchases Made in 2014**

If you purchased taxable tangible personal property out of state, over the Internet or from a catalog and did not pay Massachusetts sales tax at purchase, a Massachusetts use tax is due. If an item is exempt from sales tax (such as food, or clothing that costs \$175 or less), it would be exempt from use tax.

If you paid a sales or use tax to another state or territory of the United States when purchasing this item, you are generally entitled to a credit against the Massachusetts use tax, up to 6.25%. See TIR 03-01 for more information. No credit is allowed for a value-added tax (VAT) paid to another country.

The following are some items that are often purchased without paying sales tax. Residents would then owe use tax based on the purchase price.

- ▶ Electronics
- ▶ Appliances
- ▶ Furniture
- ▶ Jewelry
- ▶ Books
- ▶ Artwork
- ▶ Software
- ▶ Computers
- ▶ CDs and DVDs
- ▶ Video games
- ▶ Carpet
- ▶ Antiques

**For example:**

- ▶ You purchased several DVDs on the Internet for \$100 and paid no sales tax. Your use tax liability to Massachusetts on these items is \$6.25 ( $\$100 \times .0625 = \$6.25$ ).
- ▶ You purchased a computer for \$1,550 from a seller located outside of Massachusetts and paid no sales tax. Your use tax liability to Massachusetts on this item is \$96.88 ( $\$1,550 \times .0625 = \$96.88$ ).
- ▶ On a trip to Maine in November you purchased an antique desk for \$4,000 and paid Maine sales tax at the rate of 5.5%. The difference, \$30 (.75% of the purchase price), is due Massachusetts as use tax.

**Taxpayers may choose the “safe harbor” option for purchases of individual items each having a total sales price of less than \$1,000.** The “safe harbor” provision makes it easier to comply with the use tax law by allowing taxpayers to self-report an estimated amount of use tax based on the average amount of online and/or out of state purchases a taxpayer in their income bracket would likely make during the year. Taxpayers do not need to keep receipts with “safe harbor” reporting and will not be assessed additional use tax

if audited, even if the actual amount of use tax due is greater than the “safe-harbor” amount reported.

Mass. AGI per return*	Use tax liability
\$ 0—\$ 25,000	\$ 0
25,001— 40,000	20
40,001— 60,000	31
60,001— 80,000	44
80,001— 100,000	56

If the Massachusetts AGI per return\* is above \$100,000, multiply by .000625.

\*From line 7 of Massachusetts AGI worksheet.

**If you did not purchase any items with a total sales price of \$1,000 or more, you may enter the “safe harbor” amount from the table above directly on Form 1, line 33.**

Complete the Form 1, line 33 Worksheet below to calculate your use tax if you are not reporting a “safe harbor” amount or if you purchased any individual items with a sales price of \$1,000 or more. If you did purchase items with a sales price over \$1,000 and you are reporting a “safe harbor” amount, add the amount from the worksheet line 4 to the “safe harbor” amount.

**Form 1, Line 33 Worksheet. Use Tax Due on Internet, Mail Order and Other Out-of-State Purchases**

1. Total of purchases in 2014 subject to Massachusetts use tax . . . . . \_\_\_\_\_

2. Use tax. Multiply line 1 by .0625 (6.25%) . . . . . \_\_\_\_\_

3. Credit for sales/use tax paid to other states or jurisdictions. Add the amount of any sales/use tax paid to another state or jurisdiction, or 6.25% of the sales price, whichever is less, on each purchase reported in line 1 . . . . . \_\_\_\_\_

4. Total amount due. Subtract line 3 from line 2. Not less than “0”. Enter here and on Form 1, line 33 . . . . . \_\_\_\_\_

**Line 34. Health Care Penalty**

If you are subject to the Health Care Penalty for 2014 and are not appealing the application of the penalty, enter the penalty amount from line 8 of the Health Care Penalty Worksheet in line 34a for you and/or line 34b for your spouse.

If married filing a joint return and both you and your spouse are subject to the penalty, separate Health Care Penalty Worksheets must be filled out to calculate the separate penalty amounts for you and your spouse, using your married filing jointly income.

**Note:** For tax years beginning on or after January 1, 2014, a taxpayer who does not have health insurance meeting both the Massachusetts standard of creditable coverage and the federal standard of

minimum essential coverage may be subject to both the Massachusetts penalty and the federal shared responsibility payment. However, if a taxpayer is subject to both the Massachusetts penalty and the federal shared responsibility payment, the amount of the taxpayer’s Massachusetts penalty is reduced to account for payment of a federal shared responsibility payment. If the federal shared responsibility payment is greater than the amount that the taxpayer would owe as the Massachusetts penalty, the Massachusetts penalty is reduced to zero.

**Example:** In 2014, John Taxpayer failed to obtain and maintain health insurance for all 12 months. As a result, John is subject to both a federal shared responsibility payment of \$95 and a Massachusetts penalty (before adjustment) of \$708. After adjustment for the amount of John’s liability for the federal shared responsibility payment of \$95, the amount of John’s Massachusetts penalty for 2014 is \$613 (\$708 – \$95).

Enter in line 34c the amount of the federal shared responsibility payment (federal healthcare penalty) from U.S. Form 1040, line 61; U.S. Form 1040A, line 38; or U.S. Form 1040EZ, line 11.

**Note:** If you filed married filing jointly on your U.S. return and are filing married filing separately on your Massachusetts return, you **must** divide the amount of your federal shared responsibility payment by 2.

Subtract line 34c from the total of lines 34a and 34b and enter the result in line 34, **but not less than “0.”**

Be sure to enclose Schedule HC with your return. Failure to do so will delay the processing of your return.

**Line 36. Massachusetts Income Tax Withheld**

This represents all income taxes withheld for the Commonwealth of Massachusetts as indicated on your copies of Forms W-2, W-2G, PWH-WA (promoter withholding), LOA (Loan Out Affidavit), 2G, K-1, 2K-1, 3K-1 and certain 1099s, if applicable. Enter the total of all Massachusetts withholdings in line 36. Attach, with a single staple, state copies to your return; otherwise your claim of amounts withheld will not be allowed. If you have lost your state copy, ask the payer for a duplicate. Copies of 1099s need only be attached if they show an amount for Massachusetts tax withheld.

**Line 37. 2013 Overpayment Applied to Your 2014 Estimated Tax**

Include the exact amount of any 2013 overpayment you applied to your 2014 estimated taxes from your 2013 Massachusetts Form 1, line 45 or

Form 1-NR/PY, line 50. Do not include any 2013 refund in this line.

**Line 38. 2014 Massachusetts Estimated Tax Payments**

If you paid Massachusetts estimated income tax for 2014, enter in line 38 the total of all Massachusetts estimated tax payments. Be sure to include any last quarter (of 2014) payment made on or before January 15, 2015. Do not include any 2013 overpayment applied to your 2014 estimated tax. Every resident who expects to pay more than \$400 in Massachusetts income tax on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using WebFile for Income by visiting mass.gov/dor or by filing Massachusetts Form 1-ES.

**Income which is not subject to withholding includes:**

- salaries and wages where the employer is not subject to Massachusetts withholding;
- dividends and interest, including interest from Massachusetts banks;
- gains from capital assets;
- income from an individual trade, business or profession;
- income from any estate or trust not taxed directly;
- certain pensions;
- taxable Keogh or IRA distributions (only if you elected not to have federal withholding);
- rental, royalty or REMIC income;
- unemployment compensation (from which no Massachusetts income tax was withheld);
- alimony received;
- distributions from SIMPLE accounts;
- illegal income; and
- any other income received while a Massachusetts resident from which Massachusetts tax will not be withheld.

Generally, the first payment must be filed on or before April 15 of the taxable year. The estimated tax may be paid in full with the first payment or in four installments on or before April 15, June 15, September 15 of the current taxable year and January 15 of the following year.

If you wish to verify estimated tax payments that have already been made, check the Estimated Tax Payment History Application at mass.gov/dor. You will need to know the PIN that appeared on the back of your Form 1 booklet or the amount of last year’s refund or balance due to access your account.

You may request your employer to withhold additional amounts from your salary on Form M-4, Massachusetts Employee’s Withholding Exemption Certificate to cover the taxes on other income so that you do not have to file and pay estimated taxes.

If 80% of the tax is not paid throughout the year through withholding and/or estimated payments, a penalty may be imposed.

### Line 39. Payments Made with Extension

If you filed Massachusetts Form M-4868, Application for Automatic Six-Month Extension of Time to File Massachusetts Income Tax Return, for 2014 on or before April 15, 2015, enter in line 39 the amount you paid with Massachusetts Form M-4868.

### Line 40. Earned Income Credit

The earned income credit is a tax credit for certain taxpayers who work and have earned income under \$52,427. Taxpayers who qualify for and claim the federal earned income credit are allowed a refundable credit equal to 15% of the federal amount. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. You must enter the number of qualifying children, if any, in line 40a. Then, enter the federal earned income credit amount from your U.S. Form 1040, line 66a, 1040A, line 42a; or 1040EZ, line 8a. Multiply this amount by .15 (15%) and enter the result in line 40. Be sure to fill out Schedule DI, Dependent Information, if you are claiming this credit for one or more qualifying children/dependents. Failure to do so will delay the processing of your return.

If you choose to have the IRS compute your federal earned income credit, wait until the IRS notifies you of that amount before making an entry in line 40. If you have not received your earned income credit amount as computed by the IRS by April 15, 2015, you may file Massachusetts Form M-4868, Application for Automatic Six-Month Extension of Time to File Massachusetts Income Tax Return. See the Form 1 Extension Worksheet for information about filing your extension via the Web. For more information about the federal earned income tax credit, see IRS publication 596, available at [irs.gov](http://irs.gov).

### Line 41. Senior Circuit Breaker Credit

Certain senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,050 for the tax year beginning January 1, 2014. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. To determine if

you qualify for this credit, refer to the Senior Circuit Breaker Credit instructions in this booklet.

If you qualify for this credit and you are a homeowner, enter the amount from Schedule CB, Circuit Breaker Credit, line 17; if you are a renter, enter the amount from line 21. Be sure to complete and enclose Schedule CB with your return.

### Line 42. Other Refundable Credits

Enter in line 42 the amount from Schedule RF, line 5.

Be sure to enclose Schedule Z/RF with your return. Failure to do so will delay the processing of your return.

## Refund Amount

### Line 45. Amount of Overpayment You Want Applied to Your 2015 Massachusetts Estimated Tax

Enter the amount of your 2014 overpayment that you wish to apply to your 2015 Massachusetts estimated tax. Once an election is made to apply your overpayment to your 2015 estimated tax, it cannot be refunded after the due date of the return or applied to any additional tax you may owe for 2014. The amount entered in this line can only be claimed as a credit on your 2015 Massachusetts return.

### Line 46. Refund Amount

Subtract line 45 from line 44. Enter the result in line 46. This is the amount of your refund.

**Note:** Your state tax refund may be taxable on your U.S. tax return if you deducted state income tax paid as an itemized deduction on U.S. Schedule A.

### Direct Deposit

You may elect to have your refund deposited directly into your savings or checking account. Check with your financial institution to make sure that it accepts direct deposit and verify the routing transit number (RTN) of the issuing financial institution. If we are unable to honor your request for a direct deposit, a paper check will be sent to you.

The routing number of your financial institution is nine digits and begins with 01 through 12 or 21 through 32. The account number can be up to 17 characters (both numbers and letters). Omit hyphens, spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. You **must enter** the routing number and the account number in the spaces provided in line 46 if you are requesting direct deposit. Failure to do so will result in your request for direct deposit being denied.

## Tax Due

### Line 47. Tax Due

If line 35 is larger than line 43, subtract line 43 from line 35, and enter the result in line 47. This is the amount of tax you owe with your return. Pay in full with your return. Go to [mass.gov/dor/payonline](http://mass.gov/dor/payonline) for online payment options. If you need to mail your payment, make your check or money order payable to the Commonwealth of Massachusetts and write your Social Security number on the front of your check or money order in the lower left corner. Complete and remove Form PV, Massachusetts Income Tax Payment Voucher, attached to the back of the envelope included in this booklet. Enclose the check and Form PV with your return. Form PV **must** be included with your check to ensure proper crediting of your account. Be sure to use the light blue mailing label when mailing your Form 1 with the Form PV.

Failure to file or failure to pay the proper amount of tax when due will result in an increasing amount of interest and penalties. It is to your advantage to file when your return is due, whether or not you are able to make full payment.

If you owe any interest, penalty or addition for the underpayment of estimated tax, add those amounts to the tax you owe and enter the total amount in line 47.

### What Are Interest and Penalties?

**Interest:** If you fail to pay the tax when due, interest will be charged. For an explanation of how interest is compounded in Massachusetts, see TIR 92-6, available at [mass.gov/dor](http://mass.gov/dor).

**Penalty for Late Payment:** The penalty for late payment is 1% per month (or fraction thereof) of the tax due, up to a maximum of 25%.

**Penalty for Failure to File:** The penalty for failure to file a tax return by the due date is 1% per month (or fraction thereof) of the tax due, up to a maximum of 25%. If you were required to file a tax return for income received in any prior year and you did not file, you must file for that prior year.

**Penalty for Protested ("Bad") Payment:** If your payment is not honored by your bank because of insufficient funds or any other reason, a penalty may be added of \$30 or the amount of the payment, whichever is less.

**Addition for Underpayment of Estimated Tax:** You will generally be subject to this addition to tax if you did not have withholding and/or estimated payments equal to 80% of the total tax liability required to be paid and your 2014 tax due after credits and withholding is greater than \$400. The 80% requirement is reduced to 66⅔% for individuals who receive two-thirds of their income from fish-

ing or farming. If you failed to meet these requirements, you must complete and enclose Massachusetts Form M-2210 to calculate the amount you must add to line 47. You do not have to complete Form M-2210 if the balance due with your return is \$400 or less.

You may not be subject to an underpayment penalty if you qualify for one of the following exceptions:

- ▶ you are a qualified farmer or fisherman and are paying the full amount of the tax due on or before March 1, 2015;
- ▶ you were a Massachusetts resident and were not liable for 2013 taxes (where the taxable year was 12 months); or
- ▶ the sum of your estimated payments and withholding equals or exceeds your 2013 tax (where the taxable year was 12 months and a return was filed).

If you qualify for one of these exceptions, please fill in the oval marked “EX” under line 47 on Form 1 and enclose Form M-2210 indicating which of the exceptions applies to your circumstances.

A limited number of taxpayers may also qualify for a waiver of the underpayment penalty for one or more installments if:

- ▶ the underpayment was because of casualty or disaster; or
- ▶ during 2013 or 2014 you retired after reaching age 62 or became disabled and the underpayment was due to reasonable cause and not willful neglect.

If you think you qualify for one of these waivers, go to [mass.gov/dor](http://mass.gov/dor) and use DOR’s online application for abatement/amended return or enclose Form M-2210 and an explanatory statement with your return and fill in the oval marked “EX” under line 47. If your waiver is not for all four installments, complete Form M-2210 to calculate the underpayment penalty for the installments which are not covered by the waiver. Form M-2210 is available by visiting [mass.gov/dor](http://mass.gov/dor).

**Penalty for Failure to Report Federal Change:** If the U.S. Internal Revenue Service changes your federal taxable income for a prior year (generally through audit), file an online application for abatement/amended return at [mass.gov/dor](http://mass.gov/dor) within one year of the final federal determination to avoid this penalty. This penalty is equal to 10% of the additional tax due. If the change indicates a refund, file an online application for abatement/amended return within one year, including acceptance of an amended federal return by the Internal Revenue Service. Form CA-6, Application for Abatement, can also be downloaded from DOR’s website at [mass.gov/dor](http://mass.gov/dor).

## Sign Here

Now that you have completed Form 1, sign your name at the bottom of page 1 of Form 1. Your spouse must also sign if this is a joint return. Write the date you signed the return.

**Note:** Be sure to include all **three** pages of Form 1, Schedule HC and all other applicable schedules.

Attach to your Form 1, with a single staple, all state copies of your Forms W-2, W-2G, PWH-WA, 2G and any Forms 1099 which included Massachusetts withholding. If making a payment, be sure to enclose Form PV with your Form 1. Form PV is attached to the back of the envelope found in this booklet. Form PV **must** be included with your check to ensure proper crediting of your account. Make your check or money order payable to Commonwealth of Massachusetts and be sure to sign the check and write your Social Security number on it. Also, be sure to use the light blue mailing label when mailing your Form 1 with the Form PV.

### Paid Preparer Must Sign Your Return

Generally, anyone you pay to prepare your return must sign it in the space provided. Tax return preparers are authorized to sign the return by means of a rubber stamp, mechanical device, or computer software program, which must include either a facsimile or printed name of the preparer. Preparers are personally responsible for affixing their signatures to returns. Preparers must also provide their Social Security Number (SSN) or Preparer Tax Identification Number (PTIN) and Employer Identification Number (EIN) in the spaces provided. The preparer must give you a copy of the return for your records. Someone who prepares your return but does not charge you should not sign your return.

### Paid Preparer Authorization

If you want to allow the Massachusetts Department of Revenue (DOR) to discuss your 2014 tax return with the paid preparer who signed it, fill in the “Yes” oval in the signature area of the return. This authorization applies only to the individual whose signature appears in the “Paid Preparer” section of your return. It does not apply to the firm, if any, shown in that section.

If you fill in the “Yes” oval, you, and your spouse if filing a joint return, are authorizing DOR to call the paid preparer to answer any questions that may arise during the processing of your return. You are also authorizing the paid preparer to:

- ▶ give DOR any information that is missing from your return;
- ▶ call DOR for information about the processing of your return or the status of your refund or payment(s); and

▶ respond to certain DOR notices that you have shared with the preparer about math errors, offsets and return preparation. The notices will not be sent to the preparer.

You are not authorizing the paid preparer to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before DOR. If you want to expand the paid preparer’s authorization, see Form M-2848, Power of Attorney and Declaration of Representative. Form M-2848 is available by visiting [mass.gov/dor](http://mass.gov/dor).

The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2015 tax return. This is April 15, 2016 for most people.

### E-File Opt Out

For tax years beginning on or after January 1, 2011, income tax return preparers who completed more than 10 original Massachusetts Forms 1 and 1-NR/PY, including those E-filed, during the previous calendar year are required to use electronic means to file all personal income tax returns, unless the taxpayer specifically directs on the paper form that the filing be on paper and signs Form EFO, Personal Income Tax Declaration of Paper Filing. Fill in oval if you do not want your preparer to file your return electronically. See TIR 11-13 for more information.

You must complete this schedule if you are claiming a dependent exemption(s) on Form 1, line 2b or taking a deduction/credit(s) on Form 1, lines 12, 13 or 40 (if applicable). ## Schedule X

### Other Income

**Be sure to enclose with Form 1.**

#### Line 1. Alimony Received

Enter in Schedule X, line 1 the total amount of all periodic payments of alimony or separate maintenance received under a court judgment or decree, or for excess alimony amounts recaptured, as reported on U.S. Form 1040, line 11. Payments specified as child support are not taxable.

#### Line 2. Taxable IRA/Keogh, Qualified Charitable IRA Distributions and Roth IRA Conversion Distributions

Complete the Schedule X, Line 2 Worksheet to calculate the taxable portion of any amount you received from an Individual Retirement Account (IRA), Keogh, qualified charitable IRA distribution or Roth IRA conversion distribution. Since Massachusetts does not allow a deduction for amounts originally contributed to an IRA or Keogh, the distributions are not taxable until the full amount of your contributions which were previously subject to Massachusetts taxes are recovered.

Contributions made to Keogh accounts prior to 1975 were deductible when made. Therefore, no deduction may be taken from a Keogh distribution for amounts contributed before 1975.

**Note:** Contributions from a deferred plan, such as a 401(k), that were rolled over into an IRA are not considered pre-taxed contributions.

#### **Schedule X, Line 2 Worksheet. Taxable IRA/Keogh Plan, Qualified Charitable IRA Distributions and Roth IRA Conversion Distributions**

Gambling losses claimed as itemized deductions on U.S. Form 1040, Schedule A are not allowed on your Massachusetts return.

Also, report all bartering income not reported on Schedule C (the fair market value of goods or services received in payment for your services).

- ▶ Embezzled or other income from illegal activities is taxable and should be reported on Schedule X, line 4.

The following items should **not** be reported on your Massachusetts return:

- ▶ Any "net operating loss" reported as a negative amount on U.S. Form 1040, line 21 cannot be entered on Schedule X. A net operating loss from a business or profession cannot be carried forward or backward to offset individual income in any other year under Massachusetts law.
- ▶ Refunds of U.S. and Massachusetts income taxes are not considered income under Massachusetts law. If you received interest on refunds, report such interest on Massachusetts Schedule B.

**Line 11. College Tuition Deduction**

A deduction is allowed for tuition payments paid by you, for yourself or a dependent, to a qualifying two- or four-year college leading to an undergraduate or associate's degree, diploma or certificate. Tuition payments for students pursuing graduate degrees at such a college or university are not eligible for the college tuition deduction. The deduction is equal to the amount by which the tuition payments, less any scholarships, grants or financial aid received, exceed 25% of Massachusetts AGI. The amount of the college tuition deduction is limited to qualified tuition expenses paid during a taxable year in connection with an academic term beginning during such taxable year or during the first three months of the next taxable year.

Qualified tuition expenses include only those expenses designated as tuition or mandatory fees required for the enrollment or attendance of the taxpayer or any dependent of the taxpayer at an eligible educational institution. No deduction is allowed for any amount paid for room and board, books, supplies, equipment, personal living expenses, meals, lodging, travel or research, athletic fees, insurance expenses or other expenses unrelated to an individual's academic course of instruction. Also, no deduction is allowed for reimbursements or refunds of qualified tuition and related expenses made by an insurer. Complete the Massachusetts AGI Worksheet and the Schedule Y, line 11 worksheet to see if you may qualify for this deduction. See TIR 97-13 for more information.

**Line 12. Undergraduate Student Loan Interest Deduction**

A deduction is allowed for interest paid on a qualified undergraduate student loan. To be eligible for the deduction, the "education debt" must be a loan that is administered by the financial aid office of a two-year or four-year college at which you, or a qualified dependent, were enrolled as an undergraduate student. Additionally, the loan must have been secured through a state student loan program, a federal student loan program, or a commercial lender, and must have been spent solely for the purposes of paying tuition and other expenses directly related to the school enrollment. Enter the amount of such interest paid in Schedule Y, line 12. This deduction is only allowed if not claiming the same expenses in line 10 of Schedule Y, Student Loan Interest Deduction.

**Line 13. Deductible Amount of Qualified Contributory Pension Income from Another State or Political Subdivision Included in Form 1, Line 4**

Massachusetts allows a deduction for contributory pension income received from another state or one of its political subdivisions which does not tax such income from Massachusetts or its political subdivisions. For guidelines to determine which state's pensions are exempt in Massachusetts, see TIR 95-9. Enter any deductible amount of such income in line 13 of Schedule Y that was included in Form 1, line 4.

**Line 14. Claim of Right Deduction**

Taxpayers who have paid Massachusetts personal income taxes in a prior year on income attributed to them under a "claim of right" may deduct the amount of that income from their gross income if it later develops that they were not in fact entitled to the income, and have repaid the amounts in question. The deduction is allowed in the year of repayment, provided that the repayment is not otherwise deductible in determining Massachusetts income taxable under M.G.L. ch. 62. Some examples in which the claim of right may be applied for are:

- ▶ **Stock under claim of ownership.** Gains from sales of stock under a claim of ownership must be included, regardless of whether the taxpayer actually owned it;
- ▶ **Employment contracts.** Amounts in settlement of employment contracts must be included notwithstanding the prospect of eventual repayment to the employer of an amount equivalent to or greater than the amount received;
- ▶ **Dividends.** Where a taxpayer receives a dividend that must be repaid in a later year (e.g., because it impaired corporate capital), the dividend must be included in the year of receipt;
- ▶ **Corporate notes.** Where a taxpayer receives a distribution with respect to holding of notes, the income must be included regardless of whether it could be challenged by senior creditors;
- ▶ **Mistake in validity of claim.** The claim of right doctrine applies where a taxpayer merely mistakes the validity of his claim; or
- ▶ **Advanced insurance commissions.**

If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 14. For more information, see TIR 06-4.

**Line 15. Commuter Deduction**

A deduction is allowed for certain amounts paid by an individual for tolls paid for through an E-ZPass account or for weekly or monthly transit com-

muter passes for MBTA transit, bus, commuter rail or commuter boat, not including amounts reimbursed or otherwise deductible.

In the case of a single person or a married person filing a separate return or a head of household, this deduction applies only to the portion of such expended amount that exceeds \$150, and the total amount deducted cannot exceed \$750. In the case of a married couple filing a joint return, this deduction applies only to the portion of such amount expended by each individual that exceeds \$150, and the total amount deducted cannot exceed \$750 for each individual. Also, one spouse cannot transfer his or her excess deduction to the other spouse; separate worksheets must be completed to calculate the deduction. See TIR 06-14 for additional information.

The deduction is allowed where an individual purchases an MBTA pass for a dependent who is claimed on that individual's tax return, provided the dependent does not also claim the deduction. However, the total amount deducted cannot exceed \$750 for each individual taxpayer who is filing a return. In the case of married taxpayers filing a joint return, the total amount deducted cannot exceed \$750 per taxpayer; thus, the maximum deduction for a joint return is \$1,500.

Complete the Schedule Y, Line 15 Worksheet to calculate the commuter deduction.

**Line 16. Deduction for Expenses of Human Organ Transplant**

An individual may deduct certain expenses and other costs incurred in the process of donating an organ for a human organ transplant to another individual. For purposes of this deduction, "human organ" shall mean all or part of human bone marrow, liver, pancreas, kidney, intestine or lung. In the case of an individual who donates an organ to another person for human organ transplantation,

the individual may deduct the following expenses that are incurred by the individual and related to the individual's organ donation: (i) travel expenses; (ii) lodging expenses; and (iii) lost wages not to exceed \$10,000. An individual who is a nonresident of Massachusetts for all or part of the taxable year is not eligible to claim this deduction. If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 16. See TIR 11-6 for further information.

## Schedule Z

### Other Credits

Be sure to enclose with Form 1.

### Part 1 Credits

#### Line 1. Lead Paint

If you incurred expenses for covering or removing lead paint on residential premises in Massachusetts, you may claim a credit for expenses up to \$1,500 for each residential unit. The basic rules are explained on Massachusetts Schedule LP, Credit for Removing or Covering Lead Paint on Residential Premises. If you qualify for the credit, complete Schedule LP and enter the amount of credit in line 1. Be sure to enter in line 1a the total number of units indicated in Schedule LP, line(s) 1a and 3a.

**Note:** You **must** enclose Schedule LP with your return. Failure to do so will result in this credit being disallowed on your tax return and an adjustment of your reported tax.

#### Line 2. Economic Opportunity Area/ Economic Development Incentive Program

Massachusetts allows a credit equal to 5% of the cost of qualifying property purchased for business use within an **Economic Opportunity Area** (EOA). If you qualify for the credit, fill in the appropriate oval, complete Schedule EOAC and enter the amount of credit in line 2. **Note:** You **must** enclose Schedule EOAC with your return. Failure to do so will result in this credit being disallowed on your tax return and an adjustment of your reported tax.

The **Economic Development Incentive Program Credit** (EDIPC) is a tax credit under G.L. c. 62, sec. 6(g) and G.L. c. 63, sec. 38N equal to a percentage of the cost of property purchased for business use within a certified project as defined in G.L. c. 23A, sec. 3A.

To be eligible for the EDIP credit, the project must have certified on or after January 1, 2010. As part of the project certification, the Economic Assistance Coordinating Council (EACC) may (but is not required to) award a credit under the program and,

when a credit is awarded, the EACC will determine the percentage of the cost of property to be used in determining the credit.

Taxpayers with ongoing projects that were certified prior to January 1, 2010 may be eligible for credits under the prior version of the Economic Development Incentive Program; such taxpayers do not file schedule EDIP (see TIR 10-01 and Schedule EOAC).

The EACC may also, in consultation with the DOR, limit (but not expand) the credit to a specific dollar amount or time duration or in any other manner deemed appropriate by the EACC, St. 2009, c. 166, §18. For example, the EACC may limit the credit available with respect to a particular project to a specific dollar maximum, even if the actual dollar amount of the qualifying purchases would otherwise generate a higher credit amount. Similarly, the EACC may limit the otherwise applicable credit carry forward period provided by G.L. c. 62, sec. 6(g) and G.L. c. 63, sec. 38N (d). See TIRs 10-15, 10-1 and 14-3 for more information. If you qualify for the credit, fill in the appropriate oval, complete Schedule EDIP and enter the amount of the credit in line 2. Also, be sure to enter the EACC-issued certificate number in line 2. **Note:** You must enter the certificate number on Schedule Z. If you use this worksheet to calculate a credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, substitute interest income (other than interest from Massachusetts banks), dividends or capital gain income for 5.2% income in line 1 of the worksheet. You must also substitute Schedule B, line 7 (interest and dividend income) and Schedule B, line 13 (taxable 12% capital gains) or Schedule D, line 13, (gross long-term capital gains and losses), but not less than “0,” for Form 1, line 10 in line 2 of the worksheet, and the total of Form 1, line 20 multiplied by .052 (tax on interest and dividend income) and Form 1, line 23 (12% tax) or line 24 (tax on long-term capital gains) for Form 1, line 19 in line 4 of the worksheet.

▶ When using the worksheet to calculate credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, enter in line 1 such income taxed in another jurisdiction calculated as if it was earned in Massachusetts.

▶ If you choose to pay the optional 5.85% tax rate, substitute .0585 for .052 in line 4 of the worksheet.

**Note:** Be sure to enter the two-letter state or jurisdictional postal code for each state or jurisdiction for which you are taking the credit. Taxpayers from a territory or dependency of the U.S., or the Dominion of Canada or any of its provinces, must enter “FC” as the postal code.

## Schedule D

**Note:** If showing a loss, be sure to mark over the “X” in the box to the left. Also, be sure to enclose with Form 1.

### Long-Term Capital Gains and Losses Excluding Collectibles

You must complete Massachusetts Schedule D if you had long-term gains or losses from the sale or exchange of capital assets or from similar transactions which are granted capital gain or loss treatment on your U.S. return, or if you had capital gain distributions. If you did not file U.S. Schedule D but are reporting capital gain distributions on U.S. Form 1040, line 13 or 1040A, line 10, you must complete Massachusetts Schedule D (see line 6 instructions). Include gains from all property, wherever located. Long-term capital gains are gains on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange. Long-term capital losses are losses on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange.

The law defines “capital gain income” as gain from the sale or exchange of a capital asset. The definition of “capital asset” includes: (1) an asset which is a capital asset under IRC sec. 1221, or (2) property that is used in a trade or business within the meaning of IRC sec. 1231(b) without regard to the holding period as defined in said sec. 1231(b).

#### Differences

Significant differences between the U.S. and Massachusetts capital gain provisions are:

- ▶ IRC sec. 1244 losses reported as ordinary losses on your U.S. return must be reported on Massachusetts Schedule D;
- ▶ If you made a federal election under sec. 311 of the Tax Relief Act of 1997 to recognize gain on the deemed sale of a capital asset held on January 1, 2001, Massachusetts does not follow the federal rules at sec. 311 for determining the basis of the asset. See TIR 02-3. If you sold a capital asset in 2014 for which you made a federal sec. 311 election, the Massachusetts initial basis will not be the federal basis. The Massachusetts initial

basis will be determined as of the date the asset was first acquired;

- ▶ Upon the sale of stock of an S corporation, the federal basis must be modified according to Massachusetts Income Tax Regulation, 830 CMR 62.17A.1; and

- ▶ Massachusetts has adopted basis adjustment rules to take into account differences between Massachusetts and federal tax laws. For more information regarding basis adjustment rules, see TIR 88-7.

Net ordinary losses that are itemized deductions on U.S. Schedule A are not allowable.

#### Installment Sales

If a sale was treated as an installment sale for U.S. income tax purposes, it may be treated the same way on your Massachusetts income tax return. Gains from pre-1996 installment sales are classified as either capital gains or ordinary income under the Massachusetts law in effect on the date the sale or exchange took place.

Gains from pre-1996 installment sales that are classified as capital gains should be reported as 12% income on Massachusetts Schedule B. If the asset was held for more than one year when it was sold, the gain will be eligible for a 50% long-term deduction. Gains from pre-1996 installment sales that are classified as capital gains included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 12 (“Long-term gains on collectibles and pre-1996 installment sales”). The amount of such gain is then reported on Massachusetts Schedule B, Part 2, line 11.

Gains from pre-1996 installment sales classified as ordinary income and that are included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 10 (“Differences”). The amount of such gain classified as ordinary income should then be reported on Form 1, line 9 (“Other income”) and included on Schedule X, line 4 and identified as “2014 gain from pre-1996 installment sale.”

**Note:** If you are reporting an installment sale occurring on or after January 1, 2003, report those gains on Schedule D. If you are reporting capital gains on installment sales that occurred during January 1, 1996 through December 31, 2002, do **not** file Schedule D. Instead, you must file Schedule D-IS, Installment Sales. Schedule D-IS can be obtained on DOR’s website at [mass.gov/dor](http://mass.gov/dor).

Effective for sales on or after January 1, 2005, if you wish to report a sale on your Massachusetts return as an installment sale and the Massachusetts gain is \$1 million or greater, you must apply in writing to the Department of Revenue’s Installment Sales Unit. See TIR 04-28. The Commissioner of Revenue must approve your application to report

the sale on the installment basis in Massachusetts before you file your return, and appropriate security must be posted. An explanatory statement must be enclosed with each return for the life of the installment sale. For further information contact the Installment Sales Unit at (617) 887-6950.

### Lower Capital Gains Tax Rate for Gains from the Sale of Stock in Certain Massachusetts-Based Start-Up Corporations

Effective for tax years beginning on or after January 1, 2011, gains derived from the sale of investments which meet certain requirements are taxed at a rate of 3% instead of 5.2%. In order to qualify for the 3% rate, investments must have been made within five years of the corporation’s date of incorporation and must be in stock that generally satisfies the definition of “qualified small business stock” under IRC § 1202 (c), other than the requirement that the stock be stock of a C corporation. In addition, the stock must be held for three years or more and the investments must be in a corporation which (a) is domiciled in Massachusetts, (b) is incorporated on or after January 1, 2011, (c) has less than \$50 million in assets at the time of investment, and (d) complies with certain of the “active business” requirements of § 1202 of the Internal Revenue Code, i.e., § 1202 (e)(1), (e)(2), (e)(5), and (e)(6).

To be eligible as “qualified small business stock” under IRC § 1202(c), the stock must be acquired by the taxpayer at its original issue (directly or through an underwriter) in exchange for money, property, or as compensation for services provided to the corporation. During substantially all of the taxpayer’s holding period, at least 80 percent of the value of the corporation’s assets must be used in the active conduct of one or more qualified businesses.

If you are reporting a sale of stock in a certain Massachusetts-based start-up corporation(s), do not file Schedule D. Instead, you must report that gain(s) on Schedule D-IS, Installment Sales. Schedule D-IS can be obtained on DOR’s website at [mass.gov/dor](http://mass.gov/dor).

Enter in line 12 the amount of long-term gains on collectibles and pre-1996 installment sales classified as capital gain income for Massachusetts purposes that are included in line 11.

Long-term gains on collectibles and pre-1996 installment sales classified as capital gain income for Massachusetts purposes are taxed at the 12% rate and should be entered on Schedule B, line 11.

Collectibles are defined as any capital asset that is a collectible within the meaning of Internal Revenue Code section 408(m), as amended and in effect for the taxable year, including works of art, rugs, antiques, metals, gems, stamps, alcoholic beverages, certain coins, and any other items treated as collectibles for federal tax purposes.

### Line 13. Subtotal

If Schedule D, line 13 is a gain and Schedule B, line 21 is a loss, go to Schedule D, line 14.

If Schedule D, line 13 is a loss and Schedule B, line 24 is "0" or greater, go to Schedule D, line 14.

If Schedule D, line 13 is a gain, and Schedule B, line 24 is "0" or greater, omit Schedule D, lines 14 through 16 and enter the amount from Schedule D, line 13 in Schedule D, line 17.

### Line 14. Capital Losses Applied Against Capital Gains

If Schedule D, line 13 is a positive amount and Schedule B, line 22 is a loss, enter the smaller of Schedule D, line 13 or Schedule B, line 21 (considered as a positive amount) in Schedule D, line 14 and in Schedule B, line 22.

If Schedule D, line 13 is a loss and Schedule B, line 24 is a positive amount, enter the smaller of Schedule D, line 13 (considered as a positive amount) or Schedule B, line 24 in Schedule D, line 14 and in Schedule B, line 25.

### Line 15. Subtotal

### Line 18. Allowable Deductions From Your Trade or Business

Enter the appropriate amount from Massachusetts Schedule C-2 if you qualify for an excess trade or business deduction. Generally, taxpayers may not use excess 5.2% deductions to offset

other income. However, where the taxpayer files a Massachusetts Schedule C or Schedule E, Massachusetts law allows such offsets if the following requirements are met: the excess 5.2% deductions must be adjusted gross income deductions allowed under MGL Ch. 62, sec. 2(d); and these excess deductions may only be used to offset other income which is effectively connected with the active conduct of a trade or business or any other income allowed under IRC, sec. 469(d)(1)(B) to offset losses from passive activities.

### Line 20. Excess Exemptions

Enter in line 20 the amount from line 8 of the Schedule B, Line 36 and Schedule D, Line 20 Worksheet (only if single, head of household or married filing joint return).

### Line 22. Tax On Long-Term Capital Gains

### Line 23. Available Losses for Carryover

Enter the amount from Schedule D, line 17, only if it is a loss.

## Schedule C

**Note:** If showing a loss, be sure to mark over the "X" in the box to the left. Also, be sure to enclose with Form 1.

### Substituting U.S. Schedules C or C-EZ

U.S. Schedules C or C-EZ are no longer allowed as a substitute for Massachusetts Schedule C.

### Profit or Loss from Business or Profession

Massachusetts Schedule C is provided to report income and deductions from each business or profession operated as a sole proprietorship.

If your business deductions, excluding the Abandoned Building Renovation Deduction, exceed Schedule C income and any other income taxable at the 5.2% rate, such excess deductions may be subtracted from the other income that is effectively connected with the active conduct of your trade or business and any other income allowed under IRC Section 469(d)(1)(B) to offset losses from passive activities. To compute the excess trade or business deductions use Massachusetts Schedule C-2. This form is available by visiting

mass.gov/dor, or you may have one mailed to you by calling (617) 887-MDOR.

### Registration Information

In the space provided, describe the business or professional activity that provided your principal source of income reported on line 1. If you owned more than one business, you must complete a separate Schedule C for each business. Give the general field or activity and the type of product or service.

### Employer Identification Number

You need an Employer Identification number (EIN) only if you had a Keogh plan, were required to file an employment, excise, estate, trust, or alcohol, tobacco and firearms tax return or employ contract labor. If you do not have an EIN, leave the line blank. Do **not** enter your Social Security number.

### Small Business Energy Exemption

If you are claiming the small business energy exemption from the sales tax on purchases of taxable energy or heating fuel during 2014, you must have five or fewer employees. You must enter the number of your employees in the space provided.

### Accounting Method

If you filed a return on the accrual basis last year, your return for this year must be on the same basis. If a taxpayer requesting permission to change an accounting method for Massachusetts purposes is eligible for an automatic change of accounting method federally, and has correctly followed the most recently issued federal revenue procedure for requesting an automatic change, then the taxpayer should file his/her annual return using the new method and write at the top, "Automatic Change of Accounting Method — filed in compliance with DOR Directive 02-13." The taxpayer should enclose a copy of federal Form 3115, together with any required statements. See DOR Directive 02-13 for further information.

### Material Participation

Indicate if you materially participated in the operation of this business during 2014. If you did not materially participate and have a loss from this business, see line 33 for further instructions.

### Line 1a. Gross Receipts or Sales

In the boxes provided, enter gross receipts or sales from your business. Be sure to include on this line amounts you received in your trade or business as shown on Form 1099-MISC, Miscellaneous Income. If the nature of your business is such that you have gross or other income that is interest (other than from Massachusetts banks) and dividend income, exclude this income from lines 1 and 4 on Massachusetts Schedule C and include it in line 32 and in Schedule B, line 3. **Note:** If not

required to file Schedule B (see Schedule B instructions), enter this income on Form 1, line 20. Examples of interest (other than from Massachusetts banks) and dividend income are interest received on loans, notes receivable or charge accounts that you accept in the ordinary course of business, and dividends on stocks received in payment for goods and services. Capital gains from the sale or exchange of assets used in your business are not reported on Schedule C. Use U.S. Form 4797 and report the amount in Form 1, Schedule B and/or Schedule D. You must also exclude from Schedule C any income and expenses that pertain to activities for yourself as distinguished from those performed for your customers. Such income must be reported by class of income in Schedules B and D. Personal expenses are not deductible.

If you received Form W-2 and the "Statutory employee" box in item 13 of that form was checked, report your income and expenses related to that income on Schedule C. Enter your statutory employee income from box 1 of Form W-2 on line 1 of Schedule C and fill in the oval. Statutory employees include full-time life insurance agents, certain agent or commission drivers and traveling salespersons and certain homeworkers. If you had both self-employment income and statutory employee income, do not combine these amounts on a single Schedule C. In this case, you must file separate Schedule Cs.

### Line 4. Other Income

If you received bartering income, you must report the fair market value of goods or services received in payment for your goods and services in line 4. Do not include interest income (other than from Massachusetts banks) and dividends here (see line 32).

### Line 7. Bad Debts From Sales or Services

Include debts and partial debts from sales or services that were included in income and are definitely known to be worthless. If you later collect a debt that you deducted as a bad debt, include it as income in the year collected.

**Note:** Cash method taxpayers cannot take a bad debt deduction unless the amount was previously included in income.

### Line 11. Depreciation and Section 179 Deduction

Massachusetts adopts the current federal rules at section 179 for expensing certain depreciable business assets. For property placed in service in tax years beginning after December 31, 2013 and before January 1, 2015, the maximum section 179 expensing allowance is \$500,000.

## Line 17. Pension and Profit-Sharing Plans

Enter your deduction for contributions to a pension, profit-sharing or annuity plan, or plans for the benefit of your employees. If the plan includes you as a self-employed person, do not include contributions made as an employer on your behalf. See DOR Directive 08-3 for more information.

## Line 23. Meals and Entertainment

**Line 23a.** Enter your total business meal and entertainment expenses. Include meals while traveling away from home for business. Instead of the actual cost of your meals while traveling away from home, you may use the standard meal allowance. Business meal expenses are deductible only if they are (a) directly related to or associated with the conduct of your trade or business, (b) not lavish or extravagant and (c) incurred while you or your employee is present at the meal. Club dues are not allowed as a business deduction.

**Line 23b.** Generally, you may deduct only 50% of your business meal and entertainment expenses, including meals incurred while traveling away from home on business. However, you may fully deduct meals and entertainment furnished or reimbursed to an employee if you properly treat the expense as wages subject to withholding. You may also fully deduct meals and entertainment provided to a nonemployee to the extent the expenses are includible in the gross income of that person and reported on Form 1099-MISC. Figure how much of the amount on line 23a is subject to the 50% limit. Then, enter 50% of that amount on line 23b. This amount should be subtracted from the amount in line 23a. Enter the result in line 23 of Massachusetts Schedule C.

## Line 30. Abandoned Building Renovation Deduction

Massachusetts allows businesses to deduct 10% of the costs incurred in renovating certain buildings located in an Economic Opportunity Area (EOA). The buildings must be designated as abandoned by the Economic Assistance Coordinating Council. The renovation deduction may be taken in addition to any other deduction for which the renovation costs may qualify. For more information, contact the Massachusetts Office of Business Development.

In line 30 enter 10% of the costs of renovating a qualifying abandoned building.

## Line 32. Interest (other than from Massachusetts banks) and Dividend Income

If you have interest (other than from Massachusetts banks) and dividend income reported on

U.S. Schedule C, lines 1 and/or 6 or Schedule C-EZ, line 1, enter that amount in line 32 and in Massachusetts Schedule B, line 3. If you are not required to file Schedule B (see Schedule B instructions), enter that amount on Form 1, line 20. Do not include such amounts on Massachusetts Schedule C, lines 1 and/or 4.

## Line 33. If You Have a Loss

Fill in the oval in line 33a if all of your investment is at risk. Enter your loss from line 31 on Form 1, line 6 **unless** you answered “no” to the question on material participation on the front of Schedule C. If you answered “no” to this question, complete a pro forma copy of U.S. Form 8582 that reflects only income being reported on your Massachusetts return. Enter in Massachusetts Schedule C, line 31 your allowable loss calculated on Form 8582.

Fill in the oval in line 33b if only some of your investment is at risk. To determine the amount of your allowable loss, complete a pro forma copy of U.S. Form 6198 that reflects only income being reported on your Massachusetts return. Enter the amount calculated on U.S. Form 6198 in line 31 **unless** you answered “no” to the question on material participation on the front of Schedule C. In this case, your loss is further limited. Use the amounts calculated on your pro forma U.S. Form 6198 to complete a pro forma U.S. Form 8582. If your at-risk amount is “0” or less, enter “0” in line 31.

# Senior Circuit Breaker Tax Credit

## What Is It?

For tax years beginning on or after January 1, 2001, senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes they paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,050 for the tax year beginning January 1, 2014. See TIR 14-12 for more information.

Eligible taxpayers who own their property may claim a credit equal to the amount by which their property tax payments in tax year 2014 (excluding any exemptions and/or abatements), including water and sewer debt charges, exceed 10% of their “total income” for the same current tax year. Taxpayers residing in communities that do not include water and sewer debt service in their property tax assessments may claim, in addition to their property tax payments, 50% of the water and sewer use charges actually paid during the tax year when figuring their credit.

Renters may claim a credit in the amount by which 25% of their annual rental payment is more than 10% of their total income.

For purposes of the tax credit, a taxpayer’s “total income” includes taxable income as well as exempt income such as Social Security, Treasury bills and public pensions. For a complete list of what constitutes “total income,” see TIR 01-19.

## Who Is Eligible for the Credit?

To be eligible for the credit for the 2014 tax year, a taxpayer must be 65 years of age or older before January 1, 2015 (for joint filers, it is sufficient if one taxpayer is 65 years of age or older), must own or rent residential property in Massachusetts and occupy the property as his or her principal residence, and must not be the dependent of another taxpayer. The taxpayer’s total income cannot exceed \$56,000 for a single filer who is not the head of a household, \$70,000 for a head of household, or \$84,000 for taxpayers filing jointly. No credit is allowed for a married taxpayer unless a joint return is filed. Moreover, the assessed valuation of the real estate cannot exceed \$691,000.

No credit is allowed if the taxpayer claims the “married filing separate” status, receives a federal or state rent subsidy, rents from a tax-exempt entity, or is the dependent of another taxpayer.

## Is the Tax Credit Considered Income?

Tax credits received by eligible taxpayers are not considered income for the purpose of obtaining eligibility or benefits under other means-tested assistance programs including food, medical, housing, energy and educational assistance programs.

## How Does a Taxpayer Claim the Credit?

Taxpayers who are eligible for the tax credit in the 2014 tax year can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with their 2014 state income tax return. Eligible taxpayers who do not normally file a state income tax return may obtain a refund by filing a return with Schedule CB. As with all claimed tax credits and deductions, the taxpayer must keep all pertinent records, receipts and other documentation supporting his or her claim for the credit.

## Line 1. Living Quarters Status During 2014

Be sure to fill in the appropriate oval. If you were a renter in 2014 and you received any federal and/or state subsidy, or you rent from a tax-exempt entity, you do not qualify for the Circuit Breaker Credit.

Homeowners, fill in the appropriate “Yes” or “No” oval to indicate if you owned a multi-use or multi-family property. A taxpayer who owns a principal

residence with a land area in excess of one acre or a multi-use building or land area, for example, a storefront with an apartment up above, may only claim the taxpayer's proportional share of the real estate tax payments (Schedule CB, line 10), including water and sewer use charges (Schedule CB, line 13), which corresponds to the portion of the residence used and occupied as principal residence. A taxpayer who owns a multiple family dwelling (a multi-family residence that includes the taxpayer's personal residence), may only claim the taxpayer's proportional share of the taxes (Schedule CB, line 10) or sewer and water use charges (Schedule CB, line 13) paid. For example, where a condominium association pays one sewer and water bill for multiple owners, each owner may only claim the proportional share of the use charges attributable to the taxpayer's condominium (for example, the condominium owner's percentage interest in the undivided interest of common areas and facilities).

## Line 2. Assessed Value of Principal Residence as of January 1, 2014

Enter the amount of the assessed value of your principal residence as of January 1, 2014. If you own a multi-family home, mixed-use property, or more than one acre of land, only the assessed value of your principal residence, together with the land that immediately surrounds and is associated with that residence, not to exceed one acre, should be used. If the assessed value is over \$691,000, you do not qualify for the credit. Contact your local city or town's assessors' office if you have any questions in determining the amount of the assessed value of your principal residence as of January 1, 2014.

## Income Calculation

Qualifying income for the Circuit Breaker Credit (Schedule CB, lines 3 through 9) is the taxpayer's Massachusetts AGI as defined in MGL Ch. 62, sec. 2 increased by various amounts that may have been excluded or subtracted when originally calculating the taxpayer's Massachusetts AGI, less certain exemptions claimed by the taxpayer. Amounts added back to Massachusetts AGI in computing qualifying income include income from Social Security, retirement, pension or annuities, cash public assistance, tax-exempt interest and dividends, net capital losses, long-term capital losses, certain capital gains, income from a partnership or trust not otherwise included in the taxpayer's Massachusetts AGI, and gross receipts (for example, the return of capital or gifts) from any other source except the tax credit itself. The exemptions allowed which decrease the total income amount are those allowed for blindness, dependents and taxpayers who are at least age 65 by the end of the tax year.

## Line 4. Total Social Security Benefits

These payments are billed as due on the following dates: February 1, May 1, August 1, and November 1. If a community collects taxes semi-annually, a taxpayer may have made two payments during the calendar year. If you own a multi-family home, mixed-use property, or your principal residence has a land area in ex-

## What kind of help is available

DOR's website at [mass.gov/dor](http://mass.gov/dor) is a valuable resource for tax information 24 hours a day. Thousands of taxpayers use DOR's website to e-mail and receive prompt answers to their general tax inquiries. Taxpayers can also check the status of their refunds, make estimated tax payments and review their estimated tax payment histories through the WebFile for Income section of our website.

Public libraries and DOR district offices (listed on this page) also offer access to DOR's website for those taxpayers who don't otherwise have computer access.

## Where to get forms and publications

## A Special Message from Revenue Commissioner Amy Pitter

It's an electronic world and I know not everyone will choose to file taxes electronically. But if you do have access to the Internet, please consider filing your taxes electronically this year. In addition to the expense of producing this paper booklet, which uses up our precious natural resources, it takes longer to process.

There are so many reasons to file electronically and a very large majority of Massachusetts taxpayers are doing just that. Make this the first year you choose to give up paper and take advantage of the benefits of electronic filing:

- the security of filing through DOR's WebFile for Income or E-File
- automatic correction of math mistakes
- saving on postage and a trip to the post office
- guidance while completing your return

Consider DOR's WebFile for Income, E-Filing through your tax preparer, or doing it yourself from home using approved commercial software. You may even be able to E-File from a computer at your local library.

This year, choose the safest, most secure and easiest way to file your taxes, saving you time and money.

Have a great 2015!

Sincerely,

Commissioner Amy A. Pitter
